DEDICATION BY THE TOWN COUNCIL

ADELBERT M. JAKEMAN, JR.

Adelbert M. Jakeman, Jr., passed away on May 16, 2019. He graduated from Old Orchard Beach High School in 1947 and Boston University School of Communications in 1957. He also attended Bates College for two years and Northeastern Business College in Portland before serving in the U.S. Navy during the Korean War. His early schooling was in Westfield, Massachusetts, where he resided with his parents from 1930 to 1946. His father was head of the English Department at Westfield High School. He also had a long-time interest in theater organ music from when his paternal grandfather took him to theaters with Wurlitzer pipe organ and served s in Boston. Del had been a member of the American Theatre Organ Society for more than 40 years and served as a movie projectionist at the Temple in Ocean Park.

“Del” married Jillian Suzanne Carle after a short courtship while both were attending schools in Boston. Their identical twin sons, Jeffrey Carle and Jonathan Morrow Jakeman, were born February 19, 1958 and died of muscular dystrophy at ages 20 and 21 in 1978 and 1979. Del served in the U. S. Navy from 1951 to 1954 as a machine accountant, stationed at Ninth Naval Headquarters, Great Lakes, and Illinois. He was later a reporter and copy editor for the former Biddeford Daily Journal from 1957 to 1959, after which he joined his father in the family real estate business, Jakeman Realty, established in Ocean Park in 1946. He became owner of Jakeman Realty in 1972 on the semi-retirement of his father. He retired from brokerage in April 2001 and specialized in summer cottage rentals. He closed the agency, sold the family property and retired in 2004.

Del was Old Orchard Beach’s correspondent for the Portland Newspapers from 1960 to 1965 and awarded a Gold Press Card for excellence in reporting. He was active in the Old Orchard Beach Town Government for several years in the 1960’s serving as Moderator of the Town’s last Town Meeting in 1966, and as a member of the School Building Committee in 1960. He was a member of the Town Council for four years, serving as Chair in 1969. He was active with the Old Orchard Beach Kiwanis Club, serving as local Chapter President twice and Lieutenant Governor of the New England District in 1967. He was Director and Vice President of the Webber Hospital Association, parent corporation of the Southern Maine Medical Center, now Southern Maine Health Care. He was an Advisory Board Member of Key Bank and a former Corporator of the Saco and Biddeford Savings Bank.

He and Mrs. Jakeman donated the ten-acre Jordan Park Marsh on West Grand Avenue to the Ocean Park Association in 1984 as a Wildlife Sanctuary. In 1985 they donated Memorial Park, next to the tennis courts on Temple Avenue to the Association in memory of those who devoted their lives in service to Ocean Park. They donated a third park area along the northern border of Ocean Park in 2002, completing a long-term Conservation Project. A triangular lot next to their long-time home at the north end of Free Street is designated as Jakeman Memorial Park, a property once owned by Benjamin C. Jordan, one of the founders of Ocean Park, and three generations of Jakemans.

Del was president of the Maine Chapter of the Muscular Dystrophy Association on four occasions totaling more than 20 years, a National Corporate Member, and National Vice President for more than ten years. Del authored a book, “Wednesday’s Child”, based on the lives of his sons, published nationally by the Muscular Dystrophy Association. A copy of the original 350 page manuscript is in the Law Library of Catholic University, Washington, D.C. He was co-editor, with his cousin, Gladys Miller, of a biographical history based on the Civil War diary of their ancestor, First Lt. John H. Stevens, of Acton, a member of the Fifth Maine Regiment. He also researched and illustrated the 1881 “Centennial History of Ocean Park,” written by his father. Del is a 12th generation descendant of Alexander Shapleigh on his mother’s side of the family. Shapleigh, of Kingsweare, England, landed at Kittery on his merchant ship “Golden Cat” in 1629, and at one time owned a large portion of York County, including the Town of Shapleigh, which was named for him.

CHAIR REPORT

CHAIR JOSEPH THORNTON

I am honored to serve as Chair of the Town Council and thank each member of Council for your continuing commitment to the residents of our Town. with the enormous support of the Administration and the Town's Department Heads and in conjunction with a proactive Town Council. The Town Council acknowledges with thanks the leadership of the Town Manager and Assistant Town Manager, the support and good work of Department Heads and Town staff, and all those who give of their time and talents as members of the various Town Boards and Committees. We recognize the value of your community service and commitment to the welfare of our residents.

During this past year Council wrestled with the matter of whether to permit adult use marijuana stores or medical marijuana stores in Old Orchard Beach. While there is an urgency by entrepreneurs around the state to open up businesses in desirable commercial locations such as Old Orchard Beach the changes in law remain very recent. Under state law retail marijuana stores are not allowed unless they are specifically permitted through local ordinance. It is not evident just how such retail establishments will fit with existing downtown locations or whether they will be complimentary or detrimental to the economic and social well-being of communities. After consideration at several meetings Council decided to take a wait and see approach in OOB in order to evaluate the experiences from other Maine cities and towns that allow these types of businesses. I expect that this issue will be revisited by future Town Councils.

The Council adopted ordinance changes to limit the use of accessory dwelling units to those circumstances that are related to expanding square footage in order to provide housing opportunities to other family members or friends, what traditionally has been referred to as "in-law" apartments. The change was made because the existing rules were most frequently being used to turn a single-family residence into a two-family residence without having to meet the space and parking requirements for a duplex, or to create opportunities for short-term rentals.

Council approved, after careful review that they met required standards, the acceptance as public roads of streets associated with the Castle Estates subdivision. In light of the numerous projects ongoing in Town we expect to have a number of additional requests for street acceptance in the near future. There are many high-quality subdivisions underway in OOB. This speaks to the desirability of our town as a place to call home and we are happy to welcome new residents.

One of the benefits of serving as Town Councilor is to be able to help our residents in big and small ways. This year Council passed a small ordinance change to recognize the contributions of our veterans of military service by allowing them to park without charge at any municipal parking lot or metered street location on federal holidays; Memorial Day, July 4th and Labor Day. We thank each veteran for their service. Council also adopted a new property tax relief program for residents 70 years of age or older who have made OOB their home for at least 10 years and whose incomes are not keeping pace with increased housing costs.

Each of us on the Town Council invite any resident or property owner to contact us with your suggestions and comments. I thank you for this opportunity to serve our Town.

Louise Reid, Public Works Director Joe Cooper; Missing – Town Clerk Kim McLaughlin

MANAGER'S REPORT

Larry S. Mead

The Town began the year in strong financial condition reflecting prudent fiscal policy and management, sufficient fund balance and a low level of debt. At year end the Town's financial health was stronger still, thanks to continued growth in both residential and commercial property valuation, and robust non-property tax revenues, including vehicle excise taxes, parking fees, and building permits.

The Town is working cooperatively with the Maine Department of Environmental Protection on development of a plan for investment in the Waste Water facility and sewer collection system. The Town obtained a DEP planning grant to produce a fiscal sustainability plan to identify needed infrastructure improvements, sustainable management and maintenance practices, and ongoing financial investment. The Town Council has indicated that it will in 2020 seek voter approval of a bond for major upgrades to the treatment facility so that the plant can safely and responsibly support existing residential and commercial infrastructure, and allow for future growth and investment. This past year the Council appropriated funds from the sewer reserve fund to put in place new controls for the mitigation of odor. This has provided welcome relief to residents of the abutting neighborhood.

The Town Council is directing capital investment to infrastructure needs in the Washington Avenue area with the goal of promoting neighborhood revitalization. This past year the Public Works Department oversaw a project on Fort Hill Street, Evergreen Avenue, and some adjacent streets to replace worn and outdated sewer and storm-water lines, as well as street and sidewalk improvements. In this same neighborhood the Town received final approval for a \$1 Million federal Community Development Block Grant to replace public infrastructure on Fern and W. Old Orchard Avenues, to be matched by Town and Maine Water local funding. Additional efforts at neighborhood revitalization are underway by the Community Friendly Connection, working together with neighborhood residents to make a difference, including block parties, grant writing, assisting local business owners, and taking steps to make the basketball court at Atlantic Avenue a real neighborhood resource.

My heartfelt appreciation goes out to the members of the Town Council, the Assistant Town Manager, Department Heads, Town staff, and the many wonderful volunteers who serve our boards and commissions for all that you do for our great community. Thank you!

Respectfully,
Larry Mead, Town Manager

ASSISTANT TOWN MANAGER'S REPORT

V. Louise Reid

We have completed our first two years of the Old Orchard Beach Community Friendly Connections (OOB CFC), having been formed in November, 2017 as a volunteer-led community-based organization under sponsorship of the Town of Old Orchard Beach, Maine, which oversees management of funds and collaborates closely with all of our activities. Our core group of 30+ members and our 20+ community partners collaborate with the Town Council, municipal leadership, and community members in serving our mission: to enhance a vibrant, all-inclusive community; providing a great place to work, play, and do business.

