DEDICATION:
LUCIEN HUOT

The 2012 – 2013 Annual Report is dedicated to Lucien Huot for his exemplary contribution to the community of Old Orchard Beach. Born January 5, 1930, Lucien followed the example set by his father who served on the Town Council over a thirty-year period. He was taught early the value of service and it was evident that Lucien’s personal philosophy was: “service above self”

He served on the Centennial Committee in 1982; on the Board of Directors of the Chamber of Commerce during the 80’s; on the Planning Board’s Long Range Planning Committee; on the Ballpark Commission from 2010 to the present; as a Ballot Clerk from 2003 to 2012; and on the Board of Assessment Review from 2010 to 2012; as well as a host of other activities.

For those of us who constantly were inspired by his musical voice and the message of encouragement that it brought, we sensed an experience that made us feel completely alive; where every sense was heightened; every emotion magnified. Lucien had a heart that completely captured the respect and love of those who knew him well and those who caught a moment’s glimpse and recognized the “melody” of life that plays on our heartstrings.

The previous Council presented the Proclamation of Honor to Lucien on December 4, 2012 and Lucien passed away on January 1, 2013. During the presentation to Lucien, the Town Council Chamber was filled to capacity with loving members of his family and the host of friends who came to share in the Celebration of his life.

When we think of Lucien – it is true that: *“The song you sing is the legacy you leave for those who come behind you; the words you say have the power to stay; and words influence generations; the picture you paint can create an inheritance for those who are seeking eternity.”*

As the present Town Council Chair, I dedicate this year’s annual report to a man of enormous influence who encompassed love of life to the fullest.

Chair Shawn O’Neill

SHAWN O'NEILL
Chair – Town Council

It is my pleasure to serve as the Chair of the Town Council. I accept the responsibility of this office recognizing the trust that has been placed in me by the citizens who have elected me and the members of the Town Council who have chosen me as the Chair.

As the custodian of the governing body of the municipal government, it is the desire of the Town Council elected as a result of the recall and the following election last November, 2013, that we set the overall direction of the municipality by governing in a positive and a professional manner.

We desire to consider the welfare and interests of the municipality as a whole and develop policies and programs that will enhance the lives of our citizens. We will accomplish this in cooperation with the Town Manager and his staff as well as ongoing interaction with the residents we serve. We recognize that the Town Council will leave implementation of the policies up to the Town Manager and his staff.

Council members share the goal of maintaining a tax base which is affordable but also provides the ability to meet community needs. During these economic times the Town has been presented challenging needs among our citizens. The infrastructure needs of the community are increasing as are requests for services.

The Town Council is fully aware of the need for teamwork amongst us to assure citizens of success in our efforts. We have found that the ability to work as a group toward a common vision has been the means of productive output during the Town Council meetings. I am pleased to say that there is an individual commitment by each member of the Council which is evident and has kindly been acknowledged by many Town residents.

We will continue to work for the betterment of the community that we all love.

Old Orchard Beach Town Council
November 18, 2013 – Present

Left to Right:

Councilor Kenneth Blow; Councilor Jay Kelley; Councilor Malorie Pastor; Chair Shawn O'Neill; Vice-Chair Bob Quinn; Councilor Joseph Thornton; and Councilor Michel Tousignant.

**Old Orchard Beach Town Council
June 17, 2013 – November 18, 2013**

Left to Right:

Councilor Kenneth Blow; Councilor Jay Kelley; Councilor Malorie Pastor; Chair Shawn O'Neill; Vice-Chair Bob Quinn; Councilor Joseph Thornton; and Councilor Roxanne Frenette.

**Old Orchard Beach Town Council
November 2012 – June 2013**

Left to Right:

Councilor Michael Coleman; Councilor Bob Quinn; Councilor Linda Maihot; Chair Sharri MacDonald; Vice Chair Laura Bolduc; Councilor Dana Furtado; and Councilor Robin Dayton.

LARRY S. MEAD TOWN MANAGER

Having assumed the duties of Town Manager in mid-September of 2013 I welcome the opportunity to work with the Council, Town staff and committee and board members towards the betterment of Old Orchard Beach. I have already in this short time found so many people who deeply love this community and who give of their time and knowledge so generously. I am very grateful for their contributions.

My job as Town Manager is to administer the day to day activities of Town government. I will strive to make your government responsive and pro-active in addressing community needs. I promise you to work hard, to do my best, and to abide by the ethical standards I have committed myself to honor and uphold as a member of the managers' professional association. Old Orchard Beach deserves nothing less.

My wife Denise and I became residents and property owners in Town in June of 2012. As such we are committed to our community. We have a stake in Old Orchard Beach's future and we are proud to call it home.

I look forward to the opportunity to work with Town Council members, residents, property owners, visitors and Town staff in 2014.

ANNUAL REPORT - 2013

*V. Louise Reid
Assistant Town Manager*

I begin my eleventh year with the municipality and again I recognize the pride in the progress that the community has achieved and of which it continues to be supported.

It has been a very diverse year serving two Town Councils in a given year; welcoming an Interim Town Manager for a period of six months; and welcoming our present Town Manager for the remaining six months of the year. Through the changes the ability for the staff to continue in a positive way to bring forward the best service for the community should be acknowledged.

It has been said (Kezer) that "Continuity gives us roots; change gives us branches, letting us stretch and grow and reach new heights." I have great confidence in the present administration that the community will see progress not only in a business environment but in the day-to-day service provided to the citizens by a dedicated staff. For those who have lived here their whole lives and for those who have chosen Old Orchard Beach as their home - each day brings enormous opportunities to participate and serve. As the waves pound our seven miles of beautiful beach we are reminded: (Thoreau) "You must live in the present, launch yourself on every wave; find your eternity in every moment>"

The Widows Son - Maine Grand Chapter members presented a check for \$500 to Major Bryan Smith, Commanding Officer of the local Salvation Army, for the work they do within the community over the holiday season.

Left to Right:

Mike Delage; Lewis Gordon, Secretary, Kenneth Blow Founding Member and Old Orchard Beach Town Councilor; Major Bryan Smith, Chip Gavel, President; Mike Lytle, Treasurer; Phil Chapman, Vice President; and V. Louise Reid, Assistant Town Manager - Old Orchard Beach.

ROBERT A. PEABODY, JR. INTERIM TOWN MANAGER

Bob Peabody was appointed Interim Town Manager of the Town of Old Orchard Beach on March 27, 2013 and served in this position until September 2013.

In the six months that Bob served in this position he brought a sense of stability in key positions since there had been considerable turnover in both the Town Manager and the Finance Director positions. Bob was able to foster a positive relationship between the Town Council, the Manager and the Staff. He sought during a turmoil period to encourage mutual respect, cooperation and a sense of purpose, and his interaction with the staff was always respectful. He was able to maintain interaction during a recall election, always in a positive and constructive manner. In the short period of time that he was here he began the process of looking at foreclosures by tax liens of a substantial number of properties dating back to 1999; and began the updating of policies such as the Personnel Policy and the Purchasing Manual. He saw the need to focus attention on the need for updating the Capital Improvement Plan and set into process the establishment of financial policies such as guidelines for standardizing how things are accomplished. His goal was to achieve consistency, responsiveness and fairness within the ordinance requirements.

He spent a great deal of effort on Ballpark and Recreation issues recognizing the need for a study of Special Revenues in these areas. Land use violations were another area that was recognized as needing attention. The many complex issues requiring legal attention presented a cost factor that needed to be monitored closely. He also addressed the need for establishing a model that would not limit the availability of grant funds for Waste Water improvements. The staff and Town Councils appreciated Bob Peabody's efforts and wished him great success in his future endeavors.

Left to Right: Loren Harmon, Dan Blaney, Jim Fish, Tim Reynolds and Interim Town Manager, Bob Peabody. A ceremony took place when an emblem commemorating the Town's History was put back in its rightful place at Memorial Park. The monument was originally dedicated in 1971 by the Old Orchard Beach Historical Society and the Maine Aviation Historical Society. The circular brass emblem was stolen from the Monument's plaque and remained missing for decades. About two years ago a gentleman came forward and said he had found the bronze disk and returned it to the Society.

HUMAN RESOURCES 2012 Annual Report

Mission Statement

“The Human Resources Department will attract and retain qualified, productive, motivated and dedicated employees who will provide efficient and effective services to the citizens. The Town recognizes that the Town's employees are a considerable resource that requires investment to ensure that we have the talents and skills needed to meet the needs of the Town.”

Human Resource Department

This is a newly developed department beginning in early 2012. This department consists of a Human Resource Manager and a shared position with Finance for payroll duties. Tammy Lambert has been hired as our Human Resource Manager and brings 25 years of experience dealing with labor laws, compensation, benefits and unions.

Scope

The Town employs 85 full time employees and a varying number of part-time and seasonal employees, ranging from 50 to 300, across 12 departments. Each department has a unique mission and unique functions, processes, and legal and organizational requirements, but all share a unifying overall goal of quality service delivery to Old Orchard Beach citizens. Our employees represent a cross section of the greater community, and we believe that our employees are the Town's greatest asset.

Responsibilities

- **Employee Recruitment**
- **Employee Relations**
- **Development & Implementation of Personnel Policies**
- **Compensation**
- **Contract Negotiations**
- **Risk Management**
- **Training**
- **Terminations**
- **Retirements**
- **Employee Benefits**
- **Risk Management**
- **Internal Administration of Worker's Compensation**

The Town employees include a non-unionized workforce that make up our senior management staff, administrative personnel, and part-time/seasonal staff that is governed by our Personnel Policy. The balance of the full time workforce is unionized and is governed by their respective collective bargaining agreements.

Four Separate Bargaining Units Represent Union Employees	
Maine Association of Police	Police Command & Patrol Employees
International Association of Firefighters	Firefighters/EMTs/Paramedic Employees
American Federation of States, County, & Municipal Employees	Public Work's Employees
Wastewater Association	Treatment Plant Employees

FEDERAL AND STATE MANDATES

Many Federal and State laws affect the work of the Human Resources department, such as but not limited to, the Maine and Federal Family Medical Leave Acts, the Fair Labor Standards Act, the Americans with Disabilities Act, the State Workers Compensation laws, and multiple state laws covered in Title 26 of the Maine Revised Statutes. The Town is an Equal Opportunity Employer. Job opportunities are listed on the Town's website and Jobs N Maine.

To the Citizens of Old Orchard Beach

TOWN CLERK

I am truly honored to provide you with information about the activities of the Town Clerk's Office.

The Office of the Town Clerk is responsible for all the records of the town, including all birth, death and marriage records, issuance of marriage licenses, all meeting minutes from the Town Council, as well as all boards appointed by the Town Council. This Office is also responsible for Elections, hunting and fishing licenses, horse permits, as well as dog licenses, and parking permits.

The breakdown of licenses issued are as follows:

Dog Licenses	Parking Permits	Hunting/Fishing Licenses	Non-resident Hunting & Fishing Licenses
1,042	287	319	7

This year the Town Clerk's Office recorded 71 births, 81 deaths and 82 Marriages. It is with great sadness that the list of Old Orchard Beach residents that were lost this year is long, but they were definitely filled with accomplishments—We lost five Election Officials. Laura “Esther” Gilbert was a ballot clerk for many years until 2004 when she retired due to illness; Marian McMahon was a ballot clerk from 2006-2012 until she also had to retire due to illness; Joseph Wood, a ballot clerk for several years until 2004, was also appointed as Deputy Warden in 2002; Lucien Huot, the first person to sing the National Anthem at the Ballpark, was a ballot clerk starting in 2003, a member of the Centennial Committee in 1982, served on the Planning Board's Long Range Planning Committee, appointed as a member of the Board of Assessment Review in 2007, as well as a member of the Ballpark Commission starting in 2010; Urbain “Ben” Goulet has served the Town of Old Orchard Beach in many capacities over the years, including a School District Trustee from 1984-1989, a ballot clerk for many years until he was appointed as Deputy Election Warden in 2005; we also lost a beloved teacher—Barbara Frost. She taught at the Old Orchard Beach School System from 1957-1993. She was a wonderful teacher, having had first-hand experience; Cheryl Komola Rague, elected to the Town Council from 2004-2006, was also elected to the School Board from 1999-2002; she also was an educational technician at both the Jameson and Loranger Schools, serving the children of Old Orchard Beach for many years.

June 30	Lorraine L. Corbin	85	Biddeford
June 30	Howard G. Jensen	86	Old Orchard Beach

This year we had three elections. Because the RSU #23 Budget Validation Referendum failed by a majority vote of the three municipalities (Dayton, Old Orchard Beach and Saco) on June 12, 2012, we had a second RSU #23 Budget Validation Referendum on July 21st, 2012, with 238 voters participating. Although the Budget Validation Referendum passed in Old Orchard Beach, it failed once the votes were counted from Dayton and Saco, and the question was then posed to the voters for a third time on November 6th, 2012. At the Presidential Election, 5,223 voters participated. The RSU #23 Budget Validation passed this time. The Charter provision for a seven-member Town Council took affect at this time. On June 11, 2013, after the filing of Recall petitions, the Town held a Recall Election for all seven Town Councilors, in which 2,165 voters participated. Six of the seven Town Councilors was recalled, with Robert Quinn remaining. RSU #23 also held a Budget Validation Referendum for Fiscal Year 2014, which was passed by the three municipalities.

As with every Town Report, I want to thank Jeffrey Thompson Jr. for his service to the Town as Deputy Town Clerk. He has been here 13 years now.

If you would like to be on an e-mail distribution list for all Town Council agendas, please e-mail me at kmclaughlin@oobmaine.com and you will be added to the list, or please feel free to subscribe through the website at www.oobmaine.com.

In closing, I want to thank the citizens of Old Orchard Beach for electing me as Town Clerk, and I continue to work hard and remain a friendly and useful source of information.

