### HIGHLIGHT OF THE MEETING

Isaac LaChance (age 6) asked to speak to the group. Without his dad knowing the reason why, he set up a lemonade stand and sold enough lemonade to donate \$60.75 to the Ballpark.

### Immediate Needs

Tommy is checking on a batting cage to use for the Tournament. Timing issues ( a two week out timeframe) with our purchase of the Ryan 2000

Need volunteers to help finish up the facility and also serve during the Tournament. Paul will also check with the Rec Department and Tommy will see if they are any kids that need to complete community service requirements.

Mike Bouffard is checking on towels for the locker rooms for the Tournament

Mike Bouffard is checking on a cleaning contact for the Tournament

### Discussions with Solutions

Jack Turcotte will get with Public Works to borrow 20 cones for parking control

Tommy LaChance will handle the parking flow. He will get 3 folks to manage the flow.

Mike Bouffard will provide a 5'x8' flag for the series. It is the flag draped on his grandfather's casket and Mike said his grandfather would be honored to have it use for the tournament

Jack Turcotte approved the use of the lights for late night work that needs to be completed before the tournament.

Thibodaux's Ice Cream will give us a freezer for buying \$125 worth of product

Central Maine College is supplying the sound system for the Tournament

Lift-Back Stop-it was approved that we rent this (less than \$500) for the week (see detail with updates at the end of the minutes below)

The minutes from the meeting of 4/28 were approved with the one change of moving our monthly meeting in May from the second to the third Monday of the month so we could enjoy the tournament and have a May's meeting be a recap of the Tournament and how things went.