We were designated an AARP World Health Organization Age-Friendly Community in 2017, and focus our efforts on all ages, birth to 100+, because we believe all ages share the same wants, needs, and desires. We are committed to being an instrument of positive change and utilize our efforts both in strategy and administration of programs to enhance the good life for the community as a whole.

I am so appreciative of the support of the Town Administration, the Town Council, the residents and volunteers of our community, and for the superb leadership of Pat Brown, Helene Whittaker and Holly Korda.

OOB Community Friendly Connection is currently engaged in a community revitalization project in the Atlantic Courts Park Neighborhood, formerly known as The Salvation Army "Campground Neighborhood." At the heart of this effort is the resurfacing and expansion of the old Basketball Court to a handicapped accessible Park for all ages; and renovation of a central block now called the "Triangle of Hope" in which two new property owners have committed to join with CFC and local residents in achieving the neighborhood's improvement goals. Building on initial funding from AARP and the Maine Red Claws, CFC has obtained commitments from the Town of Old Orchard Beach, Rotary, VFW, Boy Scouts, and residents to move this initiative forward.

I express my thanks to the Town Manager, Larry Mead; the Town Council; the employees of the municipality; and the residents and visitors to our community for the support and encouragement that I receive daily in my responsibilities.

It is a great privilege for me to serve in my position as Assistant Town Manager in a community that encourages the enhancement of our community and its residents. It has been said, "We don't have the power to make rainbows or waterfalls, sunsets or roses, but we do have the power to encourage and support people with our words and smiles and that we carry within us the power to make the world better."

COMMUNITY FRIENDLY CONNECTION (CFC)

"Age-friendly or livable communities have walkable streets, housing and transportation options, access to key services and opportunities for residents to participate in community activities. The AARP Network of Age-Friendly Communities which OOB is now on the list, encourages states, cities, towns and counties to prepare for the rapid aging of the U.S. population by paying increased attention to the environmental, economic and social factors that influence the health and well-being of older adults. By doing so, these communities are better equipped to become great places, and even lifelong homes, for people of all ages."

It's important to recognize that the CFC Core and Support groups are comprised of Town Administration and employees in all branches of Town Government.

The wonderful groups of Volunteers are residents involved with SMAA, Habitat for Humanity, AARP and other helpful organizations who are training our volunteers to reach out and help, when help is needed.

VOLUNTEER

The Core, Support and Volunteer Groups are doing their work with the many wonderful opportunities to help our Seniors as well as the young ones in our community. They believe anything is possible when we all work together.

CONNECT

The CFC is dedicated to connecting groups with similar programs to form alliances to help and support each other. These connections enable programs to flourish and develop relationships that last a life time.

SUPPORT

The support from Town Council, Town Administrators and employees in all branches of Town government and the wonderfully supportive businesses and amazing residents of this Town is what makes CFC so unique.

TOWN OF OLD ORCHARD BEACH TOWN OFFICIALS

2019 Current Listing

Town Manager	Larry S. Mead

Mark Lindquist
Francis Manduca
Kim Schwickrath
Cristian Koenigs, Alternate

Finance Committee

Warren “Todd” Bassett, Chair
William Berry
James Duclos
Patricia Griffin

Planning Board

Linda Mailhot, Chair
Gary Gannon
Marc Guimont
Winthrop Winch
Robin Dube, Alternate
Mark Koenigs, Alternate
David Walker, Alternate

Zoning Board of Appeals

Ray Deleo, Chair
Mark Lindquist
Mikaela Nadeau
Ronald Regis
Thomas Mourmouras

HUMAN RESOURCES

2019 Annual Report

Fran Beaulieu, Human Resource Manager

Mission Statement

“The Human Resources Department will attract and retain qualified, productive, motivated and dedicated employees who will provide efficient and effective services to the citizens. The Town recognizes that the Town's employees are a considerable resource that requires investment to ensure that we have the talents and skills needed to meet the needs of the Town.”

Scope

The Town employs 89 full time employees and a varying number of part-time and seasonal employees, ranging from 50 to 190, across 12 departments. Each department has a unique mission and unique functions, processes, and legal and organizational requirements, but all share a unifying overall goal of quality service delivery to Old Orchard Beach citizens. Our employees represent a cross section of the greater community, and we believe that our employees are the Town's greatest asset.

This was a busy year with hiring over 100 seasonal staff (consisting of new and returning: Police Reserve Officers, Parking Enforcement Officers, Lifeguards, EMTs, Recreation Counselors, Beach Cleaners, Public Works Laborers and Election Workers). Seven full time new hires: Fred LaMontagne, Fire Chief; Lisa Scruton-Wilson, PW Administrations Operation Manager; James Michie, PW Equipment Operator 1; Anthony Musto, PW Equipment Operator 1; Jennifer Melnik, Planning/Code Admin Asst; Michael Foster, Asst Planner; & Jodie Kimball Anderson, AP/Payroll Clerk. We promoted six employees: Charlene Surprenant, Finance Department; Shane Enger, Fire Department; Louis Ladakakos, Public Works, & Angelo Sellitto, Liam Mellaly and Sokthearrith Dong, Police Department.

The Police Department's Cpl. Robbins created a recruitment video for our Summer Reserve program. The video has received great reviews and helped to fill all of our openings and to create a waiting list for the program!

Responsibilities

- Employee Recruitment
- Employee Relations
- Development & Implementation of Personnel Policies
- Compensation
- Contract Negotiations
- Risk Management
- Training
- Terminations
- Retirements
- Employee Benefits
- Internal Administration of Worker's Compensation

The Town employees include a non-unionized workforce that make up our senior management staff, administrative personnel, and part-time/seasonal staff that is governed by our Personnel Policy. The balance of the full time workforce is unionized and is governed by their respective collective bargaining agreements.

Five Separate Bargaining Units Represent Union Employees

Maine Association of Police	Police Command & Patrol Employees
International Association of Firefighters	Firefighters/EMTs/Paramedic Employees
American Federation of States, County, & Municipal Employees	Public Work's Employees
Old Orchard Beach Wastewater Association	Wastewater Treatment Plant Employees
Teamsters Local 340	Town Hall Administrative Support Staff & 2 Custodians

Federal & State Mandates

Many Federal and State laws affect the work of the Human Resources department, such as but not limited to, the Maine and Federal Family Medical Leave Acts, the Fair Labor Standards Act, the Americans with Disabilities Act, the State Workers Compensation laws, and multiple state laws covered in Title 26 of the Maine Revised Statutes. The Town is an Equal Opportunity Employer. Job opportunities are listed on the Town's website, Jobs in Maine, Indeed.com, Town OOB page on Facebook and the Maine Municipal Association website.

TOWN CLERK

To the Citizens of Old Orchard Beach:

I am truly honored to provide you with information about the activities of the Town Clerk's Office.

The Office of the Town Clerk is responsible for all the records of the town, including all birth, death and marriage records, issuance of marriage licenses, all meeting minutes from the Town Council, as well as all boards appointed by the Town Council. This Office is also responsible for Elections, hunting and fishing licenses, horse permits, as well as dog licenses, and parking permits.

The breakdown of licenses issued are as follows:

Dog Licenses	Parking Permits	Hunting/Fishing Licenses	Non-resident Hunting & Fishing Licenses
1,326	440	242	7

This year the Town Clerk's Office recorded 41 births, 120 deaths and 131 marriages.

The hardest part to share is where I have to report that we have lost residents that contributed so greatly to our community. Herbert Cushing was a ballot clerk in 1986; Richard Descoteaux Sr. worked for our school department for many years, including his position of Finance Director for the schools; John O'Neil was on the Zoning Board of Appeals, as Chair in 1996, a Town Councilor from 1966-68, on the Auditorium Committee in 1972, the CDBG Committee in 1977, and on the Committee to Determine Alternative Sources of Revenue other than Real Estate Taxes, in 1977; Mary Darling was a ballot clerk in the early 2000's; Robert Pettengill Sr. was on the Memorial Park Committee from 1998 to 2007; Robert Couri was a lifeguard during his teenage years, was on the Street and Sidewalk Committee in 1976, and the Dune Management Committee during his time on the Planning Board from 1987-1990; Adelbert Jakeman Jr. was on the New School Building Committee in 1960, and Moderator of the Town's last Town Meeting in 1966, as well as being on the Town Council for four years, becoming Chair in 1969; and Arthur MacDonald, who was on the Planning Board from 1996 to 2003.