Warmest Regards,

Kim M. McLaughlin, Town Clerk

**Voter Registration
Annual Report
2012-2013**

Dear Citizens of Old Orchard Beach:

This has been a very busy year with three elections being held; an RSU, Presidential, and a Recall Election. The last Recall Election was May 9, 1990. We had to certify over 5,600 signatures in ten days. This was done with the assistance of Kim McLaughlin, our Town Clerk, Jeff Thompson, and Gidgette Thompson, and Deputies within ten day limit. After the Recall Election we had a recount. Many thanks to all that were able to assist with the recount. Accolades to all my Deputies who work at the Elections. You are all so special.

To the citizens I once again thank you for your support and kind words. I am proud to serve you all.

Listed below are the statistics for the fiscal year July 1, 2012 to June 30, 2013.

New Registrations	333
Removals	420
Deceased	64
Change of Address, in town	75
Change of Name	19
Change of Enrollment	60
Petitions	76

Respectfully Submitted,

***Beth Gilman
Registrar of Voters***

Report of the Assessor for FY'13:

	<u>April 1, 2012</u>
Taxable Real Estate	\$ 1,456,952,300
Taxable Personal Property	24,638,400
Homestead Exemption	9,571,350
Tax Exempt Property	55,073,000
Total Commitment to Tax Collector	
	\$ 19,912,578.98
The Tax Rate for Fiscal Year 2013	.01344

The real estate market for Southern Maine properties, particularly for seacoast communities such as Old Orchard Beach, has continued to soften, yet the assessed values are well within the state standards when compared to the qualified sales. In FY '13, the assessing office reviewed hundreds of permits resulting in approximately \$14,191,900 of new growth, yet the Town's total valuation went down approximately \$6,698,070, due to some market adjustments. The mill rate increased by 4 cents to 13.44. It is interesting to note that 11% or 1.48 of the 13.44 mill rate is designated for operations of the wastewater department. In many cities and towns, this is a separate bill for homeowners who are connected to the town wastewater system. The median assessment ratio (assessment ratio = assessment divided by sales price) is approximately 101% which means properties are being assessed at about 101% of their fair market value. This increase of 2% from the FY'12 ratio indicates a continued slight softening in some areas of the local real estate market. The assessment ratio has moved slightly above the fair market value as of April 1, 2012. As the market improves, this ratio is expected to decline to below 100%.

The challenges for assessing in this challenging time have provided us opportunities to explore better ways for public understanding of the importance of the assessing office in maintaining a stable, fair, and equitable taxation base. Our focus has always been to provide the taxpayers/public with all the information necessary to make the best decisions on whatever situations are at hand. Transparency is the key.

Our goal will continue to be to provide an equitable and accountable real estate based assessment program that is fairly administered as outlined in the State Statutes governing property assessment. The assessment ratios will also continue to be in compliance with the standards for quality assessment as outlined by the International Association of Assessing Officers.

There are programs such as the Homestead Exemption and Veteran Exemption available to those residents who qualify to help alleviate some of the tax responsibility and are outlined on the Town's website and are also available in our office in the Town Hall. These forms are due in the Assessor's Office by April 1st in order to be applied to the next fiscal year.

**George Greene – Assessor, Bill DiDonato - Deputy Assessor
Kathy Fuente - Administrative Assistant**

**Respectfully submitted ,
George Greene, CMA
Old Orchard Beach Assessor**

Report of the Town Planner

Planning and Code Department

As your Town Planner, my primary responsibility is to coordinate growth and development in Old Orchard Beach through the administration of local, state, and federal laws, regulations, and ordinances. Some of my duties include responding to requests for assistance on land use development questions, reviewing development proposals and plans, production and implementation of the comprehensive plan, development and amendment of all local ordinances, economic development, oversight of code enforcement office activity, staff advisor for the Planning Board, Design Review Committee and Comprehensive Plan Committee.

Some highlights from July 2012 – 30 June 2013:

- Closing in on completion of the new comprehensive plan.
- Planning Board activity, especially residential subdivisions, continued to increase.
- Significant increase of new single-family home development.
- Re-organizing the planning and code office.
- Largest amount of Business Licenses issued since the town developed the Business Licensing program.
- Passing of Post- Construction Stormwater Ordinance.
- Participation with regional planning programs such as the Eastern Trail, New England Passenger Rail Association and the Sea Level Action Work Group.

The Planning and Codes Department is a key contact point for all development inquiries and economic development matters. The Department routinely answers citizen questions whether planning related or not. For planning, land development, ordinance development, comprehensive planning, economic development, and other town-related information please call 934-5714 ext. 1517, email me at jhinderliter@oobmaine.com or stop by my office at town hall.

Planning Board.

The Planning Board is a 5 regular and 2 alternate member volunteer board appointed by the Town Council (We have openings for 2 alternates- please contact if you have an interest). The Planning Board responsibilities include, but are not limited to the review of subdivisions under State Subdivision Law and Old Orchard Beach Subdivision Ordinance, Site Plan Review, Conditional Use applications, Shoreland Zoning permits, and consideration of zoning and ordinance changes. If you would like more information about the Planning Board, you may contact Jeffrey Hinderliter at (207) 934-5714 ext. 1517; email me at jhinderliter@oobmaine.com.

Below is a list of Site Plan Review, Subdivision, Conditional Use Applications, Zoning Amendments, and Design Review Certificates considered by the Planning Board from July 2012 – 30 June 2013:

- 44 single family residential lot cluster subdivision, Beachmont Land Development LLC, 200 Portland Ave, MBL: 103-1-30
- Edith Libby Memorial Library Addition/Parking Expansion/Site Work (all work associated with Bond Project), Town of Old Orchard Beach, 27 Staples St., MBL: 206-27-1
- Establish a preschool and child learning center within an existing commercial building, Winter Assisted Care LLC (Applicant: Candi and Richard Ireland), 1 Granny Smith Court (Suite 2), MBL: 107-3-1
- Appeals from restriction on non-conforming uses: Reopening of 12 seasonal cottages, GSB Corporation (Shai Property Management), 141 Saco Ave; MBL: 311-1-10
- Design Review Certificate: Paint and Re-Shingle Roof, Jeffrey Thompson, 26 Staples St., MBL: 206-31-15, DD1 Zone

- Amendments to Old Orchard Beach Code of Ordinances, Chapter 78 – Zoning, Article VI – Districts, Division 17 – Shoreland Zone, Sections 78-1185, 78-1203 (5), 78-1203 (8)
- Establish Home Occupation, John Glass, 1 Date St., MBL: 403-6-20
- Amendments to Chapter 78 – Zoning, Article VI – Districts, Division 14 – Planned Mixed Use Development, Section 78-1023 – Conditional Uses; Chapter 78 – Zoning, Article VII – Conditional Uses, Division 2 – Conditions, Section 78-1268 – Child Care Facilities
- Amendment to Chapter 78 – Zoning, Article VIII – Performance Standards, Division 5 – Signs, Section 78-1627 (4) – Temporary Signs
- Post Construction Stormwater Management Ordinance
- 4-lot residential subdivision, Dominator Golf, LLC Wild Dunes Way, (Adjacent to hole 13 in Dunegrass), Map 105A, Lot 200
- Conditional Use: 1.92 mile long 34.5 kV CMP transmission line rebuild, Central Maine Power Co., Existing CMP transmission line corridor from Vallee Lane substation to School Street Extension substation
- 2,053 sq. ft. building expansion, exterior renovation and site work to multi-use commercial building, Stillridge LLC8 Heath St., MBL: 206-27-13
- Remove 3 lodging buildings and replace with 1 lodging building and site work, Alouette Atlantic Resorts, 91 East Grand Ave, MBL: 303-1-11
- Phased development to replace single story residential structures with multi-unit residential structures, Pinewood Manor Inc., 10 Manor Street, MBL: 108-1-5
- Amend Sandy Hollow Subdivision Plan to create 2 residential lots, Terry and Jim Nagle, 90 Ross Rd., MBL: 105-4-12
- Amend property boundary line in Regis Acres Subdivision, Saco Bay General Contractors, LLC, 44 Ross Rd., MBL: 103-6-603&605
- Design Review Certificate consideration for exterior alterations to existing 3-story apartment building and 1-story cottage, Michael and Abraham Strum, 4-6 Brown St., MBL: 305-1-2
- Design Review Certificate consideration for exterior alterations and new construction to an existing commercial plaza, Stillridge LLC, 8 Heath St., MBL: 206-27-13
- Site Plan Review Amendment: Relocate driveway, Cascade Corp., 12 Foote St., MBL 205-19-11 (Seabreeze Motel)
- Planning Board workshop with town attorneys, Bernstein Shur, to discuss legal and various planning board related responsibilities, issues, etc.
- Re-establish 3rd dwelling unit within existing building, Robert Kirby, 90 Union Ave, MBL: 314-17-2
- 11-lot residential subdivision, Dominator Golf, LLC, Oakmont Dr. (Adjacent to hole 16 in Dunegrass), Map 105A, Lot 200
- Construct a Skateboard complex, Town of Old Orchard Beach, 14 E. Emerson Cummings Blvd (Ballpark); MBL: 207-3-6
- Home Occupation- Scooter Delivery, David J. DiLibero, 125 Saco Ave., MBL: 311-1-7
- Add 22 seasonal camp sites, Seacoast RV Resort, LLC, 1 Seacoast Lane, MBL: 102-3-5
- Adjust setbacks on approved subdivision plan, Dominator Golf, LLC, Wild Dunes Way (Adjacent to hole 13 in Dunegrass), Map 105A, Lot 200
- Development name change, KRE Properties, Inc., Ross Rd./New Colony Dr., MBL: 103-1-47
- Approved 40 unit condo project modified into a 22 unit single family house lot project, Sawgrass LLC, Wild Dunes Way (Dunegrass Sections J & L) Map 105A, Lot 1
- Design Review Certificate: Install, replace, construct railings, siding windows and office entrance roof, Robert Gurry (Beach Villa), 17 Imperial St., MBL 205-3-2, DD1 Zone
- Design Review Certificate: Replace existing windows, Town of Old Orchard Beach (Historic Society), 4 Portland Ave. MBL: 205-1-22, HO
- Design Review Certificate: Paint building façade, Judy Patterson (applicant), 41 Old Orchard St. MBL: 206-31-9, DD1

The Planning Board members are Chair Eber Weinstein, Vice Chair Carl D'Agostino, Mark Koenigs, David Darling, Win Winch, and Michael Fortunato. I feel very fortunate to have such a committed, hard-working group. Every month, the Planning Board holds a workshop on the first Thursday at 6:00 PM and a regular meeting on the second Thursday at 7:00 PM. Meetings are held at town hall in the Council Chambers.

Design Review Committee.

The Design Review Committee (DRC) is responsible for conserving the cultural architectural heritage of our town, providing technical design assistance to property owners, and promoting quality architectural design and historically sensitive building renovation as a means of sustaining economic vitality and stable property values. The DRC is responsible for reviewing and providing recommendations on exterior building/structure and property modifications, alterations, additions, new construction, and demolition within specific locations of town. The DRC offers a recommendation on the above-mentioned proposals which is then brought to the Planning Board for the final decision.

Design Review proposal numbers were similar to last year which showed a significant increase from previous years. Between July 2012 and June 30, 2013, the DRC considered the following proposals:

- Construct Handicap accessible ramp and new parking lot, Town of Old Orchard Beach (Historic Society), 4 Portland Ave. MBL: 205-1-22, HO Zone
- Enforcement/Violations: Discussion about Code Enforcement
- Discuss DRC related items such as the Design Review Ordinance; Application and Review Procedure; Design Review Districts; DRC Projects; Museum in the Streets
- Install Two Awnings at Subway, Thomas Hust, 15 Old Orchard St., MBL 206-32-1, DD1 Zone
- Install, replace, construct railings, siding windows and office entrance roof, Robert Gurry (Beach Villa), 17 Imperial St., MBL 205-3-2, DD1 Zone
- Replace existing windows, Town of Old Orchard Beach (Historic Society), 4 Portland Ave. MBL: 205-1-22, HO Zone
- Paint building façade, Judy Patterson, 41 Old Orchard St. MBL: 206-31-9, DD1 Zone
- Replace Roof Shingles and Painting, Jeffrey B. Thompson, 26 Staples St., MBL 206-31-15, DD1 Zone
- Library expansion, renovation and site work, Town of Old Orchard Beach (Applicant: Libby Memorial Library Trustees), 27 Staples St., MBL: 206-27-1, DD2 Zone
- Install framed in wooden door in entryway, William O'Donnell (applicant), 50 Old Orchard St., MBL: 205-3-4, DD1 Zone
- Exterior alterations to existing 3-story apartment building and 1-story cottage, AMA Brown Street Apartments, 4-6 Brown St., MBL 305-1-2: DD2 Zone
- Exterior alterations and new construction to an existing 1 story commercial plaza Stillridge LLC, 8 Heath St., MBL 206-27-13, DD2 Zone

Like the other boards and committee's I work with, the DRC works hard to improve the town and I'm very thankful to have such committed volunteers. The DRC members include Chair Don Comoletti, Kim Schwickrath, Ray Deleo, and Carl D'Agostino. The DRC meets on the First Monday of each month, 6:00 PM in the Council Chambers.

Comprehensive Plan Committee

A comprehensive plan is the adopted official binding document for future development and conservation. The plan sets forth goals; analyzes existing conditions and trends; describes and illustrates a vision for the physical, social and economic characteristics of Old Orchard Beach in the years ahead; and outlines policies and guidelines intended to implement that vision.

Comprehensive plans address a broad range of interrelated topics in a unified way. The planning process provides a chance to look broadly at programs including housing, economic development, public infrastructure and services, natural resources, demographics, local history, recreation, and land use and how they relate to each other. One of the most important functions of a comprehensive plan is to provide valuable guidance to those in the public and private sector as decisions are made affecting the future quality of life of current and future residents, business owners and visitors and the natural and built environment in which they live, work, shop, recreate, and enjoy.

A comprehensive plan serves as a guide for how a town will grow. The Old Orchard Beach Comprehensive Plan Committee looks forward to the future and thinks about what kind of growth is appropriate, where it should take place, what special assets need protection—in short, what kind of a town and way of life Old Orchard Beach citizens, businesses and visitors want for the years to come. A plan is essential if the town is to encourage growth in constructive ways.

