- Hopefully the OOB 365 can get involved as well
- Megan will talk to USM to see if they will come to OOB, and to see what tables they will have at their Earth day celebration and maybe those people can come to OOB
- The Earth day celebration could be in Memorial park, with tents so it can be held rain or shine
- An idea is that people could be handed a garbage or recycle bag and people can pick up the trash/recycling for a free lunch
- By the next meeting the committee should have 2 people nominated to continue this discussion with the conservation commission and work out the details