RECORDED DEATHS

<u>DATE OF DEATH</u>	<u>JULY 1, 2018 TO JUNE 30, 2019</u>	<u>AGE</u>	<u>PLACE OF DEATH</u>

June 19	Madeleine R. Davis	93	Scarborough
June 19	Roland W. Haight	78	Portland
June 21	Breta G. Mazzaro	76	Scarborough

Each year, I find the hardest part of my job is to report on the passing of our residents. So many people have done so much for this community.

This year we had two elections. The first was November 6th, 2018, a State Referendum and General Election, as well as a Municipal Election, in which 4,770 voters participated. Voters re-elected Kenneth Blow, Shawn O'Neill and Michael Tousignant to the Town Council, re-elected David Boudreau and elected Michelle Violette to the RSU #23 Board of Directors, and re-elected Kim McLaughlin as Town Clerk. Voters also voted in favor of a Waste Water Administrative Building, 2513/1436. The next election was on June 11th, 2019, with 529 voters participating in the RSU #23 Budget Validation Referendum, passing the RSU #23 budget (298/230—one blank). Voters also voted 379/143—seven blanks, to continue the budget validation referendum process for an additional three years.

I continue to praise Deputy Town Clerks Jeffrey Thompson and Charlene LoPresti. They are great assets to the Town Clerk's Office, and to this community.

If you would like to be on an e-mail distribution list for all Town Council agendas, as well as any and all of our other committee agendas, please subscribe through the website at www.oobmaine.com.

Thank you to all the citizens of Old Orchard Beach for electing me as Town Clerk, and I will continue to work hard and remain a friendly and useful source of information.

Warmest Regards,

Kim M. McLaughlin, Town Clerk

TOWN ASSESSOR

Report of the Assessor for FY'19:		
<u>April 1, 2018</u>		
Taxable Real Estate	\$	1,700,311,000
Taxable Personal Property		34,164,500
Homestead Exemption		37,434,100
Tax Exempt Property		58,331,600
Total Commitment to Tax Collector	\$	26,537,476.38
The Tax Rate for Fiscal Year 2019		.01530

The real estate market for Southern Maine properties, particularly for seacoast communities such as Old Orchard Beach, continued to see appreciation in most areas on or near the ocean. The property assessments are well within the State of Maine standards when compared to the qualified sales. In FY'19, the assessing office's annual review of several hundred permits resulted in approximately \$23,527,700 of new growth. The tax mill rate decreased by \$.40 to \$15.30. This means that the tax rate is 1.53% of a property's assessment. It is interesting to note that 10.36% or \$1.59 of the \$15.30 mill rate is designated for operations of the wastewater department. In many cities and towns, this is a separate bill for homeowners, who are connected to the town wastewater system. The median assessment ratio (assessment ratio = assessment value divided by the sales price) is approximately 93% which means properties are now being assessed on average at about 93% of their fair market value. The assessment ratio was falling indicating a continued rise in the more desirable locations of the local real estate market. Market adjustments were made to reflect this rising trend. The overall assessment to sales ratio still remains below the fair market value, as of April 1, 2018.

Our focus has always been to provide the taxpayers/public with all the information necessary to make the best decisions on whatever situations are at hand. Transparency is the key. One of the challenges for assessing continues to be how we can better inform the taxpayers so they have a more complete understanding of the importance of the assessing office in maintaining a stable, fair, and equitable taxation base.

Our goal will continue to be to provide an equitable and accountable real estate based assessment program that is fairly administered as outlined in the State Statutes governing property assessment. The assessment ratios will also continue to be in compliance with the standards for quality assessment as outlined by the International Association of Assessing Officers.

There are programs, such as the Homestead Exemption and Veteran Exemption, available to those residents who qualify, to help alleviate some of the tax responsibility. They are outlined on the Town's website and are also available at our office in the Town Hall. These forms are due in the Assessor's Office by April 1st in order to be applied to the next fiscal year.

George Greene – Assessor,
Bill DiDonato - Deputy Assessor
Pam Given - Administrative Assistant

Respectfully submitted,

George Greene, CMA
Old Orchard Beach Assessor

REPORT OF THE TOWN PLANNER

As your Town Planners, our primary responsibility is to coordinate growth and development in Old Orchard Beach through the administration of local, state and federal laws, regulations, and ordinances. Some of our duties include responding to requests for assistance on land use development questions, reviewing development proposals and plans, production and implementation of the comprehensive plan, development and amendment of all local ordinances, economic development, oversight of code enforcement office activity, staff advisor for the Planning Board, Design Review Committee, Comprehensive Plan Committee, Development Review Committee, Enforcement Committee, and Museum in the Streets Committee.

Fiscal Year 19 (7/1/18 – 6/30/19) Highlights

- ❖ Planning Board agendas regularly had the maximum number of 10 items every month. Staff's monthly planning board meeting memos are typically 30+ pages in length each month. Very busy fiscal year for the Board
- ❖ Proposal are becoming more complicated as land availability reduces and more people are interested in redeveloping existing property.
- ❖ Significant interest and development activity associated with existing subdivision that have remained quiet since the 2000's
- ❖ Increase in the Amount of Active Construction Sites required to be inspected per the MS4 Program
- ❖ Significant amount of work on floodplain matter's including preparation for the new floodplain maps and a 5 year audit from the floodplain insurance services industry which is used to determine the Town's effectiveness in regulating floodplain and directly relates to reductions in flood insurance policy costs. Happy to report preliminary feedback shows we earned policy holder's a 15% reduction
- ❖ Hired Michael Foster as our new Assistant Planner
- ❖ Associate Planner Megan McLaughlin left us continued her planning career in Auburn, Me.

The Planning and Codes Department is a key contact point for all development inquiries and economic development matters. The Department routinely answers citizen questions whether planning related or not. For planning, land development, ordinance development, comprehensive planning, economic development, and other town-related information please call Jeffrey Hinderliter (207) 934-5714 ext. 1517, email jhinderliter@oobmaine.com or Michael Foster (207) 937-5636, email mfoster@oobmaine.com or stop by our office at town Hall.

Planning Board:

The Planning Board is a 5 regular and 2 alternate member volunteer board appointed by the Town Council. The Planning Board responsibilities include, but are not limited to, the review of subdivisions under State Subdivision law and Old Orchard Beach Subdivision Ordinance, Site Plan Review, Conditional Use applications, Shoreland Zoning permits, and consideration of zoning and ordinance changes.

Below is a comparison of Planning Board activity over the last five years:
July 1, 2013 – June 30, 2014 (FY14) through July 1, 2018 – June 30, 2019 (FY19):

FY14

*Subdivisions: 12; *Site Plan: 11; *Conditional Use: 10; *Ordinance Work: 3; *Design Certificates: 4; *Lots/Units Added (Including Lodging & Campsites): 96; *Nonresidential Sq. Ft. Added: 35,340

FY15

*Subdivisions: 13; *Site Plan: 8; *Conditional Use: 14; *Ordinance Work: 3; *Design Certificates: 13; *Lots/Units Added (Including Lodging & Campsites): 116; *Nonresidential Sq. Ft. Added: 23,905

FY16

*Subdivisions: 7; *Site Plan: 5; *Conditional Use: 13; *Ordinance Work: 3; *Design Certificates: 10; *Lots/Units Added (Including Lodging & Campsites): 105; *Nonresidential Sq. Ft. Added: 18,950

FY17

*Subdivisions: 10; *Site Plan: 5; *Conditional Use: 6; *Ordinance Work: 9; *Design Certificates: 5; *Lots/Units Added (Including Lodging & Campsites): 52; *Nonresidential Sq. Ft. Added: 20,805

FY18

*Subdivisions: 10; *Site Plan: 7; *Conditional Use: 9; *Ordinance Work: 7; *Design Certificates: 4; *Lots/Units Added (Including Lodging & Campsites): 41; *Nonresidential Sq. Ft. Added: 22,025

FY19

*Subdivisions: 7; *Site Plan: 9; *Conditional Use: 13; *Ordinance Work: 8; *Design Certificates: 14; *Lots/Units Added (Including Lodging & Campsites): 23; *Nonresidential Sq. Ft. Approved: 29,125

Below is a summary of Site Plan Review, Subdivision, Conditional Use Applications, and Zoning amendments considered by the Planning Board during FY19:

Subdivisions –

- ❖ 10 lot single-family subdivision (Red Oak)
- ❖ 2 duplex dwellings (Saco Ave)
- ❖ Amend Settler's Ridge infrastructure and site work related items
- ❖ 2 duplex dwellings (Smithwheel)
- ❖ 5 unit condo building (Union)
- ❖ Amend property line (Easter Trail Estates)
- ❖ 22 residential lot and 32 unit condo building (discuss, Red Oak)