The Comprehensive Plan Committee is a committed group of hard working residents and the progress we've made is due to their efforts. We expect the first draft of the comprehensive plan to be complete during the winter/spring of 2013. Committee members include Chair Lou Valentine, Win Winch, Trish Driscoll, Phil Denison, Jason Webber, Jean Leclerc, and Maria Pastulovic. The Committee calls meetings as needed and typically meets 1-2 times each month.

Code Enforcement

The primary responsibility of the Building Inspections and Code Administration Office is to protect the public health, safety, and general welfare of all of the Citizens and Visitors of the Town of Old Orchard Beach through the administration of various Local, State and Federal Laws and Ordinances. To help achieve that goal, the office reviews plans and issues general building permits, electrical permits, internal plumbing and septic system permits. The Staff also conducts progress inspections relative to each of those permits, as well as all Business License application sites for compliance with applicable provisions on the Housing, Plumbing, Electrical, Life Safety/ Fire Codes and the Town's Zoning Regulation. This is limited to new licenses, changes in ownership or licensed properties that have delayed their renewal or that complaints have been filed against. Our staff responds to hundreds of complaints annually about violations of the Town's various Ordinances. Our Department works very closely with the all of the Town's Departments and State Agencies to maximize service to our broad range of clients.

Our personnel continue to improve their code knowledge by attending continuing education classes and seminars sponsored by various governmental agencies. Staff members also maintain memberships in the Maine Building Officials & Inspectors Association, the National Fire Protection Association, and the International Code Council.

Our Trained and Certified Staff assists residents in determining flood zones, base flood elevations, and requirements relative to Federal Emergency Management Agency (FEMA) Floodplain Management Standards. We also assist in identification of location, setbacks, activities, and permits required in area regulated by the State Department of Environmental Protection (DEP) pursuant to the Natural Resources Protection Act (NRPA) The areas include: Coastal and Inland Wetlands; Rivers, Streams, and Brooks; Significant Wildlife Habitat; Resources of Special Significance; and Coastal Sand Dune Systems. The Code Enforcement Officer and Administrative Staff are the staff support to the Zoning Board of Appeals which meets monthly as needed to consider a variety of Zoning Appeals.

July 2012 - June 2013 Code Enforcement Office staff consisted of the following:

Jim Butler - Code Enforcement Officer

Alan Borg - Assistant--CEO & Plan Review (part-time)

William DiDonato – Assistant CEO

Valdine Camire – Administrative Assistant to the Code Enforcement Office

Kathy Smith – Administrative Assistant to Code Enforcement Office and Business License Clerk

Building Related Permit Activity Report

- Total Building Permits: 337
- New Single Family Homes: 42
- Internal Plumbing Permits: 108
- Septic System Permits: 6
- Electrical Permits: 208
- Public Sewer Connections: 48

Fee Related Revenues

- Building Permits: \$103,499.85
 - Plumbing Permits: \$11,060
 - Public Sewer Connections: \$141,350
 - Electrical Permits: \$14,269.24
- Total: \$270,179.09

Business and Liquor Licenses.

In order to operate a business in Old Orchard Beach, a business license from the Town is required. Fee for the business license application is \$75.00 plus the fee for the type of business being applied for. Business licenses are divided into two groups according to their Map Block Lot number. Each group is in an alternating 2 year licensing cycle. The business license clerk provides assistance in the issuance of new business licenses as well as in the renewals of existing ones.

The Business Licensing Clerk is responsible for assisting in the operation of the Planning, Code, Licensing, and Passport Office. The position is responsible for duties delegated by the Licensing Administrator, Town Planner and Code Enforcement Officer regarding the issuance of various state and municipal business licenses, liquor licenses, processing passport applications, and other Planning/Code Enforcement related tasks.

July 2012 – June 2013 Business License Revenue: \$145,809.16

Applications for business licenses are available in the Department, or can be e-mailed or faxed. They are also available on our website at www.oobmaine.com. If you have any questions please contact Kathy Smith in the Department. She can be contacted at 934-5714 ext. 1533 or through e-mail at ksmith@oobmaine.com.

Passports.

Before planning an international trip, Maine residents must secure a passport. The process of obtaining a passport is regulated by the U.S. Department of State, making it the same throughout the country. U.S. Passports are processed by the Business Licensing Clerk and the Code/Planning Administrative Assistant.

Passport Hours: Monday – Friday: 8:00 a.m. – 12:00 p.m., 1:30 p.m. – 3:00 p.m.
Tuesdays – 8:00 a.m. – 12:00 p.m.,
4:00 p.m. – 5:30 p.m. BY APPOINTMENT ONLY

To make the process as quick and easy as possible, here a few pointers:

- You will need to bring your Birth Certificate, with an embossed Town Seal.
- You will need one other form of ID, such as a driver's license.
- Please bring two checks.
- Plan for at least 4 - 6 weeks to receive the passport. Faster service is available for an additional cost.

- For those under 16, both parents must be present. Call ahead if this is not possible.
- In addition, you will need to bring two official passport photos.

For more information, contact Kathy Smith at (207) 934-5714 ext. 1533, ksmith@oobmaine.com or Valdine Helstrom at (207) 934-5714 ext. 1545, vhelstrom@oobmaine.com.

There is much exciting work the Planning and Codes Department will engage in during the next fiscal year. Creation and implementation of a new comprehensive plan, continued work to improve the code and planning functions and the establishment of an economic development office will certainly open our town up to new opportunities and improve the assets we have. I appreciate the incredible amount of time and effort from all Board and Committee members, the Council's support, the help and kindness from town staff, and the positive encouragement from the town's people.

Zoning Board of Appeals

The Zoning Board of Appeals is composed of five members and two associates who are appointed by the Town Council. Currently the Board has a vacancy for one regular member. The powers and duties of the Zoning Board of Appeals are governed by the provisions of State Statutes, the Old Orchard Beach Code of Ordinances and Charter. Each member of the Zoning Board of Appeals and the associates are appointed for a term of two years.

Board Members (FY 2013)

Ray Deleo, Chair
Tianna Higgins
Paul Weinstein
Owen Stoddard
Ron Regis
Mark Lindquist
David Boudreau

The Zoning Board of Appeals meets the last Monday of each month throughout the year. Under Title 30-A.4353, the Board of Appeals is authorized to hear and decide Administrative appeals, interpretation appeals, and requests for variances filed in connection with decisions made under a zoning or Shoreland zoning ordinance.

By Ordinance, the Code Enforcement Officer (currently Dan Feeney) is Staff liaison to the Zoning Board of Appeals. Respectfully submitted,

Dan Feeney, Code Enforcement Officer
Valdine Camire, Zoning Board of Appeals Clerk

REPORT OF THE HEALTH OFFICER ANITA ANDERSON

The most complaints this year have been problems regarding mold and bedbugs. Both are considered a nuisance and aesthetically unappealing. The commonality regarding both is they need immediate attention and resolution. The best resolution for mold is to find the reason (leaky roof, leaky pipe, etc.), and to fix the problem immediately, with a follow-up with thoroughly washing the affected area with hot water and a good detergent. Regarding bedbugs, intense heat is one way to rid a residence of the problem. It is advisable to contact a licensed exterminator to ensure proper remediation. Private homeowners can use certain pesticides, with appropriate gear, but any commercial entity, such as a landlord cannot employ pesticides, insecticides, or chemicals of any kind in or around a rental unit. Good housekeeping is always key to maintaining a problem-free environment.

Annual Report 2012-2013

Fire/Rescue Department

The men and women of the department continue to dedicate themselves to providing the best possible fire prevention, fire suppression and emergency medical treatment to our residents and visitors. The members worked together during this year to face the many challenges our profession presents with professionalism and honor.

Our staff which includes career, call force, per-diem EMS and support personnel participated in department trainings to recertify and enhance their capabilities. Community events continue to be another outlet for our members to make contact in the Town and “pay forward” services such as health education and awareness. In the near future we plan to update equipment such as cardiac monitors, ambulances and support vehicles to stay in step with the needs of our residents. Our current staff is listed in order to recognize their efforts.

OLD ORCHARD BEACH SURF RESCUE

The 2012 summer season was a very hot and busy season for the Old Orchard Beach Lifeguards. Thousands visited the beach daily as lifeguards responded to 49 emergency calls up and down the beach. There were 11 swimmers rescued from the surf by lifeguards, many of which were transported to the hospital via ambulance. Guard's responded mutual aid to the City of Saco as well, they assisted with rescuing a swimmer in distress off Kinney Shores. Old Orchard Beach lifeguards also played a vital role in rescuing a 7 year old boy from a pool at a nearby campground. When the fire department and guards arrived on scene the child was unconscious and not breathing, however due to the diligent work of paramedics and guards the boy was revived and transported to a local hospital. On top of rescuing multiple swimmers from the surf, guards also responded to 24 medical emergencies, removed 2 sexual predators from the beach, assisted the police 7 times with unruly subjects on the beach, and reunited 104 lost children with their parents or guardians.

In August Old Orchard Beach guards traveled to Ogunquit to have some fun in the annual Northern New England Lifesaving Championships. The team of guards, made up of a great group of veterans and outstanding rookies competed against 13 other beaches from Northern New England. The competition gave the guards a day to relax and have some fun, while still using their lifesaving skills. They went head to head with area guards in events like surf rescue, 2 mile run, rescue reel, paddleboard and the iron guard. Unfortunately the Old Orchard Beach team was not able to come out with a 1st place finish, but was not far behind, many of the team members took home individual metals in the different events.

As we approach the winter season there is still much work to be done in order to be prepared for the 2013 season. Staffing needs to be brought back up to the appropriate level, as we ran short over the 2012 summer, making it that much harder to guard certain areas of the beach. New lifeguard towers need to be built and painted this off season. On top of that, equipment and supplies must be ordered so that we are ready for the start of the 2013 summer. There are also a lot of repairs to be made to lifeguard towers, radios, and rescue torpedoes as they were subjected to a lot of wear and tear this past summer.

The 2012 summer season has unfortunately come to an end and with many things in the works for the 2013 season the lifeguard staff is looking forward to working with town officials throughout the winter to make the beach a safer and even more enjoyable experience.

Respectfully submitted,

Keith Willett
Lifeguard Captain

POLICE DEPARTMENT ANNUAL REPORT 2012-2013

Once again, I am honored to present to you the Old Orchard Beach Police Departments 2012-2013 Annual Report.

The fiscal year, 2012-2013 was a very productive and successful year for the department. The statistical information included in this report points to the fact that our community continues to remain safe for our residents, businesses and visitors.

Along with a 17% reduction in the number of calls for service, crime in Old Orchard Beach was also reduced by 7%. This is a clear indication of the positive impact that the Old Orchard Beach Police Department has on the community. Protecting the lives and property of our residents is our number one priority. Our proactive enforcement programs and the continued support we receive from our citizens, Volunteers in Police Services, Fire/Police personnel and Community Watch partners, all contribute towards keeping our community safe and maintaining the high quality of life that our residents expect and deserve. Without this support, we cannot be successful. I would like to thank all of our officers and partners for their efforts over this past year.

In response to the tragedy in Newtown Connecticut, the department, along with school officials, conducted a review of our policies and procedures as they relate to responding to an incident at any one of our three school campuses. How our officers receive notification of an incident at the school and how to speed up our response time was discussed at length. A suggestion was made that we could drastically improve notification and response time by installing a device in all three schools called a "Vardar Alarm". The alarm is a device that enables school personnel to activate a button similar to a "Lifeline" device that sends a signal directly to our cruisers, alerting patrol officers that there is an issue at a particular school campus. Officers will still receive pertinent information through our dispatch, but because the initial call for help goes directly to our patrol vehicles first, rather than dispatch, our response time to an incident will be significantly reduced.

The Vardar Alarm system costs \$2000 each. We needed three for a total cost of \$6000 dollars. Because funding was not readily available, we decided to solicit donations for the purchase of the alarms. The first group we approached was the C. Fayette Staples American Legion Post in Old Orchard Beach. After listening to our explanation of what the alarm, system was and why we wanted it, they graciously offered to fund the entire project. I was stunned and pleased with their most generous offer, but not surprised. It is only the latest in a long list of donations that this organization has made to public safety. Though it hardly seems enough, I know that I speak for everyone when I say, thank you.

The Old Orchard Beach Police Department is built on loyalty, integrity and dedication. The men and women of this department have accepted the challenge of community service and have taken it upon themselves to protect the life and property of our residents. I see it every day in the professional manner in which they conduct themselves and the maximum effort they give towards the overall objectives of the department. For that, I am grateful, and thank them all.

As always, I am available to address any questions or concerns you may have and can be reached at 207-937-5801 or e-mail at, dkelley@oobmaine.com.

Respectfully submitted,
Chief Dana Kelley

Animal Control Officer – Annual report 2012-2013

Old Orchard Beach Animal Control is continuing its mission to ensure the health and welfare of all animals within the town. This year the ACO and the Police Department answered over 1000 calls relating to animal welfare, most involved domestic animals, but several complaints were related to wild animals.

The ACO in cooperation with the Old Orchard Beach Community Animal Watch (CAW), has helped to maintain and supply a pet food pantry. The pet food pantry is located in Salvation Army's food bank, and helps to distribute donated food to the owners of needy pets, in an effort to help keep them out of animal shelters. Much of the food has been donated by Hannaford's and private donors in Old Orchard Beach.

Through the assistance of a training grant, the ACO has attended a training hosted at the Maine State Society For The Protection Animals. The class taught specialized techniques for rescuing animals trapped or injured from confined spaces, vehicle accidents, mud pits etc.

Throughout the year, the ACO responded to several complaints of seals on the beach. We would just like to remind everyone that they should leave any stranded or beached marine mammals alone and immediately contact that Old Orchard Beach Police Department or the Maine Marine Patrol.

Dog owners are reminded that while there is no specific leash law in Old Orchard Beach, that they are responsible for their dog's actions. This was graphically illustrated this summer when a dog in Scarborough ate a Piping Plover on the beach. These birds are federally protected and frequently nest along the beach in Old Orchard. The owner of a dog that injures or kills a Piping Plover is subject to stiff fines and receiving a summons to federal court.

