

Recycle with ME

Recycling works for Old Orchard Beach and we're asking you to recycle, too.

We've made it *easy* for you with Single Sort recycling at our transfer station & Silver Bullet Recycling Receptacle. Just combine all your recyclable items in one container (no need to separate materials by type or by color) and put all your trash in another.

Then, take it to our transfer station, and empty each container under the corresponding sign.

It's easy.

It's fast.

It works for ME.