Site Plan –

- ❖ Building rehab, add two units and office (East Grand)
- ❖ Salvation Army, 12,000 +/- Sq. Ft. Expansion of Existing Corps and Admin Building, Parking Lot Construction, Relocation of Church Street, Park Construction, Building Demo, Landscaping and Site Work approval renewal
- ❖ 40 x 60 maintenance building (Ross Rd)
- ❖ 40 x 80 garden center (Cascade Rd)
- ❖ Wild Acres Campground expansion (Saco Ave)
- ❖ Second floor addition to retail building (East Grand Ave)
- ❖ 7,225 sq. ft. retail building (Heath St)

- ❖ 20 x 50 hotel expansion (West Grand Ave)
- ❖ Install solar panels on chamber of commerce roof (11 1st St)

Conditional Use –

- ❖ Shoreland zoning nonconforming structure expansion (Colby Ave)
- ❖ Accessory Dwelling Unit (Dolphin Ave)
- ❖ OOB Skate Park Phase II (OOB Ballpark)
- ❖ Accessory Dwelling Unit (Pond View)
- ❖ Wild Acres Campground campsite expansion (Saco Ave)
- ❖ Accessory Dwelling Unit (Portland Ave)
- ❖ Home Occupation (Portland Ave)
- ❖ Accessory Dwelling Unit (Winona Ave)
- ❖ Accessory Dwelling Unit (Arbutus Ave)
- ❖ Accessory Dwelling Unit (Garden St)
- ❖ Shoreland zoning nonconforming structure expansion (Winona Ave)
- ❖ Accessory Dwelling Unit (Portland Ave)
- ❖ Small Cell Antenna on utility pole (1st Ave/Depot St)
- ❖ Accessory Dwelling Unit (8 Kylie Ln)

Ordinance Work –

- ❖ Medical Marijuana Caregiver Facility
- ❖ Planning Board Policy
- ❖ Multifamily dwellings on sidewalk level in the NC3 District
- ❖ Accessory Dwelling Unit Ordinance
- ❖ Saco Avenue Overlay Ordinance
- ❖ Temple Avenue Overlay Ordinance
- ❖ Loading/unloading in the GB1 District
- ❖ R4/GB1 zoning district boundary change- zoning map and ordinance

The Planning Board members keep a very busy schedule throughout the year and commit a lot of voluntary time. Often they are tasked with very difficult decisions. We really appreciate their efforts. The Planning Board members are Chair Linda Mailhot, Vice Chair Win Winch, Robin Dube, Marianne Hubert, David Walker and alternates Christopher Hitchcock and Mark Koenigs. We thank former members Marc Guimont and Gary Gannon for their service.

Design Review Committee

The Design Review Committee (DRC) is responsible for conserving the cultural architectural heritage of our Town, providing technical design assistance to property owners, and promoting quality architectural design and historically sensitive building renovation as a means of sustaining economic vitality and stable property values. The DRC is responsible for reviewing and providing recommendations on exterior building/structure and property modifications, alterations, additions, new construction, and demolition within specific locations of Town.

Design Review proposals FY14-FY19. FY14 Proposals: 19; FY15 Proposals: 14; FY16 Proposals: 11; FY17 Proposals: 5. FY18 Proposals: 4; FY19: 14.

Like the other board and committee's we work with, the DRC works hard to improve the Town and we are very thankful to have such committed volunteers. The DRC members include Chair Don Comoletti, Kim Schwickrath, Ray Deleo, Frank Manduca and Alternate Cristian Koenigs. The DRC meets on the first Monday of each month, 6:00PM in the Council Chambers. Longtime member Mark Lindquist retired from the Committee this FY- we thank him for his service.

Comprehensive Plan Committee

A Comprehensive Plan is the adopted official binding document for future development and conservation. The plan sets forth goals; analyzes existing conditions and trends; describes and illustrates a vision for the physical, social and economic characteristics of Old Orchard Beach in the years ahead; and outlines policies and guidelines intended to implement that vision.

Comprehensive plans address a broad range of interrelated topics in a unified way. The planning process provides a chance to look broadly at programs including housing, economic development, public infrastructure and services, natural resources, demographics, local history, recreation, and land use and how they relate to each other. One of the most important functions of a comprehensive plan is to provide valuable guidance to those in the public and private sector as decisions are made affecting the future quality of life of current and future residents, business owners and visitors and the natural and built environment in which they live, work, shop, recreate and enjoy.

A comprehensive plan serves as a guide for how a town will grow. The Old Orchard Beach Comprehensive Plan Committee looks forward to the future and thinks about what kind of growth is appropriate, where it should take place, what special assets need protection – in short, what kind of a Town and way of life Old Orchard Beach citizens, business and visitors want for the years to come. A plan is essential if the Town is to encourage growth in constructive ways.

Some progress was made on the Future Land Use Plan and overall plan organization during FY19. Other pressing staff work and responsibilities prevented us from having the focused efforts needed to complete the plan. It is staff's intent to have the full draft complete by the end of FY20

Committee members include Chair Lou Valentine, Win Winch, Jason Webber, Jean Leclerc and Tom Mourmouras. Three non-members, Helene Whittaker, Pat Brown and Marc Guimont, have been very helpful throughout the process.

Respectively Submitted,
Jeffrey Hinderliter, *Town Planner*
&
Michael Foster, *Assistant Planner*

HEALTH OFFICER

ANNUAL REPORT JULY 1, 2018 TO JUNE 30, 2019

Health issues today include being careful to avoid being bitten by a tick. Female deer ticks can carry Lyme disease, Anaplasmosis, Babesiosis, and Powassan Encephalitis, which can be very serious. Diligently using personal repellants, or essential oils such as eucalyptus, or peppermint oil, as well as other oils have proven to be effective.

Tall grass and dead leaves enable ticks to hide and thrive. Keeping grass mowed is very helpful to keep their population low.

Brown tail moth continues to be a problem here on the coast. Although the hairs are difficult to see, they can cause severe rashes to people who come in contact with them. Any webs on trees and shrubs should be removed, placed in a plastic bag and disposed of in the trash or burned. Do not dispose in the woods. Web worms are not as bothersome to humans, but they can defoliate and kill trees and shrubs.

Mold is another issue that continues to be a problem to those of us who live in New England. When mold appears, the cause must be found and eliminated, and the area cleaned with a good detergent. Most mold is not harmful to most individuals, unless they have an allergy to mold.

Several cases of rabies here in Southern Maine have been reported in the state, and in this county. Wildlife biologists strongly urge the public not to feed, touch, or allow any wildlife in their home. If a wild animal appears to be ill, report it to the Dept. of Inland Fisheries and Game. The local animal control officer does not address wildlife.

There have been several of bedbugs. They can be found in beds, under furniture, and behind frames, and furniture. Although they do not normally carry disease, they are a nuisance. They do not necessarily indicate sanitary problems. They can travel on clothes and luggage. Additionally, they can stay hidden for several weeks before looking for another meal. It is advisable to check luggage when returning from a trip to assure they have not tagged along for a “free ride”.

We are always willing to help those in need. Please contact the Town Hall for concerns regarding public health and safety to be referred to the appropriate department.

Thank you again for allowing me to serve as your Local Health Officer.

Respectfully Submitted,

Anita L. Anderson
Local Health Officer

OLD ORCHARD BEACH FIRE DEPARTMENT- Chief Fred LaMontagne

As I write this report I have been Chief of the Old Orchard Beach Fire Department for a very short time. However, I am able to offer that I am very impressed with the professionalism, dedication and service level of the men and women of the Old Orchard Beach Fire Department.

Drawing from our response data the Old Orchard Beach Fire Department responded to 2325 calls in FY2019. Of these calls; Emergency Medical Responses accounted for approximately 72% (1665) of our calls for service. The remaining 28% (657) were fire related calls. This is a 4.3% (96) increase in calls for service for FY2019.

FY 2019 was also a year of transition for the leadership of the Old Orchard Beach Fire Department. With the departure of the Deputy Fire Chief in December and the Fire Chief in April of 2019 the department was left with an operational and administrative void. We were fortunate that we have a strong core of leaders within the department and everyone stepped into expanded roles to keep operations at the ready.

In late April of 2019 Sherman Lahaie was appointed Fire Chief and shortly after Captain Brett Jones assumed the role of Interim Deputy Chief. The Chiefs, in conjunction with the officers and fire fighters took the necessary steps to prepare the department for the upcoming summer season. Preparatory trainings, plan reviews and permit inspection, coupled with the management of the budget may have been an overwhelming task to some, but for Chief Lahaie and Deputy Chief Jones, it was an easy task. One would think that they had been in their roles for many years. For that we owe them a debt of gratitude.