We would also like to remind dog owners that all dog licenses expire on January 1 of each year, so please remember to license your dog. Dog licensing helps to support Maine's animal welfare programs including the "Fix ME" lost cost spay and neuter program. Plus licensed dogs are much more likely to be returned to their owners if they get loose. So please remember to place your dog's license on their collar, so that they can "Jingle all the way Home".

Sincerely,
William A. Watson

Community Policing and Neighborhood Watch Programs
The Community Watch Council CWC

CWC END OF THE YEAR REPORT 2012-13

Our mission is to improve the quality of our neighborhoods through positive interaction, community encouragement and increased public awareness between law enforcement and the citizens of Old Orchard Beach & Ocean Park. We continue to be a work in progress, evolving to meet the needs of our residents. We can see our efforts working, from the responses and witnessing the interaction in our town. Our accomplishments are many and our goals are to sustain the programs we have launched.

Board Members are:

LAW ENFORCEMENT CHAIR: Lt. Timothy DeLuca

PRESIDENT: Helene Whittaker

VICE PRESIDENT: Pat Brown

SECRETARY: Suzanne Makoge

TREASURER: Barbara Ultsch

COMMUNITY RESOURCE OFFICER: Officer Peter Guay

SENIOR ADVOCATE: Nancy Roderick

BUSINESS LIAISON: Pat Brown

MEMBERS AT LARGE:

Gail Domin, Kim Eastman, Pastor Mike Gray, Cheryl Pouloupoulos, Judith Hurst

DISTRICT CHAIRS:

South: Co-chairs Helene and Barbara

Central: Mike Gray

Northern: Suzanne Makoge

After 3 years of doing research, interviews, meetings, and going to Augusta we are happy to say “The Bully project” has now proceeded with the purchases of “The Bully Documentary Packages.” Thanks to the donation from the Caleb Foundation, CWC was able to donate the packages to the RSU23 district. It will be used throughout the community and in our schools when needed. We are excited because it will help and show the “why” we all need to be on top of this issue. Bullying hurts and we must end it.

Restorative Practices has come full circle. OOB is the first to use the facilitator practice circle. We have had our first JCRB case in January of 2013. We are excited about this project as it helps teenagers see the light at the end of the tunnel and captures them in the beginning stages of doing wrong and preventing them from continuing “behaving badly.”

Our Business Watch launch last spring proved to be a success. The businesses in OOB are pleased with the Business Watch alert system as it has been a proven tool this past summer. It helps decrease crime in the business district during the summer months.

Bike Friendly OOB is continuing, our brochures are available at the OOBPD.

Our Drug Take Back program has been extremely successful eliminating a lot of drugs off the streets. The OOBPD has a drug disposal box in the lobby, which is reportedly used quite a bit. Our next drug disposal day is scheduled for October 26 of 2013.

VIPS: Volunteers in Police Service continues keeping our trained volunteers busy. Public Safety is a priority and they have volunteered for many functions; texting while driving at the HS, property checks, directing traffic etc. None of this would be successful without the volunteers we have who display professionalism and a willingness to serve their community and we are grateful. Whenever help is needed, VIPS volunteers are asked to participate. If interested please contact Lt. Tim DeLuca.

We produced over 2000 Vials of Life in the past 2 years and just recently 700 more were packaged. Our philosophy is; if we can save one life, we have done our job. If you are in need of a packet, please visit our Police Station.

Neighborhood Watch groups (12 of them) are the eyes and ears of the Police Department and they have indeed reported many suspicious activities to the PD leading to arrests. Chief Kelley has been keeping the task force busy cleaning up our crime areas. This has been a shining light for the neighborhoods affected by crime. It has recently been reported they are seeing the difference.

Our Senior Advocate works tirelessly with the General Assistance Office at Town Hall and also with the PD. She has been a blessing in disguise, helping the needy and elderly receive the help in our community.

Volunteers perform all of these tasks.... not a paid person. A Volunteer is a unique individual who gives of oneself unselfishly, does not ask for accolades, and is pleased to serve the community they live in. With the sincerest smile, the firmest handshake and the most genuine feeling we can muster, we salute you and we thank you. "We're all in this together."

Helene Whittaker
CWC President

If you wish to contact any member, please call Lt. Timothy B. DeLuca at 937-5803 or e-mail tdeluca@oobmaine.com

COMMUNITY ANIMAL WATCH

The Old Orchard Beach Community Animal Watch (CAW) Mission Statement says it all:

“The mission for the Old Orchard Beach Community Animal Watch Committee is to create an environment in Old Orchard Beach that will establish humane practices for protecting the health and welfare of abandoned, homeless, and domesticated animals within the Town.”

Many telephone calls are received asking the Community Animal Watch for assistance. The Committee deserves a great deal of credit for the collection of donations to be used in the care animals. The Committee works with shelters or rescue groups but their main goal is to keep an owner with their animal and not have to place it. We receive many calls asking us to locate lost animals and our rate of finding them has been impressive. It is always heartwarming to see an owner and their family member reunited. We help many elderly who have a difficulty in these economic times to be able to feed their pet and maintain vet visit. What is often forgotten by many is that that pet could be the only family member the elderly person has. We had an elderly gentleman this year that, each time we would bring him food and dog treats, he would cry. Here is a man living on \$400 a month and trying to survive and holding on to his one true friend. We helped a family where a serious illness had occurred and they struggled to keep their animal for their two small sons. We helped a woman who took in unwanted cats, barely trying to get by financially and eating less herself so she could feed the cats. These are people that need our help.

So many have been gracious and kind in donating to the work we do. Amato's let us sell their certificate books for \$10 and keep \$5 for the work with animal. So many business owners have been gracious in having fund raisers for us. The Committee has spent hours of personal time tending to the needs of owners and their animals. Another generous donor has helped us with transportation.

For further information or to donate – please call 934-1677. Please feel free to drop off cat and dog food at the Town Hall. Arlene Dolgan is in charge of that – 934-6128.

“An animal's eyes have the power to speak a great language. Until one has loved an animal, a part of one's soul remains unawakened.”

Beverly Russell, Chair

**Public Works Department
Annual Report July 1, 2012 – Jun 30, 2013**

The Public Works Department is responsible for protecting the public's investment in the infrastructure that is necessary to support the operations of the Town. Our staff is responsible for streets, sidewalks, parking lots, sewer and storm drain lines (including catch basins & manholes), culverts, the beach, parks/green space, transfer station (leaves and brush only), solid waste, recycling with respect to the Silver Bullets at DPW and the Cardboard container at DPW, fleet and facility management, and outfalls.

The following lists are projects & work completed by DPW:

PAVING:

- **Ross Road Phase II: Whispering Pines Drive to Cascade Road - drainage infrastructure; catch basins & piping, finished paving course.**
- **Smithwheel Road, EE Cummings Blvd – final finished course paving.**
- **Randall Ave from Royal Ave to W. Grand Ave – reclaim, binder, finished course.**
- **Milliken Mills Rd, Portland Ave to Saco Town Line – reclaim & binder course.**
- **Washington Ave from Saco Ave to Atlantic Ave – milling the pavement and top course.**
- **Central Park Ave from Washington Ave to Save Ave – milling the pavement & top course.**
- **Saco Ave from Old Orchard Street to Pine Ave – milling the pavement & top course.**
- **School Street from Saco Ave to Fayette – top course.**

SEWER:

- **Phase II and III Saco Ave from Old Post Office to Pine Ave.**
- **Washington Ave from Saco Ave to Central Park Ave.**
- **Central Park Ave from Washington Ave to Saco Ave.**
- **Myrtle Ave from Washington Ave to Saco Ave.**
- **10th Street from Saco Ave to Evergreen Ave.**
- **Wildwood Ave, Saco Ave to Fern Park Ave.**

DRAINAGE:

Saco Ave Phase II & III from Old Post Office to Pine Ave.

- **Washington Ave from Saco Ave to Atlantic Ave.**
- **Culvert cleaning, piping various areas.**
 - **Saco Ave – Middle School to Bus Stop**
 - **Porter, Date Gardiner, various locations**
 - **Cascade Road at Willow, Popular, Date, etc...**
 - **Fernald - leaching catch basin**
 - **Central Ave, Seaview Ave to Lake Ave.**

BEACHES:

- **Ongoing sand replenishment and Dunegrass plants on dunes from Aldine Terrace to the Scarborough town line.**
- **Beach Cleaning – Rake and loader Monday – Friday, two weeks prior to Memorial Day to two weeks after Labor Day; and Monday & Friday until Oct 31.**
- **Installed 6 new beach benches, installed approximately 150 new cedar posts with decorative rope at beach dunes.**

MEMORIAL PARK:

Ongoing maintenance, granite markers at memorial tree locations, rehabbed trim boards on gazebo roof, rebuilt copulas on gazebo & comfort station. Rebuilt the surface in the dog park, patched areas of the tennis courts, and brought electricity to the basketball courts for a score board for the Rec Dept. activities.

FACILITIES:

- **Transfer Station:**
 - **Leaves and brush only on Wednesday and Saturday, 8:00 am to noon, until November 30, 2013.**
 - **Will open for Christmas trees on Wednesday & Saturdays, 8:00am to noon during the Christmas and New Year holidays.**
- **Salt & Sand Facility:**
 - **Replaced stair case to the upper floor.**
 - **Used upper floor for Sign Shop/Reconstruction - framing, windows, insulation, etc...**
 - **Rebuilt Brine Facility inside on ground floor, Capacity available at any time of 3, 500 gallons.**

OTHER PROJECTS:

- **Winter Storms: 14 @ approximately 100” snow. Used 650 tons of salt, 4000 gallons of pre-storm brine.**

- Signs installed, replaces – approximately 200 with 100 additional posts.
- Internal Stripping; parking stalls, crosswalks, curbing, arrows & Handicapped spaces.
- Sewer calls – 49
- Catch Basin cleanings – 300
- Seaweed Removal – 134 cubic yards
- Beach Debris – 51 cubic yards
- Brush Cutting – 210 cubic yards
- Street Sweeping – 215 cubic yards
- Pot Hole Patching – 22 tons
- Reclaim Asphalt; made 2900 cubic yards
- Millings Received – 1100 cubic yards
- Loam: Used 130 cubic yards
- Rip Rap: Used 290 cubic yards
- In all DPW Projects; (Drainage & Sewer) Used; 3600 LF Pipe, 540 LF Culvert Replacement, 61 Structures, 141 House Services.

EQUIPMENT:

In the past 4-years the council has allowed the Department to purchase the following equipment & vehicles:

Loader, Excavator, Two (2) Dump Trucks with front & wing plows and sanders. A forklift for the DPW facility, a new hot box reclaimer recycler for hot patching of pot holes and 72,000 lbs. mobile lift to work on larger equipment.

The Town of Old Orchard Beach should be proud of the staff at DPW for the work accomplished, the saving to the taxpayers, and the dedication that the staff has to The Town of Old Orchard Beach.

Respectfully Submitted – Bill Robertson – Director DPW

**Old Orchard Beach Conservation Commission
2012 - 2013 Report
July 1, 2012 - June 30, 2013**

The Conservation Commission consists of five regular and two alternate members, and generally meets on the second Monday of every month.

The Commission continued to fix-up the town-owned "Blueberry Plains" area that was previously restored by a previous Conservation Commission in the mid 1990's. Material for a "Kiosk" or sign was obtained and construction started. This will prove to be an excellent open space and recreational area for the Town.

The Commission's Trails Subcommittee continues to look at possible recreational trails for Old Orchard Beach. in particular, the "OOB-ET Connector Trail". This is a plan for a 2.9 mile combination off- and along-road bike and pedestrian trail that will connect Memorial Park to the Eastern Trail via School Street extension. The subcommittee sponsored a clean-up along this route and issued a request for proposals for preparatory engineering work on it. After that is done, we hope to get the remainder of the work done by working with the Department of Public Works to bring this to fruition using volunteers.

The Commission also researched various town-owned properties and did a site walk of a 51 acre parcel owned by the Town on Portland Avenue at the intersection of Milliken Mills Road. We applied for and received Wildlife Habitat Certification for three of the town's properties from the National Wildlife Federation.

Another focus of the Conservation Commission has been to take inventory of the town's unique natural areas as required under state statute. Old Orchard Beach is very fortunate to have many significant natural resources such as the state's largest sand beach, nesting habitat for endangered species, and a portion of the Rachel Carson National Wildlife Refuge, among others. The Conservation Commission continues to catalog and seek input on the town's significant green spaces and resources from townspeople and other sources, such as maps of water and wetland resources and essential, significant or rare plant and animal habitats.

An updated inventory of the Town's wetland resources was started and is being developed for inclusion in the Town's new Comprehensive Plan as was the old one. The inventory will provide us with good locations on these areas, as well as give us good data on their status, including vegetation and the ecological functions that each area provides. We continued to provide input to the preparation of the Town's Comprehensive Plan in planning for the future and safeguarding the Town's overall environment. Evidence of pollution in the Goosefare Brook became an issue and remained so throughout the year. We worked with Maine Health Beaches and the Ocean Park Conservation Society to try to define the problem and work towards solving it. Committee members participated in the Maine Beaches and Maine Land Conservation

conferences and are applying this information towards learning more about water quality issues in Goosefare Brook. FEMA started to issue new flood insurance maps and we attended several meetings about them.

Over the past year, the Conservation Commission has continued to support Veterans' Memorial Park through its Memorial Park Subcommittee. The Memorial Park Subcommittee does great work in planning and maintaining the Park on First Street. It remains very active, and instrumental in the flag raising ceremonies that take place nightly at the Park during the summer season. This dedicated group of volunteers advocates for the care of the Park and its distinctive plantings as well as serving the veterans that it honors. As always, the Conservation Commission welcomes new members and volunteers for its Trail and Memorial Park Subcommittees.

