The United Way day of Caring for June 8th - Tom said we would have jobs for them, materials and team leaders. Among the projects would be the souvenir stand, the press box, parking lot cleanup, the fence, the relocation of some of the supplies. Jen will notify the press of the event to see if we can get coverage.

Doug Ayotte said the team would start arriving this week. There will be a bowling tournament Wednesday at 5:30. Practices need to be scheduled and coordinated with Tommy. Housing is still the biggest concern. Booths will be set up at games for Host families. Season tickets are for all games. General Admission tickets will have a date stamp on them. There will be a special window for Seniors and those tickets will be marked. this will help as a check for ticket/types sold for each game. For 5:30 games the gates will open at 4:30 and at 4:45 Opening ceremonies will begin. For the Grand Opening the Governor, Doug and Jack Turcotte will make comments. It is too late for Doug to go for a special event permit to sell beer but the commission encouraged him to do so going forward.

Jen was going to check on our using the pump truck

The Commission will start meeting once a month until further notice. That meeting will be held at the Ballpark on the second Monday of the month. Jen will give a financial update at each monthly meeting

Jen will send and updated schedule out to Commissioners on Fridays.

Jen also requested suggestions from all on potential concert group/ideas.

Paul Crossman introduced Robin Dube as a potential alternate for the Commission.

Mark Gustin asked for a schedule for coverage of the games, clarification of duties. Also suggested future improvements of screening in front of dugouts and padding in back of home plate

CMP request for switch to be left on needs to be addressed as it leaves the lights on 24/7 in the restrooms