In late June of 2019 I assumed the role of Fire Chief and Rob Slaving, was selected to be the Deputy Fire Chief starting in July. As I assumed command of the department I can tell you that the efforts of the leadership team, coupled with the can-do attitude of the members of the Old Orchard Beach Fire Department, were evident in every facet of the operation.

I need to recognize the outstanding effort of our firefighters, career and call force; per-diem fire fighters and fire police officers; who continue to serve the residents of Old Orchard on a daily basis. I also wish to acknowledge my Administrative Assistant Terry Nagle. Without her guidance on the nuances and histories that impact our operation I would not have been able to navigate the many facets of our administrative operation with such clarity.

In closing, I want to thank the citizens and councilors for their support of our operations. I can assure we do our very best to meet your needs and strive to be the good stewards of the equipment that you entrust to us.

Respectfully Submitted,

Fred LaMontagne, Fire Chief

OLD ORCHARD BEACH SURF RESCUE

136 Saco Avenue
Old Orchard Beach, Maine 04064

KEITH M. WILLETT
Lifeguard Captain
Tel. (207) 934-7790

The 2019 summer was the summer of the fish. On a beautiful weekend in late July, Old Orchard Beach became the destination for thousands of deceased fish. It was a Saturday with clear skies and warm temps, beach goers had the perfect beach day. Until suddenly there were thousands of fish floating in from as far as the eye could see. Many beach goers scrambled to see what was going on but quickly retreated and tried to find a way to shield themselves from the stench of these fish. After a long investigation it was determined that the cause was a fishing vessel off shore that had released these fish after meeting their limit. It was two days of cleaning and Mother Nature doing her thing before the beach was back to normal.

The season was straining on this year's surf rescue staff. The number of guards was down due to the lack of applicants. There were four guard towers removed from the beach because they could not be staffed. Also, as a result of these low numbers, the guards on staff had to make up the difference working overtime and covering larger areas of the beach. During the summer months the surf rescue staff responded to 49 emergency calls up and down the beach. The staff pulled 11 distressed swimmers from the surf. The team also assisted multiple kayakers, paddle boarders and inflatable's back to shore after being blown out to sea by high winds. Guards responded to 21 medical emergencies with the members of the fire department and assisted the police 11 times with unruly subjects. They were also able to reunite 46 lost children with their parents and/or guardians. Even with the smaller than desired staff and the high level of calls, OOB guards also assisted the surrounding cities and towns with 4 lost children, the rescue of a lost paddle boarder off Stratton Island, and a sailboat that had run aground.

In August, the Old Orchard Beach surf rescue staff started preparing for the arrival of the Ironman event, which has become one of the top two events on the Ironman circuit. We saw many competitors arriving a week in advanced in order to prepare for the triathlon and take in all that Old Orchard has to offer. The Ironman brought 2,800 competitors and their families to the beach, on what would normally be a slow week in late August. Given the increased number of competitors, we had to reach out to the neighboring beaches for some help. We successfully found 55 lifeguards for the morning of the event. Guards came from Biddeford, Saco, Scarborough and the YMCA to help us out. On the day of the actual event surf rescue staff arrived at 4:30 A.M. and watched a beautiful sunrise from the beach as they prepared for the start of the race. The swim leg went very well with guards only having to assist 8 athletes from the water, many of them kicked by other competitors as they swam side by side. One of Old Orchard Beach's own raced this year and was able to place first in his age group. Bruce Butterworth from the Surf Rescue staff took first place in his age group and showed many of the young competitors how it is done.

The sun has long set on the summer of 2019 in Old Orchard Beach the Surf Rescue would like to thank you all for another great season.

Surf Rescue Captain
Keith Willett

POLICE DEPARTMENT- Chief Dana Kelley

On behalf of the men and women of the Old Orchard Beach Police Department, it is my pleasure to submit this 2018-2019 annual report.

The department is comprised of 22 sworn officers, 1 court officer, 1 administrative assistant, 1 clerk, and one maintenance/custodian. The department also employs 30 seasonal reserve officers and 12 seasonal parking enforcement officers. From July 1st of 2018 to July 1st of 2019, the department responded to 18,000 calls for service. A call for service is defined as a request for service that requires an officer's response as well as officer initiated events such as traffic stops, investigations, property checks, etc.

Several officers resigned this year to pursue other opportunities, Officer Christopher St. Pierre, Cpl. Brady Coulombe, Officer Michael Mizzoni, and Officer Shannon Coffey. I appreciate their years of service to the Town of Old Orchard Beach and wish them all well in their new endeavors. Several new Officers were hired this year to replace those that left, Officer Angelo Sellitto, Officer Liam Mellaly, and Officer Sokthearith Dong. Officer Sellitto is currently attending the Maine Criminal Justice Academy and will graduate in November 2019. Officer Mellaly and Officer Dong will both be attending the Academy in 2019.

Officer Wade Beattie has been assigned as the department's new K-9 officer. Officer Beattie and his new partner Tito, a Malinois, recently obtained Law Enforcement Dogs of Maine certification through the USPCA and are currently working a 6:00 p.m. to 2:00 a.m. patrol shift.

Officer Jamie Ladakakos-Regan was recently promoted to the rank of Corporal and has been assigned to the 12:00 a.m. to 8:00 a.m. shift as a patrol Supervisor.

Corporal Jeff Regan recently returned to the department from a three year assignment to the Maine Drug Enforcement Agency. Corporal Regan has been assigned as the Supervisor of the Detective Division.

This year, for the first time in many, the department was able to hire a full complement of Reserve Officers (30) to help supplement the department during the busy summer months. It has been a challenge over the last several years to attract qualified candidates to fill these positions. This year we increased our recruiting efforts throughout New England and with the help of Corporal Joshua Robbins developed a new recruitment video that, according to the applicants, was a significant part of the reason that they chose to apply to Old Orchard Beach over other communities. I also want to acknowledge the Town Manager and the Town Council for recognizing the need to improve on wages and benefits for our Reserve Officers. With their authorization, we have been able to offer a small signing bonus the last couple of years and that, along with an increase in the hourly pay rate, has made a difference in our ability to attract and hire good quality officers. Captain Elise Chard, with support from Captain David Hemingway, is responsible for our Reserve program. Captain Chard along with all of our personnel that participate in our recruiting efforts and help in training our officers, work extremely hard to prepare each Reserve Officer for the challenges they will face as a summer Reserve Officer in Old Orchard Beach. It is a process that begins in December and consumes

an enormous amount of time until the season ends in October. I am very proud of our Reserve Officer program and everyone that makes it happen and cannot thank them enough.

In closing, I would like to acknowledge Fire/Police, our Volunteers in Police Services group, and as always, the Community Watch Council. We are very fortunate to have these dedicated and committed groups of people who give of themselves to help keep all of us safe. I would also like to acknowledge the Town Council for supporting our department by recognizing the need to provide adequate funding that provides the tools, training, and resources needed to carry out our mission of keeping our community safe. I also want to thank the Town Manager, Larry Mead, for his guidance throughout the year and his support for our annual budget needs.

Last but not least, I would like to thank the men and women of the Old Orchard Beach Police Department. Their continued dedication and commitment to providing Police Services to this community is second to none. Their hard work and service are an example to all and illustrate why this department and our profession is most honorable. Court and Records Officer Patricia Coreau, Administrative Assistant Kathy Smith and Clerk Ginne Hebert are part of the team that supports our sworn personnel and are an invaluable asset that sorts through mountains of paper work that is generated on a daily basis. Their efforts do not go unnoticed and is sincerely appreciated.

OLD ORCHARD BEACH ANIMAL CONTROL

The Old Orchard Beach Community Animal Watch (CAW) Mission Statement says it all:

“The mission for the Old Orchard Beach Community Animal Watch Committee is to create an environment in Old Orchard Beach that will establish humane practices for protecting the health and welfare of abandoned, homeless, and domesticated animals within the Town.”

Old Orchard Beach Animal Control is continuing its mission to ensure the health and welfare of all animals within the town. This year the ACO and the Police Department answered more than 600 calls for service involving both wild and domestic animals.

There has been an increase in wild animals testing positive for rabies in Southern Maine over the past year. Please remember to keep your property clear of trash and debris that can act as shelter and food for wild animals. This is one of the simplest ways to help prevent adverse human / wildlife interactions.