Old Orchard Beach Veterans Memorial Park

First, the committee would like to report how very proud we are that the usage of the park has become as much of an important part of living in or visiting Old Orchard Beach as the beach itself. Once again there were concerts held which drew great crowds, weddings, Pentanque activities each week, our illumination night, basketball tournaments, and the car show just to mention some of the activities taking place.

This year the illumination night was changed to Monday due to poor weather but drew more local community members which was very exciting to see. It turned out to be a very beautiful evening with the bagpiper playing and people reflecting.

Our flag raising ceremonies once again took place starting from Memorial Day through Labor Day as well as 911, Veterans Day and Pearl Harbor Day. Each evening the ceremony takes place at 6:00 pm to honor a veteran. The only requirement is that the veteran is deceased. They can be from any part of the country as there are no residency requirements. For further information please contact Dennis Robillard at 468-0443 to schedule a day.

Some of the repairs which took place this year with the help of our Public Works Department included the tennis courts with filling of some holes and cracks and plans for future resurfacing as well as the dog park which was closed from April to June as the park was reseeded. The gazebo has been painted and a long missing plaque was returned to the "Runway to Glory" monument by the gazebo recognizing the early transatlantic flights from Old Orchard Beach with a ceremony by Dan Blaney, our town historian. With our new neighbors, the Family Dollar Tree, we have new trees with new drainage and redesigned entrance from that side.

We have a new name for the dog park which we will have a dedication for which is K9 Old Orchard Beach Veterans Memorial Dog Park. Our new signs are being printed and will be up soon. We are also working on signs for the entrances to our park which will welcome visitors to our park.

Town of Old Orchard Beach Recreation

Contact Info – Jason Webber, Recreation Director

E-mail: jwebber@oobmaine.com

Phone: (207) 934-0860

Fax: (207) 934 - 5260

Website: OOBRec.com

Mission Statement: The Old Orchard Beach Recreation Department is committed to developing and maintaining programs that emphasize safe and healthy environments for all participants. We value good sportsmanship, respect, responsibility and team-work and strive to foster opportunities to increase self-esteem in our community's young people.

We strive to provide quality programs at affordable prices for all community members. With the collaborating effort of the Recreation Department and the Public Works Department we strive to provide safe, and quality facilities for every citizen of Old Orchard Beach.

The Recreation Department Major Divisions

Recreation Division: We strive to provide leisure and enrichment activities that will meet or exceed the needs of the citizens of Old Orchard Beach. The Department focuses on offering a variety of programs to serve various populations from youth to adults within the community. We strive to provide all programs in a financially responsible manner. The Recreation Department will continue to be guided by a cost-of-service principle with regard to our rates and fees. We are committed to continuously improving all programs, while helping to add value and improve quality of life to our participants. Through collaborating efforts with area communities, our youth are able to compete in various sports programs such as Football, Soccer, Cheering, and Basketball. In addition, we offer youth and adult enrichment programs, trips, and classes throughout the year. Our department is always looking to further expand our services with new sports programs for teens and adults, summer youth sports camps, teen trips and programs, and after-school enrichment classes.

Senior Division: Our 50 +/- Club continues to grow and to gain support from locals who are able to choose from multiple programs on a weekly basis. The addition of a 14-passenger mini-bus in 2008 has afforded us the opportunity and flexibility to improve our programming options and the ability to cater our activities to the needs and desires of each individual group. Along with nearly 100 annual program options, members of the 50 +/- group benefit from quarterly newsletters, meetings to share program ideas, and also from the use of the Recreation Department's fitness equipment. This year was spent building a strong foundation of dedicated followers, and the coming year will bring the expansion of overnight and extended travel options to this aging and active population.

Community Events Division: Our department coordinates and/or assists in several special events throughout the year. Some of the major community events include: Summer Concerts in the Park, Egg-stravaganza, Celebration by the Sea, Christopher Cash Memorial Race, and Jimmy the Greek's "Frozen 4 Miler". In addition, our department has been instrumental in planning events with OOB365. We look forward to continuing these efforts and building on this success in the coming year.

Child Care Division: We are proud of the growth and quality of our Gull Care After-School Program. We strive to provide a program that meets and/or exceeds the State of Maine Day Care Regulations. As a Recreation Department, we are not obligated to meet such high regulations; however, we do so in order to provide quality care for our students and families. Other child care opportunities include: School Vacation Camps, Teacher Workshop Days, Early Release Days, Summer Day Camps, Gull Challenge, and Before-School Care. With many new and exciting activities for the student of our community, we feel we can really take the burden off families to find safe and entertaining programs during hours when parents need care.

Adult and Family Programming: For the past 3 years the Recreation Department successfully organized a Co-ed adult Dodgeball league with six different teams participating. Because of the success of these programs, we are excited to expand our adult recreation offerings next year. In addition to the Adult Karate and Boxing Programs, currently we are looking forward to other league offerings such as wiffleball and kickball. Adult fitness classes are another area we hope to expand in the future. We offered many new family programs this year like Family Day at The Maine Red Claws, Maine Children's Theater- "Seussified Christmas Carol", & Mother/Daughter Tea Party. We will continue to work on improving this area next year with a Family Valentine Dance, more family field trips, and craft programs for all ages.

OLD ORCHARD BEACH WASTE WATER DEPARTMENT

ANNUAL REPORT

The Town of Old Orchard Beach owns and operates a Wastewater Treatment Facility (WWTF) that is licensed to discharge up to 3.5 million gallons a day. The last discharge permit was granted in 2010 and expires in 2015. Shortly the department will be preparing a new discharge permit that will go through 2020. The WWTF receives average flows of 750,000 gallons in the off season and 1,750,000 gallons in the summer time. There are six (6) full time union employees and a Superintendent that oversee the operation of the WWTF and eight (8) remote pump stations.

In 2012, the Town Council approved a blower replacement project that replaced all three existing blowers. The new blowers are now installed giving staff greater flexibility in operations. As an added benefit, the WW department procured a \$70,000 grant from Efficiency Maine. As part of this project, electrical deficiencies were identified and corrected. The entire project was completed in July of 2013. Already the department has seen significant savings in electricity costs.

In conjunction with Saco and the York County Water and Soil District, the Town applied for and was granted conditional approval for a grant to establish a Goosefare Brook watershed management program. The Town will provide in-kind services in an effort to reduce potential sources of pollution. This program is a long term plan to help alleviate potential sources of pollution in Goosefare Brook. The department will continue to assist Maine Healthy Beaches with bacteria testing along the beach.

The department completed the upgrade to the tide gate in Ocean Park. The tide gate now has emergency generator power and all controls for the tide gate are fed back to the WWTF. For the most part, the tide gate is now automated and does not require manual adjustment.

The department coordinated the acceptance of ground water from a local business that needed to replace its underground fuel tanks. The department worked closely with other Town departments and the DEP to insure that it did not affect the WWTF process.

The Town renewed its effort to establish a Safety Committee that work in an advisory capacity for all departments. The committee has requested inspections from both the Maine Department of Labor and the Maine Municipal Association. It is expected that the committee will work to assist the individual departments in creating a safer environment for employees and residents.

Concerns about the current condition of the WWTF remain. The original WWTF construction was completed in 1988 with minor improvements in 1996. The WWTF continues to use above and underground electrical service installed in 1976. In early 2012 the council held a work shop on a 2009 engineering report that highlighted the needs at the WWTF. In this report there were three phases of needs. Phase one detailed approximately ten million dollars of immediate needs at the WWTF. It is anticipated that further workshops will be held on this subject. This report will be an important part of the comprehensive plan that will assist the Town on identifying the growth areas and planning for the upgrades needed to facilitate growth.

Equipment Replacement/Projects

Replaced the in-line chlorine monitoring system

Rebuilt the channel grinder at the West Grand pump station using department staff

Replaced SCADA server

Replaced wear parts on primary clarifiers 1-5

Operational totals for July 2012 to June 2013

Amount of wastewater processed – 402 million gallons

Sludge produced – 1477 tons

Hypo chlorite used (disinfection) – 17349 gallons

Polymer used (sludge conditioning) – 8395 pounds

Suspended solids removal rate – 98%

Biological oxygen demand removal rate – 95%

Respectively submitted by Christopher White

Municipal Baseball & Entertainment Complex Events:

A Thumb Sketch of our Status

Powers and Duties: The Ordinance which defines our obligation, namely, the maintenance and improvements to the physical facilities, the authority to raise funds and accepting donations, covers forty-nine acres of land with a Stadium, Playing Fields and Parking areas.

Membership – Such warrants seven members (two alternates) with five members constituting a quorum.

Studies and Analysis – For a period of many months the Commission has been working on a myriad of operating functions. Some have been adopted; others need to be affirmed or redefined. All will be covered at public Workshops with the Town Council at appropriate times. Some examples follow:

Long Range Planning; Ballpark Condition Report (structural aspects); any Internal Financial Account Tracking Policy; Private Box-rate and Fees; Economic Impact Proposal; Marketing Studies (and Surveys); and Ordinance Modifications.

Possible Future and Revised Activities - We are consistently working on new or upgraded activities such as: Country Music Concerts; a Go-Cart Proposal; POW/MIA Recognition Weekend (Permanent Basis); Harley Davidson Convention; Community Garden Improvements (Water and Storage); and Winter Skating and Sledding.

Volunteers - Volunteers continue to be a major asset to the Ballpark. Accordingly we will be establishing Volunteer Promotions to recruit, retain and reward such valuable personnel.

Raging Tide Baseball - Our major tenant, of course, is the FCBL's representative, whose owners we meet with on a regular basis and, highly respect, namely, John and Pam Gallo.

Gratitude - Finally, we would like to thank the Town Manager(s), Assistant Town Manager, the Town Council(s), Department Heads and Town Employees for their tremendous help in keeping our expenses down.

P.S. It's Your Ballpark

Jerome G. Plante, Chairperson

Old Orchard Beach Raging Tide Baseball

In spite of the cold weather, fog, and rain that plagued the 2013 season and caused delay, suspension, or cancellation of many games, the Old Orchard Beach Raging Tide managed to increase the average attendance by 28 percent. Our local fan base comes to home games no matter what the weather to watch the game and support their team.

The Raging Tide finished in fourth place in the nine team Future Collegiate Baseball League and managed to advance all the way to the semi-finals in the playoff series. This culminated in a playoff game at The Ballpark in Old Orchard Beach. This historic season was the first ever playoff series for the Old Orchard Beach Raging Tide team and the first playoff game to be played by a home team at The Ballpark in 28 years.

The Raging Tide also performed many hours of Community Service including the following:

The Raging Tide led the effort to place an “*Empty Seat*” memorial in The Ballpark in Old Orchard Beach to honor the more than 92,000 American soldiers who have never returned home from foreign service since World War I, Dune Doggy attended the Character Breakfast at JJ’s Eatery Too, and the Winter Carnival in Old Orchard Beach, Owners and Dune Doggy attended High School Pep Rallies in support of the WGME-13 School Spirit Challenge that raised over 100,000 pounds of food for the Good Shepherd Food Bank, participated in the Saco and Old Orchard Beach Christmas Parades, players and Dune Doggy participated in Vic’s Appliance 50th anniversary celebration, players and Dune Doggy visited and held Wiffle Ball camps/games at the Wagon Wheel, Pinehirst, and Wild Acres Campgrounds, the Saco Bay Rotary Auction, OOB 365 Community Dinner, Old Orchard Beach Memorial Day Parade, Hosted two Season Ticket Holder events, OOB Elementary School class field trip to The Ballpark, Team Meet and Greet at Jimmy The Greeks, sponsored one hole and volunteered at the Saco Bay Rotary Golf Tournament, collected and contributed food items to the local Food Pantries and held an end of season Casco Bay Cruise for Players, Staff, Host Families, and Season Ticket Holders.

People everywhere continue to come up to us and shake our hands. They thank us for what we have done; for keeping baseball and good family entertainment alive in Old Orchard Beach. This is what it is all about; doing for others who appreciate our efforts and giving back to our supporters. Residents and visitors alike come out to watch America’s Game – Baseball. Not driven by money or fame, but for the pure love of the game for players and fans alike.

People ask, “Are you going to be back next year?” Our answer is that we are here as long as the town government, town businesses, and town people continue to support us.

See you at the Ballpark in 2014!

OLD ORCHARD BEACH COMMUNITY GARDEN

The mission of the OOB Community Garden is to provide clean, unpolluted space for interested OOB residents to garden together. We will create a shared vision, working collectively to cultivate a place for individuals, families, and friends to grow healthy food and experience the rewards of gardening.

2012 Board

**Paul Ladakakos, Chairman
Harold Essigman, Vice Chairman
Jackie Tselikis, Secretary
Shirley Holt, Treasurer
Lynn Selden, Boardmember**

2013 Board

**Harold Essigman, Chairman
Susan Bowling, Vice Chairwoman
Jackie Tselikis, Secretary
Ava Lewis, Treasurer
Lynn Selden, Boardmember**

The Old Orchard Beach Community Garden, located near the Ball Park, was established by the Town Council in 2011. The community garden is an organic garden with plots of approximately 100 square feet. The garden is financially self-sufficient, obtaining its revenue from \$25 plot fees and donations. In 2012, the number of garden plots was increased from 20 to 52.

Under the leadership of garden chairman, Paul Ladakakos, and with the help of the Department of Public Works, an access entrance to the rear of the garden was built, allowing easy access for delivery of loam and manure. Blow Brothers generously donated and serviced a portable toilet for use by gardeners. Current chairman, Harold Essigman and Lynn Selden installed a water distribution system which facilitated water access in all parts of the garden. With money from plot fees and donations, the garden was able to purchase a lawn mower, weed whacker, and various garden tools for use by gardeners. Jay Oliver has generously loaned us a small tractor with a tiller attachment, enabling us to till the plots. A small shed for storage is located at the garden and a picnic table with a canopy for use by gardeners is located near the garden entrance.

