For February 4, 2016 @ O.O.B.  
High School Library.

Meeting called to order @ 6:30PM  
by Chairperson "Jerry" Blante.  
Present were Victor Gould,  
Jerome Begert, Bruce Kier  
and on Internet - Robert Rings -  
(if signals are available).

Ballpark Benefits Concerts,  
so-called, were discussed by  
members and the consensus was  
that such would be pursued  
subject to "net proceeds" for the  
Ballpark's operation.

A new Ballpark sound system -  
weatherproof and aimed toward  
the fans - as opposed to the out-  
field and our neighbors, was accepted!

A positive "thumb sketch" was  
tendered, covering various matters, by  
our Operations Manager - Guy  
Fontaine, Concession (Tina Wilson)  
and Ballfield (James Foson) -