Dog owners are reminded that while there is no specific leash law in Old Orchard Beach, that they are responsible for their dog's actions. The number of nesting pairs of Piping Plovers on the beach has continued to increase. These birds are federally protected and frequently nest along the beach in Old Orchard. The owner of a dog that injures or kills a Piping Plover is subject to stiff fines and receiving a summons to federal court. There were also several incidents of dog bites involving domestic animals and people. As with past years, most of these incidents could have prevented, if the dog owners had kept their dogs on a leash.

We would also like to remind dog owners that all dog licenses expire on January 1st of each year, so please remember to license your dog. Dog licensing helps to support Maine's animal welfare programs including the “Fix ME” lost cost spay and neuter program. In addition licensed dogs are much more likely to be returned to their owners if they get loose. So please remember to place your dog's license on their collar, so that they can “Jingle all the way Home”.

COMMUNITY ANIMAL WATCH COMMITTEE

"The greatness of a nation and its moral progress can be judged by the way its animals are treated."
— Mahatma Gandhi. We have learned that until one has love of an animal, a part of one's soul remains unawakened."

This year we have helped multiple cats and dogs with medical issues. Beverly Russell has been a blessing listing lost pets. We have several residents feeding feral cats. We were able to help pay for five year old "Oliver's" (a large dog breed) second surgery this year which cost was approximately \$1,800. He had a torn Achilles tendon in both front legs, causing him pain when he walked and eventually would cause arthritis to hamper his mobility. We initially paid for the first surgery the year before this; his owner has a medical condition and Oliver helps her walk. His companionship and service was something she needed.

We were also able to pay or much needed medical care for a twelve-year old Dachshund named Misty. Her owner had passed away and she was dropped off to another resident in Old Orchard because no one would care for her. That resident took in Misty who contacted us for help. Misty had not had any medical care for a long time; never been spayed; was behind in its shots; Lyme disease and had an abscess and dental issues. After a wellness check, shots and medication were given and dental surgery which cost of \$900. She now has four teeth, is healthy and happy but will require a couple more visits. She has been adopted and is happy in her new home.

We helped also with payment of expenses for several cats who had digestion problems which required blood work and medication costing between \$250 and \$350.

We are grateful to those who support us including several businesses in Town who have containers for donations to Community Animal. We are in need of additional funding and appreciate your assistance.

COMMUNITY WATCH COUNCIL

END-OF-YEAR REPORT 2018-19

Board Members are: LAW ENFORCEMENT CHAIR:

Captain David Hemingway

PRESIDENT: Michael Gray, VICE PRESIDENT: Pat Brown,

SECRETARY: Demi Kulacz

TREASURER: Barbara Ultsch,

MEMBERS AT LARGE: Helene Whitaker, Gail Domin,

Cheryl Pouloupoulos, Judith Hurst, and Mary Riordan.

We had a change in leadership this year! Our longtime president – Helene Whitaker – stepped back from leadership of the Council to focus her time and attention to other endeavors. She is still a Council Member and very involved with the Council and the Neighborhood Watch Program!

We continue to hold quarterly Neighborhood Watch Meetings. These meet quarterly on the SECOND THURSDAY OF THE MONTH, MARCH, JUNE & SEPTEMBER. DECEMBER IS ON THE FIRST THURSDAY OF THE MONTH.

Business Watch: The Business Watch alert program continues to be a proven tool throughout the year and especially in the summer months. It helps decrease potential crime and gets the word out to participants quickly about risks to local businesses. More info; contact OOBPD.

Drug Take Back: The OOBPD has a drug disposal box in the lobby which is frequently used. We also continue to participate in statewide Drug Take Back events.

The Volunteers in Police Service (or VIPS): This program continues to be a great touchpoint between the public and the OOB PD. VIPS Members help to provide needed public safety assistance at the many events for which they volunteer. We are always looking for new VIPS volunteers to help with this effort. If interested in becoming a VIPS volunteer, applications can be obtained at the OOBPD.

Focused Attention on Community Issues: Through our work with other community organizations and the OOB PD, we regularly help to provide focus on issues in and around Old Orchard Beach. Some of the issues we have worked on over the past 12 months include: improvements to the Washington Avenue area and the Atlantic Courts; school bus safety; cleanup of “blight” properties in OOB; promotion of the York County emergency notification RAVE program; successful purchase and subsequent donation of Sidewalk Buttlers for the Town.

All of these things are done due to the effort of volunteers whose time and many talents makes this Town such a wonderful place to live, work, and play. “We’re all in this together.”

Michael Gray,
CWC President

CONSERVATION COMMISSION

2019 Report

July 1, 2018 - June 30, 2019

The Conservation Commission presently consists of five regular members slots (Roger Stevens, Cynthia Nye, Barry Jackman, Kimbark Smith, open) and also two (open) alternate members with an ongoing participation by Mark Koenigs. We generally meet on the second Monday of every month.

This year, the OOB CONCOM continued to focus on improving the Marshes in Ocean Park and supporting the Goosefare Watershed Management Plan.

Last year, we won a grant from Maine DEP to work on eradicating phragmites and replanting in the Marshes surrounding Ocean Park for \$40,000 with Stantec. We began to implement the eradication plan in August in three out of four OP Marshes with volunteer help from Pam Chute, David Walker, Dave Florig, Joel Vincent, Susan McGinty, and Barry Jackman. In September, we cleared and planted over 500 seedlings and bushes in the Ancona Park Marsh with help from Jay the Gardener and John Nye's 7th Grade Science class from the High School. As a result of the volunteer support, we only spent \$17,000 of the Grant. Next year, we will be back in August to clear any remaining phragmites.

We continue to work with Maine Healthy Beaches testing. We are extending the testing for genetic material to isolate local issues. We are also working with Project Mgt. and DPW to meet the community requirements of the present plan.

In August, with the volunteer support of the New England Baptist Youth Conference, we shored up the viewing platform on the Ted Wells Trail.

In September, UNE students participating in a day of service, worked with GPS units in Milliken Mills Woods (MMW) North area to mark boundaries and start to layout trails to connect to the South and create a new parking area with a right of way access to the Eastern Trail.

In October, we sponsored a Maine Conservation Day with Maine Healthy Beaches to teach volunteers how to take water samples in the Marshes. Last testing of the season!

During the Fall semester the sixth graders science class did a survey of phragmites and biodiversity in various areas of OOB.

May 2nd, which is now become a standardized program, the 3rd Grade students toured the MMW South trails utilizing 7th graders as guides who explained the various educational descriptions of flora, fauna and history utilizing buses donated by 360. They then visited the beach and got trained on Beach Profiling.

The Project Based Learning (PBL) project for the Third Graders interested in the Science track this year was native pollinators. Students researched various plants and identified the types that would fit our habitat. They created tremendous posters that are now mounted on the walls of the Animal Shelter, please come and visit!

In May, OOB CONCOM dug a raised bed garden for plantings identified in the PBL project as well as creating a second bed in the picnic area and the students came and planted their selected plants in June, before the end of the school year.

6th Grade students and OOB CONCOM members are actively doing monthly beach profiling for OOB and Kinney Shore Beach in Saco.

We have worked with some informational programs in the Ocean Park Association this year. This includes publishing as well as assisting with informational evenings, about Marshes, Vernal Pools, Plovers, FEMA plans, pollution and general conservation issues. We are also assisting the Ocean Park Conservation and Ecology subcommittee headed by Barry Jackman on a regular basis.

Plans for next year include:

- Continued support of local schools and class rooms.
- Utilizing the rest of the Grant to help eradicate phragmites and other invasive plants in our marshes.
- Plover protection through education and recruitment.
- Clean up days. We will assist with various projects around the Goosefare Water Mgt. Plan that will arise.

We are actively working with Saco Bay Trails and the TABCOM pursuing trails to replace the Ted Wells trail. DEP has determined that under the existing water level guidelines we cannot replace the walkway that made the trail and the viewing platform viable.

We look forward to working with other committees here in OOB.

Over the past year, the OOB Conservation Commission has continued to support Veterans' Memorial Park through its Memorial Park Subcommittee. The Memorial Park Report will be published in a separate section

Kimbark G. Smith, Chair
OOB Conservation Commission

OLD ORCHARD BEACH COMMUNITY GARDEN

The mission of the OOB Community Garden is to provide clean, unpolluted space for interested OOB residents to garden together. We will create a shared vision, working collectively to cultivate a place for individuals, families, and friends to grow healthy food and experience the rewards of gardening.