In addition to gardener plots, an herb garden and several flower beds for use by all gardeners were established. Since its inception, the Community Garden has waived plot fees for the Community Food Pantry, Girl Scouts, Boy Scouts, and OOB schools. This year the garden lost a dedicated gardener and former chairman, Paul Ladakakos. The gardeners have ratified a plan to plant a tree in Paul's honor to commemorate his passionate work in helping to improve and beautify the garden. The garden is currently in the process of acquiring a larger shed which is needed to accommodate all of our equipment. We wish to thank the OOB Public Works Department for their help in building the entrance road and trucking mulch, stone, manure, and gravel. Also, thanks to Jay Oliver for trucking loam, which was donated to the gardens by Bayley's, to the Town Clerk's office for processing applications and collecting plot fees, and to the Town Council for their support. Finally, the board wants to thank all of our gardeners for making this an integral part of the OOB Community.

HISTORICAL SOCIETY ANNUAL REPORT 2012-2013

The Old Orchard Beach Historical Society at the Harmon Museum completed another busy summer with 509 visitors. Of this number, fifty-one were from Ocean Park and fifty from different locations in Maine. There were twenty-one other states represented, five Canadian provinces, the U. S. Territory of Puerto Rico, and North Ireland, Wales, England, Taiwan, China, and Moldova.

The Museum opened for the season on June 25th and closed August 31st, opening at 10:00 a.m. and closing at 4:00 p.m. Tuesday through Friday, with Saturday hours from 10:00 a.m. to 2:00 p.m. Our featured exhibits this summer were "Churches, Temples, and Tabernacles of Old Orchard Beach and Cemeteries, Past and Present." Other newly-crafted displays were "Kite Track," "Harry Jones Aviation," and "Fire and Police Photo Gallery." Also, a new "Historical Views of Ocean Park" exhibit was assembled by Ocean Park Association volunteers Ruth Gladu and Carolyn Milley.

We received and catalogued 89 new acquisitions from 20 individuals. Some notable donations included valuable papers of the Guilford and Tarbox families, along with Milliken Lumber Mill and Milliken Family memorabilia. A large "A- Frame" display of local trolley history, a diorama depicting firemen and fire-fighting apparatus, and a farmers' market were handcrafted and donated by local artisan Foster Leavitt. Eighteen requests for historical research received from various U. S. locations were answered by volunteers.

The exterior of Harmon Museum was painted and the original single-pane windows from 1926 were replaced with Renewal by Anderson windows. Additionally, two interior rooms were painted by volunteer Peter Flaherty.

Webmaster Barbara Delage redesigned our website. Volunteer Don Hamilton created a Facebook page www.facebook.com/oobhistoricalsociety for the Society. He and Barbara Delage will be co-administrators of the page. It will be kept active throughout the year, with updates on workshop activities, videos of historic note, and Society events.

Docents for this year were Arlene Hanson, Stan Quinlan, Jim Molloy, Arthur Guerin, and Dan Blaney. Our staff of volunteers included: Dan Blaney, Lois Brown, Betty Curry, Arthur Guerin, Jeanne Guerin, Janet Hamilton, Arlene Hanson, Carol King, Faith Litwin, Judy Pettit, Stanley Quinlan, Rachel Theroux, and Ruth Wallingford. Thanks to the volunteers for giving visitors an interesting, informative view of our town's history.

Our sincere thanks to the Town Council, Town Manager, Assistant Town Manager, and Town Clerk, who are most supportive. Special thanks to Bud and Judy Hurst who again donated 100 passes for Aquaboggan Water Park, which sold quickly in our gift shop.

Harmon Museum Trustees: Daniel E. Blaney, Charles Davis, Stanley J. Quinlan

Old Orchard Beach Historical Society Officers: President Arthur R. Guerin, Vice-President Daniel E. Blaney, Treasurer Stanley J. Quinlan, Secretary Arlene Bellevue Hanson.

Respectfully submitted,

Jeanne Boisvert Guerin, Curator

Libby Memorial Library

Old Orchard Beach Free Public Library Association

Annual Report and Statistics – 2012/2013

The purpose and function of the Edith Belle Libby Memorial Library is to provide services and materials in all formats that will promote life-long personal enrichment for all citizens of this community—Libby Memorial Library Mission Statement.

The Libby Memorial Library Mission Statement, as relevant now as in the past, also provides direction for the future. As an example, the Library changed the format this year from group-style computer classes to individualized computer instruction allowing the specific educational needs of the patron to be addressed. This approach is indicative of our desire to always strive to enhance the Library's ability to provide patrons with user-friendly solutions to any question or issue they may have. It has been very successful. Kindle instruction is also available and we now have Kindle devices available for checkout. As mobile technology continues to become more prevalent, the Library staff will strive to meet the needs of our patrons through availability of instruction for these various devices. Additionally, we hope to increase our selection of these devices for patron use.

Contrary to the belief that public libraries are having issues with relevancy, the truth is that the public library is becoming the community hub for technology and digital literacy, as well as continuing to fulfill its' original purpose as a center for education and entertainment through the use of print materials. The Library's goal will always be to move forward providing patrons with an increasing range of enrichment opportunities, be they entertaining, educational or in any other way necessary and rewarding. We shall strive to fulfill this goal in an ever-changing world regarding literacy, technology and media.

The total number of patron visits for the year was 35,662, up 27% from last year. The average number of daily patron visits was 140. The total number of active patrons was 4,832 with 392 new cards issued. The total number of items in the collection was 31,783 with 2,162 new items added through purchase or donation.

Libby Memorial Library is so pleased to be able to make a positive difference in our community, however, it would not be possible to do all that we did in FY13 without the help and support of several former Town Councilors, The Libby Memorial Library Board of Trustees, the wonderful townspeople of Old Orchard Beach and those who kept everything running smoothly, the staff. Thank you all so very much—

From 07/01/12 – 06/30/13 Libby Memorial Library provided \$690,350 worth of materials and services to the townspeople and visitors of Old Orchard Beach (Maine State Library value use calculator). These included the following:

- **Print Books: Adult Fiction/Non-Fiction, Children's Fiction/Non-Fiction, Young Adult Fiction/Non-Fiction, Large Print, Inter-Library Loan, State Large Print, Reference, and paperbacks for visitors without library cards.**
- **Audiobooks on CD/cassette for Adult and Children**
- **Music CDs for Adult and Children**
- **Movies/TV Series/Non-Fiction selections on DVD and VHS for Adults and Children**
- **Periodicals including both magazines and newspapers**
- **Maine Infonet download library for both downloadable e-books and audiobooks**
- **WiFi and hardwired computers for patron and visitor use**
- **VHS and DVD players for patron borrowing**
- **Two pre-loaded Kindle e-readers for the visually impaired**
- **Portland Museum of Art and Southworth Planetarium free passes**
- **Free access to Ancestry.com**
- **Free access to Mango Languages**
- **Free individualized computer instruction/Kindle instruction**
- **Adult and Children's programs:**
 - Finger Frolics, Crafty Readers and Saturday Morning Kids' Club (once/week, year-round)**
 - Bosco the Reading Dog (first Wed/month)**
 - Children's Summer Reading Program w/Mike Bent's Magic Show**
 - Lindsay Bezich's Puppetry and Storytelling Program**
 - Halloween Pumpkin Decorating/Storytime**
 - Dr. Seuss' Birthday**
 - Polar Express Christmas Party**
 - Children's New Year's Eve**
 - St. Patrick's Day Children's Celebration**
 - St. Patrick's Day Musical Celebration & Instruction w/Maine Harp**
 - Easter Egg Hunt**
 - Josh Pahigian author talk**
 - Irish Balladeer-Paul Carroll**
 - Family movie nights (every other Friday Sept-May)**

Respectfully Submitted,

Lee M. Koenigs, Library Director

RSU 23 Annual Report:

This past year has brought unprecedented uncertainty at the school district level, with municipal withdrawals taking place in both Saco and Dayton. While this uncertainty dominated much of the public discussion of RSU 23 schools, school principals and faculties remained focused on their primary mission: advancing the learning of our students. Student achievement indicators show strong growth in recent years, but just as importantly, RSU schools are supportive, respectful, and safe places to learn and grow.

The RSU #23 Leadership Team has devoted considerable time to setting priorities and establishing goals and objectives. The resulting three priority areas have driven the improvement efforts underway in the 2012-13 school year: increasing the effectiveness of, and supports for, building level Professional Learning Communities (PLCs), as the principle method for ensuring that classroom instruction leads to positive outcomes for all students; providing richer and more frequent professional learning opportunities focused on instructional proficiency (the Skillful Teacher), which in turn provide a more solid basis for teacher observation and evaluation; and developing instructional strategies and school-wide cultures that promote the acquisition of 21st century skills, such as creativity, critical reasoning, collaboration, and communication.

While these priority areas take center stage this year, other work continues to move forward. Teachers, administrators, and students are using technology to support learning. In addition, this year the RSU was awarded an \$83,000 grant from the Juvenile Justice Advisory Group (JJAG) to support our efforts to use restorative school practices in resolving conflicts and addressing behavioral issues.

Old Orchard Beach High School continues its work in building a “career academy” approach to organizing the student experience. The first academy is underway this year, a hospitality, tourism, and culinary arts program that will prepare students for jobs or advanced education in one of Maine’s cornerstone industries.

The broader fiscal environment is one of the bright spots from the year. The Legislature added money to the General Purpose Aid (GPA) part of the budget, which took some of the pressure of the local taxpayers. Let’s hope that state revenues continue to exceed expectations!

But the big news from this year is undoubtedly the withdrawal of Saco and Dayton from the RSU, leaving Old Orchard Beach as a single-municipality regional school unit, one of the few in Maine. At this writing, we are anticipating the election of additional school board members for Old Orchard Beach, and the naming of a new superintendent and central office staff who will fully assume their new roles as of July 1, 2014.

At this juncture, our RSU teachers and administrators should take great pride in consistently examining our educational programs, keeping up to date with emerging research on best practices, and improving RSU 23 programs each and every year. This work has continued in spite of challenging budget circumstances and the withdrawal process as a backdrop. The citizens of RSU 23 communities have much to be proud of!

Patrick R. Phillips, Superintendent of Schools

OLD ORCHARD BEACH HIGH SCHOOL – ANNUAL TOWN REPORT 2012-2013

The 2012 – 2013 school year ended in a magnificent way. Old Orchard Beach High School had a graduation rate of 92%.

The Old Orchard Beach High School began the school year on September 5, 2012 at 250 students. The first day of school, September 4, 2012, was devoted to the freshman class. On September 5th, all students were back at the high school for their first official day. An assembly to welcome students and introduce new faculty and staff started the day.

The High School held our annual “Freshman Welcome” at the high school on September 4th. We had a great turnout of parents and students on a wonderful fall evening. After the Freshman Welcome, we had our Annual Open House where parents were able to meet with their child’s teachers and get a comfortable feel for our school.

Our Homecoming activities were held the second week of October. The Student Council and Mrs. Partridge did a fabulous job of organizing and successfully running the week long Spirit Week Activities. The various activities were highlighted by the annual Bonfire and with the Saturday Homecoming Dance.

October started with all sophomores and juniors taking the PSATs on the 17th. The guidance department hosted a College Information Night in the high school cafeteria where our guidance counselors presented material to seniors and their parents regarding the college application and selection process. October was also a huge month for our H.S. Gold Medal Marching Band. On Monday, Oct. 22, the marching band was able to take part in 2 performances with the Portland Symphony. They will be performing with the orchestra during the finale of Tchaikovsky's 1812 Overture as part of the PSO's Youth Concert program. Then on Saturday, Oct. 27th, OOBHS hosted the Maine Band Directors Association Marching Band Finals on the Joe Regina football field. Over 700 students from 11 bands took part in this event.

On Wednesday, November 7th, students were able to explore various levels of college Spanish courses and have the chance to talk with professors in the Spanish Department as well as college students. Students had a tour of the campus and enjoyed a yummy buffet lunch. Admissions representatives were available to discuss the college application process with our students. This was a wonderful opportunity to expose students to college life and the type of course work required to pursue the post-secondary study of foreign language.

We had one of our best Food Drive’s yet. We as a school were able to collect over 42,000 pounds of food that was evenly distributed over our five local food pantries. On top of donating all of that food, we were able to give each pantry a check for \$1200.00. This definitely was a great feeling to give back to such a great community.

In the month of December, we officially became a new ROOKIE ROBOTICS TEAM, and joined FIRST (For Inspiration and Recognition of Science and Technology). The first Robotics competition was held in Lewiston, Maine in April of 2013. Also, On December 6, 2012 we had 18 students registered for the University of Maine Application Review Day. These students found out on the spot whether or not they were accepted into their program of choice and if they have received any additional Honors College acceptances and scholarships. The two admissions representatives that were involved in this day were very impressed with our students and how well prepared they were.

A group of eleven adventurous Old Orchard Beach High School students spent their 2013 April vacation exploring Costa Rica. The travelers began with a visit to Costa Rica's bustling capital, San Jose. There, students were able to practice speaking Spanish and enjoy local food and entertainment. The group then left the city behind to spend several nights sleeping in a secluded rain forest lodge, only accessible by an hour-long boat ride on jungle rivers and canals. Rain forest hikes will offer sightings of brightly colored frogs, cocoa trees, monkeys, and spectacular views. Wildlife including crocodiles, otters, birds, and more monkeys will be spotted from various boat rides.

Our Old Orchard Beach explorers zip lined through the canopy of the rain forest. They were also able to go whitewater rafting down one of Americas' cleanest rivers. Students could hike and kayak along the lush base of a volcano actively spewing smoke and lava. The group soaked in the mineral waters of natural hot springs heated by the volcano. The tour furthermore included visits to coffee and banana plantations, and waterfalls galore. Students were able to wade in the Caribbean Sea as well as the Pacific Ocean. The group was immersed in the language, culture, and beauty that Costa Rica is. The goal was that all travelers return home with a greater worldview, a better understanding of Costa Rican land and culture, as well as a renewed appreciation for the benefits of living in the United States.

After hearing the horrible news about the bombing of the Boston Marathon, in April 2013, our student council, led by Mrs. Partridge, wanted to raise money to donate towards this tragedy. They did this by selling "OOBHS is Boston Strong" bracelets. OOBHS was able to raise \$640.00 from this fundraiser and sent the money directly to the victims involved. WAY TO GO OOB!

