The State Property Tax Deferral Program is a lifeline loan program that can cover the annual property tax bills of Maine people who are 65 years or older or are permanently disabled and cannot afford to pay their taxes. This Loan Program allows Maine's taxpayers to age in place and ensure that their property taxes are still paid to the Municipalities; Repayment of the loan is required once the property is sold or becomes part of an Estate.

This application period for this program is January 1st through April 1st. The 2024 filing period has ended; 2025 Application will be posted in January, 2025.