2018 Board

Claire Goulet, Chairwoman

Ann Quinlan, Treasurer
Pat McCandless, Board Member

2019 Board

Claire Goulet, Chairwoman
Robin Dayton, Vice Chairwoman
Lynn Selden, Secretary
Ann Quinlan, Treasurer
Pat McCandless, Board Member

The Old Orchard Beach Community Garden, located near the Ball Park, was established by the Town Council in 2011. The gardens are organic and plots are approximately 100 square feet in area. We are financially self-sufficient, obtaining operating funds from \$25 plot fees and donations. There are presently 52 plots for gardeners. The garden has one large shed and one small shed that contain gardening tools for everyone's use. We also have many gardening books and several picnic tables for use by all gardeners. In addition to individual plots, gardeners maintain flower and herb garden, and a peach tree for everyone's use. During this past year, several gardeners did a wonderful job renovating the herb garden. Thanks to all who helped!

The Board is considering construction of a handicapped accessible plot as a project for next year. Watering hoses are distributed throughout the garden to make watering easy. General garden maintenance is accomplished by volunteers among the membership and is overseen by the board. Existing gardeners can renew their plots before May 1st, after which their plots become available to anyone. New gardeners, as well as gardeners who wish to add or change plots can sign a waiting list at the Town Clerk's office after January 1st. After May 1st, the plots are assigned based on the date the applicant signed the waiting list.

The Community Garden has a close relationship to the Ball Park, which supplies water to the garden. A special thanks to the Ball Park, Blow Brothers, the Department of Public Works, the Town Clerk's office, the Town Manager, and the Town Council for their continuing support. Finally, the board wants to thank all of our gardeners for making the garden an integral part of the OOB Community.

Claire Goulet, Chairwoman

VETERANS MEMORIAL PARK

It has been another productive year for the betterment of Veteran's Memorial Park. We have seen an enormous amount of residents and visitors entering the park and taking advantage of its enormous opportunities. The summer concerts were a success as well as the many activities supported by groups such as those playing Petanque, basketball, tennis as well as bringing your dog to the Dog Park. Luminary Night, one of the favorite scheduled yearly activities which supports those serving our country and those who made the ultimate sacrifice for us, sees lighted bags along the walkway as a living reminder of remembrance.

With the help of our Committee Members, Milestone Foundation and their residents planted over 6,000 bulbs this fall and the beautiful garden is a site to be seen. A Glider was purchased to be used for residents and visitors with a special opportunity to be used by those who are handicapped. The installation will be this Spring. A Bench was also purchased in memory of our own Captain Joe Barnes and a ceremony was conducted honoring his memory and that which he brought to our community. The hundreds of first responders, firefighters and police members who attended spoke more loudly than words can express. As always, we welcome new members to our Committee; with new members come new ideas for the betterment of Old Orchard Beach.

We are very grateful for the support of the Town Council, Town Manager Larry Mead, Assistant Town Manager V. Louise Reid, Public Works Director Joe Cooper and his staff, the Town Clerk Kim McLaughlin, and all the volunteers who continue to make Veterans Memorial Parking an outstanding community focus.

On behalf of the Veterans Memorial Park Committee,

Mary Beth Robillard, Chair

PUBLIC WORKS DEPARTMENT

Annual Report July 1, 2018– June 30, 2019

The Public Works Department is responsible for protecting the public's investment in the infrastructure that is necessary to support the operations of the Town. Our staff is responsible for streets, sidewalks, parking lots, sewer, and storm drain lines (including catch basins & manholes), culverts, the beach, parks/green space, transfer station (leaves and brush only), solid waste, recycling with respect to the Silver Bullets at DPW, fleet and facility management, and outfalls.

The following lists are projects & work completed by DPW:

PAVING:

- Longwood
- Evergreen
- 11th St
- Fort Hill
- Maine Ave
- Saco Ave

SIDEWALK IMPROVEMENTS

- Evergreen
- Portland Ave 300 feet
- Town Hall
- Longwood
- Imperial Street

DRAINAGE:

- Carl Ave
- Jamison Middle School
- Old Orchard Rd
- School St

LIGHT POLES:

- Replaced two light poles
- Installed new light pole in Memorial Park Parking lot

BEACHES:

- 4 Boardwalks replaced
- 5 dead seals were removed this past summer. Much less than last year.
- Beach Cleaning – Beach Raking Monday – Friday

MEMORIAL PARK:

Thank you to our park employee Peter Rackauskas for all his hard work throughout the season to keep Memorial Park beautiful. Ongoing maintenance was done during the season which included weeding, mulching, planting, and mowing. Plantings near the veteran's memorial were removed, due to overgrowth, and new plantings will be installed in the coming year.

- A new memorial bench was installed to honor Fallen Fire Fighter Captain Joel Barnes.

FACILITIES:

- Transfer Station:
 - Leaves and brush only on Wednesday 7:30 am to 2:30 pm, and Saturday, 8:00 am to 4:00 pm.
 - April 1st thru January 7th
- Salt & Sand Facility:
 - Routine maintenance.
 - Cleaned the Drainage and Ditch in accordance with our stormwater program

Other Projects:

The Public Works Dept. assisted other multiple departments throughout the year which included, adding a storage room for the Police Department, improving the interior at the Fire Department, and replacing wooden columns at the Town Hall. Each year DPW replaces many signs along the beach, assists in placing parking meters and assists non-profit agencies with various activities

EQUIPMENT:

This past year the council has allowed the Public Works Department to purchase the following equipment & vehicles: a new Sidewalk Snow Blower system, a Plow Truck, and a One Ton truck.

I would like to thank the Public Works staff for their continued dedication and being such valuable employees. Day in and day out, the number one goal for the department is to provide exceptional customer service to our residents and businesses and everyone has done an excellent job. No matter the task, the crew will always find a way to get the job done. Thank you for a great year!

This experienced team includes: New hires - Jim Michie and Tony Musto. Longtime Employees - Roger Stevens, Dennis Poisson, Louie Ladakakos, Tim Crowley, Marc Picard, Rick Reny, Dennis Nason, Andrew Chute, Joe St. Hilaire, Lisa Scruton-Wilson, and our seasonal staff members - Cameron Jones, Peter Rackauskas, and Peter Ciaramella.

Respectively Submitted,

Joseph Cooper
Director of Public Works

TOWN OF OLD ORCHARD BEACH WASTEWATER DEPARTMENT

FY19 Annual Report

The town of Old Orchard Beach Wastewater Department maintains and operates nine pump stations as well as the wastewater treatment facility that is licensed to discharge up to 3.5 million gallons a day. The license also requires that the facility remove a minimum of 85% of the suspended solids and biological oxygen demand (BOD is defined as biological activity in the waste stream). Staff is classified as either operators or mechanics. Both must deal with a myriad of mechanical and process issues. All are required to learn the basics of process control with operators having the responsibility of reporting lab results to the state and federal government. Testing routines require advanced knowledge of the biological and chemical process. The mechanics at the facility are required to have advanced knowledge of mechanical, electrical and hydraulic applications. All staff are required to respond to rain events, power outages and process issues. Some of these responses demand quick decision making to avoid potential discharge violations and protect public health. Proper training and safety practices are important to keeping this department operating efficiently.

In FY19 the town began started research on three major construction projects. The addition of an odor control system for the primary sludge holding tank, construction of a new administrative building and the start of a comprehensive upgrade to the wastewater facility itself. The odor control project was approved and completion of the project was done in July of 2019. All reports from public and staff indicate that this project has significantly reduced odors emanating from the facility process.

The funds for the administrative building were approved and preliminary design has been submitted. This new building will be crucial to the future of this department. It is expected that the completion of the administrative building will take place in late 2020.

Once the final scope and estimated cost for the comprehensive facility upgrade is determined it will be brought to the voters for approval. Upgrades that replaced major pieces of equipment; and also reduced operations and maintenance costs have been the focus over the last ten years.

While these efforts have helped keep budgetary costs down, these upgrades have not addressed much of what is needed to maintain a reliable wastewater treatment system. Public support and involvement for this project will be crucial.

Biological and chemical operational challenges this year were numerous. Lack of technology in some aspects of operations, heavy rainfall and intense summer flows and loadings. A comprehensive upgrade would solve many of the technology issues and give staff more tools to work with. This year we saw multiple intense rainstorms. Some of these rains caused electrical issues due to the age and condition of much of the underground electrical infrastructure. Staff addressed these issues as best it can but the electrical system remains are major area of concern. Seasonal demands in

OOB changes dramatically from May to August. Typical flows, loadings, equipment and chemical demands increase three to four fold. Every year this is a challenge and it is most important the Town keep and hire qualified staff. I would like to thank both operational and maintenance staff for their dedication.

Using OOBWW staff we worked alongside Nova Electric to convert the process building and outside lights to LED lighting. Significant grants from Efficiency Maine helped fund this project.

Management and the Old Orchard Beach Wastewater employees Association (OOBWWEA) came to labor contract agreement that will expire in June of 2021. Along with daily maintenance, maintenance staff continues to identify weak areas and multiple in house projects have been started to rectify these situations. These projects take place as time and budgets allow. Daily, weekly and monthly activities are posted on monthly reports.