On June 6th, the high school held its annual Awards Night to recognize students from grades 9-12 for their academic achievements over the course of the school year. Forty students were recognized for earning high or highest honors for the first 3 quarters of the school year. The top 10 stoles were awarded to: Amy Twohig, Brandon Ellis, Christian Koenigs, Gabrielle Card, James Strohm, Mae Toohey, Sean McDermott & Olivia Dubois. The Salutarian was Jaclyn MacDonald and Valedictorian was Emily Pinette. The school year concluded for seniors on Sunday, June 9th as we graduated 65 seniors. The ceremony was held at the Seaside Pavilion.

**Respectfully submitted,
Rick DiFusco
Principal of Old Orchard Beach High School**

Town Report Loranger Middle School – 2012-2013

Loranger Middle School is one of eight schools in RSU #23 (OOB/Saco/Dayton). It is located in Old Orchard Beach, and is one of two middle schools in the district, serving students in grades 4-8. We began the year with approximately 336 students. This was an increase from the previous year of approximately 26 students due to enrollment of Saco & Dayton students, who for the first time were offered school choice at LMS. At this point in the 2013-14 school year, our present enrollment is 322 students. This past year Loranger had 52 professional staff; 38 teachers, 14 support staff, 1 guidance counselor, 1 social worker, 2 secretaries, and 2 administrators. We hired Sarah Gaetani as our new developmental (life skills) special education teacher and Mary-Elise Alexandre as a new 6-8 special education teacher. This past year Principal Crocker finished fulfilling his role as an officer of the Maine Principals' Association by serving as Past President of the Maine Principals' Association. This was an honor he accepted with the support to the RSU administration and the staff at LMS three years ago.

Once again, this past year was a very challenging budget year. Early in the year we went into a district-wide discretionary budget freeze that had some impact on our educational programming throughout the district. We “weathered” the many challenges and struggles of being part of a consolidation district with Saco & Dayton. Discontent on the Saco/Dayton side of the district led to a withdrawal effort by both communities. As a result residents in those two communities will be going to the polls on November 5th to vote on withdrawal from the RSU. If this effort is successful, OOB will become a one community RSU on June 30th 2014.

The district and school initiatives that were a priority in 2012-2013 were:

- 1. Demonstrated high academic performance, which was evident by making (AYP) Adequate Yearly Progress for a third year in a row;**
- 2. Continued refinement and implementation of a school-wide Rtl program, that provides academic support to struggling students, through different tiered Interventions;**
- 3. Continued refinement and implementation of a PBIS (Positive Behavior Intervention System) initiative;**
- 4. Planning for “piloting” a new initiative/approach called Restorative School Practices. The district received an \$83,000 Restorative Justice grant to “pilot” this program at three different sites throughout the district. Loranger Middle School was selected as one of the “pilot” sites;**
- 5. Implementation of the new common core state Standards; and**

6. Continued development and integration of the skillful teacher program and its alignment with our new teacher evaluation system.

Some Highlights of the 2012-2013 School Year:

- ☐ **Active Loranger PTO that hosted a number of fund-raising events throughout the year (i.e. Kids Night Out, Penny Social) that raised money to support music camp scholarships, Camp Kieve scholarships, and materials for the academic classrooms.**
- ☐ **8th grade Camp Kieve week-long experience at the leadership school**
- ☐ **Continued work with the Center for the Prevention of Hate through the Unity project initiative – an anti-bullying & harassment program. We continue to mobilize a “student ambassador” program where we train students to be advocates, both for themselves and for others, against bullying & harassment in the school.**
- ☐ **School-wide “Red Ribbon Week” celebration focused on no tolerance for drugs. This celebration was accompanied by the LMS student body being invited to the high school for a performance by the “Gold Medal” OOBHS marching band.**
- ☐ **STAR Week – A week that focuses on diversity/tolerance/respect/& safety. The presenter/performer this year was Chuck Nguyen who did an outstanding job getting his message across to the school-wide audience.**
- ☐ **In February the 8th graders participated in the State History Day competition. We had a couple of LMS students who were recognized for there fine efforts in this competition.**
- ☐ **In February, we had our annual LMS Talent show which showcased many talented students who performed in the show. There were 18-20 different performances by students in grades 4-8.**
- ☐ **In the Spring 7th graders participated in a “JA in a Day” activity. This is sponsored by Junior Achievement and gives great exposure to our students in helping to connect the learning environment with the realworld environment of business.**
- ☐ **In early June, LMS hosted the annual “Evening of the Arts” event were we showcase the artistic talents and musical talents of our LMS students.**

**2012-2013 Old Orchard Beach Annual Report
Jameson School**

It was a very busy and productive year of learning for Jameson School. Each of our 14 classrooms, (4 @ kindergarten, 4 @ first grade, 3 @ second grade and 3 @ third grade), had an average of 17 students falling well within the average class size range for the K-2 grade span (15-18), as set by the RSU 23 Board of Directors during the 2009-2010 school year. While we had an overall transiency rate of 20%, (26 move-ins and 24 move-outs with an average enrollment of 237 students, our enrollment never exceeded 240, not fell below 231. Our socio-economic status remained a constant with 50+% of our students qualifying for free and reduced school food service status.

The benefit to this demographic is that Jameson School continues to be able to offer Breakfast in the Classroom, a program that serves breakfast to all of our students on every school day, free of charge, a program made possible by federal funding outside of the regular school budget. This was Jameson School's third school year with Breakfast in the Classroom and we are happy to report that fewer students are needing to access our school nurse each day, student engagement in learning has increased and the sense of "belonging" to one's classroom as one does to a family has grown, as demonstrated in student and parent data collections.

Our economic at-risk status also affords our school federal Title 1 money with which we are able to employ a full-time Title 1 teacher and a full time Title 1 Ed Tech III. These two positions, coupled with our full time Learning Strategist teacher, two full time Regular Education Ed Tech IIIs, and a halftime Literacy Specialist comprise our RTI (Response to Instruction) Team. This team provides academic intervention to students identified as struggling to meet grade level benchmark in a specific curriculum area as demonstrated by a data-driven dialogue of all the professionals who work with said student. These interventions are designed as 6-week programs, with pre and post data collected and next steps driven by said data. During this school year, 118 of our 237 students received RTI support. This represents 50% of our students, a hugely impressive number when compared to the 8% of our students who received such support during the 2009-2010 school year.

We are embracing 21st Century skills and embedding opportunities to grow these skills in our curriculum. These opportunities are occurring in our classrooms through our PBL (Project-Based Learning) Initiative, as Jameson School takes the lead in this work for RSU 23. A cadre of staff spent significant time observing and discussing this practice with the staff of Breakwater School in Portland, a K-8 private school who has successfully employed PBL for several years now, synthesizing this new learning and sharing it with our staff through the PLC (Professional Learning Communities) model, to rave reviews. Our culminating project was planned and facilitated by Billy Corcoran, our Title 1 Technology Integration Ed Tech, and an enrichment group of 8 third graders. This group partnered with Kate's Butter to produce and market a line of ice cream, Beach Kidz Cool Treats, making enough profit to purchase 2 new iPads for our school!

We continued to grow our PBIS (Positive Behavior Incentive and Supports) work, with the Jameson Assembly (whole school Monday morning weekly gathering to highlight achievement and promote future success) has become an important component of our culture and has promoted collaboration at every level of our community. Caught Being Good is truly a highly coveted status by our students.

We were allowed to pilot the use of Facebook by RSU 23, building a Jameson School page (www.facebook.com/jameson.school) meant to grow our Family Involvement, improving our communication with our families. With an average of a few posts each week, hundreds of Likes and thousands of Views, this page continues to be more and more effective as we harness this potential and shape our practice in using this tool. We look forward to our students benefiting from our purposeful use of social media, with plans to expand our use of both our Facebook page and our Jameson School website (www.jamesonschool.webs.com.)

We have benefited from significant community support. The Rotary Club of Saco Bay donated materials and labor to rebuild our outdoor amphitheater and provided dictionaries for each of our third graders. Our fabulous PTO raised nearly \$4000 this year, spending it to provide field trips for each of our 14 classrooms as well as Mad Science in school workshops, one each in both the fall and spring, for each of our 14 classrooms. Paul Goltzbein personally donated \$2000 to Jameson School in the fall for our Pier Drawing Contest, (with that money supporting student incentives and helping us to grow our classroom libraries), and 10 brand new bicycles in the spring to support our 3rd Annual Books for Bikes give-away last June. These gifts allowed us to truly provide a safe, joyful climate in which our students can thrive.

Finally, we were once again able to provide summer programming for those students most at-risk academically and financially with our Summer Academies and Summer Feeding program. Summer Academies were offered for 5 weeks, 4 days per week and 4 hours per day and included, Math Academy, Literacy Academy, Strategy Academy and Special Education Extended Year Services. Sixty students, or 25% of our population, benefited from these academies. The Summer Feeding Program was offered for 9 weeks and provided breakfast and lunch, 5 days per week, for all children aged 0-18 in the Town of Old Orchard Beach, free of charge. This program too was made possible by federal funding outside of the regular school budget and fed hundreds of meals this summer.

It is all cool at Jameson School!

**Old Orchard Beach School Department
Special Education Annual Report
July 2012 – June 2013**

The Special Education Department of the Old Orchard Beach Schools is responsible for providing an appropriate education to all students with disabilities in accordance with Federal and State laws. The State of Maine defines the following disability categories to which schools must be responsive:

Autism	Deafness
Other Health Impairment	Emotional Disability
Specific Learning Disability	Traumatic Brain Injury
Speech & Language Impairment	Hearing Impairment
Orthopedic Impairment	Intellectual Disability
Deaf-Blindness	Multiple Disabilities
Visual Impairment including Blindness	Developmentally Delayed

56

The school is responsible for developing an Individual Educational Plan (IEP) for each student with a disability. This plan is developed in an IEP team meeting attended by the student's parents, classroom teacher, special education teacher and a school administrator. Parental consent is required before a student can be evaluated or receive services through the special education department.

140 students received special education and supportive services in the Old Orchard Beach Schools. The special education teachers who provided services to our students are as follows:

Jameson School	Loranger Middle School	Old Orchard Beach High School
Darlene Boissonnault Erin Cote Cynthia Robbins	Mary Feigenbaum Barbara Roberge Cathy Cone-Sabo Mary Alexandre Sarah Gaetani	Carla Barron Zach Ellis Catherine Wood

In addition, speech and language therapy is provided to eligible students in grades K-12 by Deborah Maksut, Maureen Butler and Sandra Welzel. Lisa Kurtz and Molly Walrath provide occupational therapy. We contract with Mainely Kidz PT to provide physical therapy. Laurel Tinkham, psychological examiner provides evaluations and consultation for our special education students.

A total of 1 student was placed in a special program outside of our public schools in order to receive appropriate special education programming.

The Old Orchard Beach Schools also provide Title I services to students in grades K-12 who could benefit from remediation in reading and in math. Title I personnel provide these services through the direction of classroom teachers to approximately 105 students. Our Title I personnel are as follows:

Jameson	Loranger Middle School	OOB High School
Angela Hatch William Corcoran Karen Walker	Jessie Hemphill Pat Howe	Melissa Mowry Tammy Hilton

The Old Orchard Beach School Department is the recipient of supportive funds from the Federal government under the following:

Jen Normand, Director of Special Education &
Julie Smyth, Director of Curriculum & Instruction

Old Orchard Beach/Saco Adult & Community Education

OOB/Saco Adult & Community Education offers a variety of academic, vocational, and enrichment classes for residents of Old Orchard Beach, Saco, and other surrounding communities.

OOB/Saco Adult & Community Education Program Areas

High School Completion

GED program that includes pre-testing, instruction and testing for high school equivalency and through an adult high school diploma program that provides the opportunity for individuals to complete their graduation requirements.

Literacy & Family Literacy

Through classroom instruction or tutoring, this program area teaches the basic reading comprehensive and numeracy skills necessary to function in our literate community. Specific areas of literacy programming include English as a Second Language instruction and Family Literacy, an approach integrating both early childhood and adult education and parenting skills.

College Transitions

Maine College Transitions, in partnership with community colleges and the university system, offer high-quality, cost-effective and accessible pathways to post-secondary education for adults. Offered through local adult education programs, College Transitions includes career planning, assessment, college experience, tracking and follow up, and instruction in college preparation coursework.

Business & Skills Training

Instructional programs designed to meet the needs of individuals seeking to gain employment or small businesses in need of training programs for their workers. Common programming areas include medical transcription, personal support specialist, career counseling, and office skills.

Personal Enrichment

Programs designed to meet the lifelong learning needs of adults and their communities. The activities are varied in response to the unique needs of each community ranging from foreign language, to wellness and exercise, to a wide-variety of skill and craft classes. The courses are housed in public schools but all instructional and material costs are borne by the learners.

2012/2013 Academic Year Informational Data

- Total enrollment was 2,478.
- Enrollment for enrichment classes was 1,247.
- Vocational enrollment was 293.
- Academic enrollment was 938.
- 273 enrichment and vocational courses were offered.
- 88 academic courses were offered.
- The total number of registered students in enrichment, academic, and vocational classes was 1,733.
- 50% of registrations were completed online.
- Adult education staff completed registration and advisement for 866 students.

TAX DEPARTMENT

Many thanks to Gidgette Thompson and Kathy Fuente for all of your hard work.

You may now obtain information regarding Motor Vehicle registration, Tax information, frequently asked questions, and online registration options through the Town website

Respectfully Submitted,

Deborah M. Mulherin, Tax Collector

United States Senate

WASHINGTON, DC 20510-1904

COMMITTEES:
SPECIAL COMMITTEE
ON AGING,
RANKING MEMBER
APPROPRIATIONS
SELECT COMMITTEE
ON INTELLIGENCE

February 27, 2013

Dear Friends,

It is a privilege to represent Maine in the United States Senate, and I am deeply grateful for the trust the people of Maine have placed in me. Public service is a responsibility I take seriously. In 2012, I reached a milestone by casting my 5,000th consecutive roll-call vote. I have never missed a single roll-call vote, a record unique among current Senators.

As we enter 2013, the economy and jobs remain my top priorities. As a senior member of the Defense Appropriations subcommittee, I am committed to keeping our nation secure and our skilled defense workers on the job. I secured funding to increase the shipbuilding programs at Bath Iron Works and advance essential modernization projects at the Portsmouth Naval Shipyard. I was honored to receive the Navy League's Congressional Sea Services Award for 2012 as the leading advocate for our maritime services and US shipbuilding.

Maine's economic future recently received a boost with significant federal funds for deep-water, offshore wind energy research and development at the University of Maine and in private sector firms. Maine has some of the strongest and most consistent winds off our coast, and we have some of the world's leading researchers. These funds will help Maine be a world leader in developing this clean, renewable energy source, ultimately resulting in the creation of thousands of good-paying jobs for our state.

As a leader on the Transportation Appropriations Subcommittee, I am also working to ensure that investments are made in our transportation infrastructure. Early last year, construction began on a modern, safe, and efficient replacement for the Memorial Bridge at Kittery, a project for which I worked to secure funding. Working with the State Department of Transportation, I also secured federal funding to replace the aging Martin Memorial Bridge in Rumford and the decrepit Richmond-Dresden Bridge. In 2013, I will continue to seek funding for improvements in our roads and bridges to make traveling safer and more efficient for our citizens and to facilitate commerce. It is also gratifying to see the heaviest trucks on the Interstates where they belong rather than on our downtown streets and country roads. This is the result of a law I authored in 2011.

Maine's environment is critical to our economy and the health of our residents. I opposed efforts in 2012 that would have weakened the landmark Clean Air Act and would have exposed our state to emissions from coal-fired power plants elsewhere. At the same time, I have continued to work with a bipartisan group of Senators to ensure that federal regulations on industrial boilers protect our environment without imposing onerous burdens on our forest-products industry and other manufacturers.

Many Mainers contacted me last year to express concern about the Postal Service, which is essential to our economy and our way of life. Last year, the Senate approved legislation I co-

authored to help put the Postal Service on a sound financial footing since it has been losing billions of dollars. Although the House failed to act on our bill, the Postal Service has heeded my requests to keep open the vital mail processing center in Hampden. I will continue to work to ensure that all Mainers, regardless of the size of their communities, have access to the postal services upon which they rely.

As the daughter of a World War II veteran wounded in combat, I know how important quality, accessible health care is for our veterans. This past year, I worked to ensure that our rural veterans' health care facilities are fully staffed and to strengthen our Veterans' Homes. Federal health agencies also began an investigation into whether Maine veterans were exposed to toxic defoliant chemicals while training at Gagetown, New Brunswick. With shortages of medications putting patients at risk, I co-sponsored legislation to encourage manufacturers to report anticipated production problems to help avert shortages. Through this voluntary approach, more than 200 potentially life-threatening shortages were prevented last year.

While Congress averted a huge increase in tax rates for middle-income American families and small businesses, there remains a lot of work to be done to reduce our unsustainable \$16.4 trillion debt. It is essential that we do so in a responsible way, but that Washington stop delaying decisions that will help shape our economy and future prosperity.

I remain committed to doing all that I can to address your community's concerns in 2013. If I may be of assistance to you in any way, I encourage you to contact my state office in your area.

Sincerely,

A handwritten signature in black ink that reads "Susan Collins". The signature is fluid and cursive, with the first name "Susan" and last name "Collins" clearly distinguishable.

Susan M. Collins
United States Senator

tnitrdtatsrnatr

October 25, 2013

Town of Old Orchard Beach
1 Portland Avenue
Old Orchard Beach, ME 04064

Dear Friends,

I was sworn into office as your U.S. Senator in January of 2013, and immediately began exploring how I might use technology and staff to provide you with easier and expanded access to federal services. In addition, I wanted to save you time and the cost of traveling long distances to get to our offices. It seemed right and fair that I should also reduce my costs to save some taxpayer dollars since towns, citizens, and businesses are being forced to do the same.

Providing greater access to me and federal government services through my staff, is a priority I am committed to. In June of 2013, I initiated **Your Government Your Neighborhood**, a plan which reduces costs, complements the locations offered by other delegation members, and expands services. Every other week, I send my staff to towns throughout the state, and each month all 16 Maine counties are served by them. On a regular basis my staff holds constituent hours locally, providing citizens with assistance. As of this month, 70 communities have had service.

I am honored to be serving on four committees: Armed Services, Intelligence, Budget, and Rules. These appointments provide the opportunity to take important and substantial action on behalf of Maine. My position on the Armed Services Committee allows me to honor our obligations to servicemen, women and veterans, as well as ensure the strength, efficiency, and sustainability of our military. Our intelligence Committee plays a pivotal role in identifying and understanding security threats around the world. My goal is to do everything I can to protect both American lives and the freedoms we enjoy. As a new member of the Budget Committee, I am working to ensure that necessary spending is tempered with fiscal responsibility. One of the most serious issues we must address is the inability of Congress to get things done. My position on the Rules Committee allows me to push for procedural reforms to help move us forward.

Your individual perspectives are critical in helping me represent the diverse interests of Maine. Do not hesitate to share any thoughts, questions, or concerns that you may have. You can visit my website at <http://www.king.senate.gov> and provide your input there, or call my Washington office at (202) 224-5344 or our toll free in state line at 1-800-432-1599. Our local numbers are Augusta (207) 622-8292, Presque Isle (207) 764-5124 and Scarborough, (207) 883-1588.

I appreciate the opportunity to serve you and update you on my activities. I am determined to be a strong voice for the people of Maine.

Sincerely,

ANGUS S. KING, JR.
UNITED STATES SENATOR

CHELLIE PINGREE
CONGRESS OF THE UNITED STATES
1ST DISTRICT, MAINE

Dear Friend,

I hope this letter finds you and your family well. It is an honor to represent you in Congress and a pleasure to update you on the work I am doing in Maine and Washington.

You are probably aware that Washington is a very challenging place to get anything done these days. The partisan climate has kept many important issues from being addressed and even led to a shutdown of the federal government. Worst of all, it has created uncertainty for Maine families and the economy. It's the last thing we need. Over the next year, I will continue pressing Congressional leaders to bring the focus back to helping people rather than advancing ideologies.

As difficult as it's been, though, there are areas where I have been able to make progress on needed policy reforms. One has been support for local food producers. For decades now, federal agriculture policy has only benefited huge farms and commodity crops, not the kind of the diverse family farms we have in Maine. It's time for that to change. With small federal changes, we can capitalize on the huge economic potential of the local food movement. I've introduced the Local Farms, Food, and Jobs Act to make some of those changes, and have been pleased to see many of these reforms gain bipartisan support.

Another issue is helping veterans who were sexually assaulted during their service. I've introduced the Ruth Moore Act—named after a Maine veteran who struggled for 23 years to get disability benefits from the Department of Veterans Affairs after she was sexually assaulted while in the military. The bill would help veterans like Ruth get the assistance they need to recover from the debilitating trauma they suffered while serving the country. The bill passed the House and now awaits consideration in the Senate.

While policy in Washington is important, so is the work my staff and I do here in Maine. My office keeps close connections to Maine communities and their leaders to make sure we're doing all we can to help them succeed. This work might include providing letters of support for federal grant applications, getting answers from federal agencies, or bringing national officials to our state to raise awareness about the good things being done here.

We also work with hundreds of constituents who have issues with federal agencies and programs. Not everyone knows that you can call your Member of Congress for this kind of thing, but it's an essential part of my responsibilities and my commitment to the people I serve. Members of my staff are experts on issues ranging from veterans benefits and IRS questions to Social Security problems and passport inquiries. They can help you navigate the process, communicate with federal agencies, and, in certain circumstances, facilitate the expediting of claims. If there is an area where you need assistance, I encourage you to call my Portland office at (207) 774-5019 or go to my website, www.pingree.house.gov.

Again, it's a privilege to serve you in Congress. Please stay in touch.

Chellie Pingree
Member of Congress

Senator Linda M. Valentino
P.O. Box 1049
Saco, ME 04072
(207) 205-0077

Dear Residents of Old Orchard Beach,

It is an immense honor to serve Old Orchard Beach and District 5 in the Maine State Senate. Thank you for giving me this opportunity to represent you and your interests in Augusta.

If I had only one word to describe this session the word would be – busy! As a first-term Senator, representing the 38,000 people of Saco, Old Orchard Beach, Buxton, Dayton, and part of Biddeford, my time was spent between sessions and serving on three different committees.

As the Senate Chair of the Judiciary Committee, I work closely with the Chief Justice of the Maine Supreme Court and the Judiciary branch of government. I also serve on the Transportation Committee which allows me insight and input into their budget. In January, legislative leaders formed a special Joint Select Committee on Maine's Workforce and Economic Future to address the gap in finding skilled workers for jobs available in Maine. I was privileged to be appointed to this special committee that created meaningful legislation and now serve as its Senate Chair.

I am proud to represent the people of Old Orchard Beach, and your ideas, concerns, and questions are important to me and my work. You can reach me by telephone locally at 205-0077, in Augusta at 287-1515, and by email at senatorvalentino@gmail.com. I always welcome constituents to stop in my office in Saco at 199 Main Street whenever the flag is out.

It is also part of my job to keep you updated on what is happening in Augusta, and I encourage you to sign up for my legislative updates. You can do this online at <http://www.mainesenate.org/meet-your-senators/senator-valentino/>, or by contacting me. I look forward to working with you!

Sincerely,

A handwritten signature in cursive script that reads "Linda".

Linda Valentino
Senator – District 5

Proven Expertise and Integrity

INDEPENDENT AUDITORS' REPORT

September 10, 2013

Town Council
Town of Old Orchard Beach
Old Orchard Beach, Maine

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, business-type activities, each major fund and the aggregate remaining fund information of the Town of Old Orchard Beach, Maine, as of and for the year ended June 30, 2013, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

3 Old Orchard Road, Buxton, Maine 04093
Tel: (800) 300-7708 (207) 929-4606 Fax: (207) 929-4609
www.rhrsmith.com

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, business-type activities, each major fund and the aggregate remaining fund information of the Town of Old Orchard Beach, Maine as of June 30, 2013, and the respective changes in financial position and cash flows, where applicable, thereof for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 4 through 11 and budgetary comparison information on page 44 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Old Orchard Beach, Maine's basic financial statements. The combining and individual non-major fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual non-major fund financial statements are the responsibility of management and were derived from and related directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated September 10 2013, on our consideration of the Town of Old Orchard Beach, Maine's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in considering the Town of Old Orchard Beach, Maine's internal control over financial reporting and compliance.

RHR Smith & Company

HISTORY OF OLD ORCHARD BEACH, MAINE

The earliest records of the Old Orchard Beach area date back to 1653. The first settler, Thomas Rogers, established “Garden by the Sea: in 1657. A few years’ later ten militiamen repelled 150 attacking Indians near the beach, but a relief party of townspeople coming to support the militiamen was killed in an ambush and Roger’s home was burned.

The “old” apple orchard from which the Town took its name, a landmark to sailors for many years, was on high land above the long sand beach. In 1820 Maine, formally part of Massachusetts, became a State by act of Congress. In that same year the first Public House (inn) was opened serving coach travelers and other transients year round. In 1837, E. C. Staples was coaxed into taking summer boarders at his farm for \$1.50 per week. Convinced of Old orchard Beach’s potential as a summer resort, Staples built the first Old orchard Boarding House near the top of today’s Old Orchard Street.

In 1842 brought the first steam railroad from Boston to Portland with a station just two miles west of town. The first restaurants to sell seafood treats and “shore dinners” opened in 1851 near Staples Street. The Grand Trunk Railroad opened in 1853 connecting Montreal to Old orchard Beach, enabling Canadian visitor to flock to the closest beach to Montreal and avoid the long carriage trip.

The Civil War began in 1861 followed by years of growth and building of homes, streets, stores, livery stables, and beachfront hotels. 1873 brought the Boston & Maine Railroad passing right through Old Orchard Beach and stopping on the site of today’s Chamber of Commerce. In that same year a group of Methodists formed the Old orchard Camp ground which in the early 1950’s was purchased by The Salvation Army. Yearly thousands of Salvationists come to Old Orchard for the ten days of camp meetings. The Ocean Park Association also building their temple in 1881 and nationally known speakers were heard every Sunday all summer.

In 1892 electric trolley cars replaced horse cars to Biddeford and Saco. 1898 proved to be an unfortuitous year to complete the first Pier. Built of steel and measuring 1,770 feet long and 20 feet above the tides, their Pier was severely damaged in November of the same year. 1900 brought the first Town Hall and 1902 the first amusement area complete with roller skating, merry-g-round, rides, games and refreshment stands. The Portland to Old orchard Beach Electric Railway opened in 1903 where 14 miles of track were traveled in under one hour for \$.20 cents.

The great fire of 1907 destroyed the entire beachfront as firemen from Portland, Biddeford, and Saco rushed to the beach but struggled to contain the blaze, hampered by low water pressure. Rebuilding began at once, and one project “the standpipe” assured adequate water for all.

March 1909 brought another damaging storm destroying “White City” at the end of the Pier and reducing the pier to 700 feet. An international auto race was held on the beach in 1910 with Dave Lewis winning the 100 mile race. The 1920’s and 1930’s were the Big Band era. All the famous dance bands, Guy Lombardo, Rudy Valle, Duke Ellington, and more visited the Pier Casino each summer and thousands dances over the waves under the revolving crystal ball.

Sparked by Lindbergh’s daring flight, many Trans-Atlantic flights took advantage of Old orchard Beach’s long stretch of wide hard packed sand to attempt their own crossings. The storm of February 1978 almost demolished the Pier and a new pier was immediately planned which opened in June of 1980.

The winter residents of 10,000 welcome over 150,000 during the summer months. Old Orchard is alive with exciting things to do.