Below are the FY totals for the year. This FY total flow saw a dramatic increase from total flow last year. Fewer tons of bio solids were produced which can be attributed to the investment the town made in the dewatering system. The increase in polymer usage can also be attributed to the new dewatering system. While more efficient, the new system is more polymer dependent. Hypo chlorite (chlorine) usage remained steady over last year. Solids and BOD removal averages were also similar from last year.

Operational totals for FY19

Treated wastewater discharged – 458 million gallons

Bio solids produced – 1200 tons

Polymer used in the dewatering process – 13367 pounds

Hypo chlorite used in the disinfection process – 13158 gallons

Solids removed – 98.0 percent

BOD removed – 96.5 percent

Total precipitation – 54.74 inches

Number of call outs through SCADA - 48

Respectively submitted by Christopher White

TOWN OF OLD ORCHARD BEACH

MUNICIPAL BALLPARK & ENTERTAINMENT COMPLEX

2018-2019 ANNUAL REPORT

Background:

The Municipal Ballpark & Entertainment Complex was created by the Old Orchard Beach Town Council in October of 2010. The Council established a Ballpark Commission consisting of seven regular commissioners and two alternate commissioners to oversee the planning, operation and maintenance of The Ballpark. The commission works with the Town Manager, Ballpark Operations Manager, Ballpark Field Manager, and Ballpark Concession Manager to operate and maintain The Ballpark on a day to day basis.

The Ballpark is a 49-acre facility located behind the Old Orchard Beach Fire Department at 7 Ballpark Way in Old Orchard Beach.

The Ballpark consists of a concrete stadium that can accommodate over 4,000 patrons. There are also 18 sky boxes, a public address booth (including a PA system and electronic scoreboard), a press booth, a club house (with offices, locker rooms, showers, and two conference rooms), a concession stand, public restrooms, and a building for sales of merchandise and/or beer. The entire Ballpark stadium area provides free Wi-Fi access to the internet for patrons. There is also a 30-acre parking area for use and a gently sloping lawn area with stage for use as a concert venue for groups up to 500 patrons. There are enough picnic tables to easily accommodate 300 people.

The Ballpark Commission			
Commission Chair	John Gallo	Commissioner	Pat McDonald
Commission Vice-Chair	Jerome Plante (acting)	Commissioner	(position open)
Commission Secretary	Melissa Clark		
Commissioner	W. Victor Gould, Jr.	Alt-Commissioner	(position open)
Commissioner	Doug LeClair	Alt-Commissioner	(position open)

Old Orchard Beach Town Staff	
Ballpark Operations Manager	Guy Fontaine
Ballpark Field Manager	Jim Doran
Ballpark Concession Manager	Susan Grondin

The primary role of the Ballpark Commission is to support The Ballpark and enhance its value to local residents residing in Old Orchard Beach and other nearby communities. We accomplish this by scheduling events that are based on good old fashioned family entertainment and values. The Ballpark may be located in Old Orchard Beach but it is an event center for all of Southern Maine. It has truly become EVERYONE's Ballpark.

Funding is another responsibility of the Ballpark Commission and Staff. We accomplish this through scheduling popular events that generate revenue for The Ballpark and through sponsorships that help offset operational costs.

Although most people believe that the Ballpark is for playing baseball, baseball is not the whole story. There are many other events held at the Ballpark to help generate revenue and provide family friendly entertainment for everyone. Several of the town sponsored summer “Concerts in the Park” have been held at the Ballpark. For four years the Ballpark has hosted a blues festival attended by over 1,000 patrons. The New England Parkinson’s Ride has held their annual September ride at the Ballpark for five years raising over three million dollars for their cause. High school wrestling tournaments have been hosted for the last three years. Corporate outings and family parties are two other examples of uses of the Ballpark.

The Ballpark Commission holds one Regular Commission Meeting and one Workshop Session each month. Anyone wishing to become a member need only fill out an application at the Town Clerk’s Office. Five of the Commission positions must be Town Residents but two may be from nearby communities.

Please consider joining our group to help make The Ballpark in Old Orchard Beach a place for FAMILY FUN AND RELAXATION for EVERYONE!

If you would like to help The Ballpark but do not have the time to commit to a position on the Ballpark Commission, you can become a Ballpark Volunteer. The Ballpark relies heavily on volunteers to assist at events, work in the concession stand, assist with field maintenance, help with facility repairs, help find sponsors, paint buildings or fences, and even just help by pulling weeds in the outfield. There are many, many more ways you can help to make sure that The Ballpark continues to improve and remains a great experience for everyone that visits.

It’s also a great sight to see, just take a ride down Ballpark Way sometime and see a piece of Old Orchard Beach history that has come back to life through the efforts of citizen volunteers.

To volunteer please contact the Ballpark Operations Manager:

Guy Fontaine - Phone: (207) 205-6160, Email: info@oobbballpark.com

The Ballpark continues to be an attraction in Old Orchard Beach because of the dedication and many hours of hard work put in by the Ballpark Operations Staff, Volunteers, other Town Staff, and the Ballpark Commission members. The Ballpark Commission appreciates the efforts of everyone that helps.

Respectfully Submitted,
John Gallo, Ballpark Commission Chair

OLD ORCHARD BEACH HISTORICAL SOCIETY/ HARMON MUSEUM

Annual Report 2019

The Old Orchard Beach Historical Society at Harmon Museum welcomed 518 visitors this summer, of these 132 visitors were from Maine. A total of twenty six states, two Canadian Provinces (Ontario, and Quebec), along with England and Slovakia were represented. The museum opened July 1st and closed September 6th. Hours of operation were 10:00a.m. to 4:00p.m. Monday through Friday.

This is the last season of the extensive featured display and photo gallery highlighting the “Big Bands” and singers who performed at the Pier and Palace Ballrooms from 1926 to 1964. Also featured were concerts at the Ballpark from 1984 to 1997. Our six-foot outdoor photo cutouts of five musicians who performed in Old Orchard Beach attracted many visitors. The cutouts were donated to the music department of Old Orchard Beach High School.

Accessions received this year were cataloged by Janet Hamilton and Faith Litwin. Items received included a 1917 gold pin inscribed “St, John’s day, June 26th”. Roger Tousaignant donated an antique walnut executive desk and a three section antique walnut bookcase with glass doors, and twenty folding chairs. Request for research were answered by Daniel Blaney, Janet Hamilton, and Faith Litwin.

Mr. Robert Pettengill was the recipient of the “Oldest Native Born Citizen Cane”.

Our sincere thanks to Saco and Biddeford Savings Institution for their continued support. Special thanks to Bud and Judy Hurst who donated 100 passes to Aquaboggan Water Park, which quickly sold in our gift shop. Janet Hamilton, our Database Manager and Archivist, moved to Florida in August of 2019. She had volunteered since 2007. She will be missed!!

Our staff of volunteers logged in a total of 1,923 hours during the year. Our volunteers are: Barbara Delage, Web Page Manager; Faith Litwin, Database Manager and Archivist; Jaynie Flaherty, Facebook Manager; Special project volunteers are: Daniel Blaney, Betty Curry, Arthur Guerin, Brian Bergeron and Linda Babbitt. Docents this year were: Rick Anderson, Linda Babbitt. Brian Bergeron, Daniel Blaney, Jaynie Flaherty, Arlene Hanson, and Stanley Quinlan.

Old Orchard Beach Historical Society Officers:

President: Arthur Guerin
Vice Pres: Daniel Blaney
Treasurer: Stanley Quinlan
Asst. Treasurer: Pamela Trempe
Secretary: Arlene Bellevue Hanson

SPECIAL EDUCATION ANNUAL REPORT

July 1, 2018-June 30, 2019

The Special Education Department of RSU#23 is responsible for providing a free and appropriate education to all students with disabilities in accordance with Federal and State laws. The RSU is also responsible for developing Individualized Education Plans (IEP) for each student with a disability.

Throughout this past year, the RSU provided special education services to 193 students. This number represents all students who received services, including transfers, dismissals, and referrals. The RSU continues to develop appropriate programming for all students within our schools. The support staff, professional staff, and specialists are committed to best practices and participate in district-wide professional development on a monthly basis.

The Maine Department of Education (MDOE) completed a tri-annual audit of the Special Education Department and recently shared their findings with the RSU. The MDOE praised the RSU for their efforts. A Corrective Action Plan will be completed by June 2020.

Childfind Notice:

If you are aware of any child from Old Orchard Beach between the ages of 0 and 5 who has special need(s) who may require special education and supportive services, please refer them to: Child Development Services, 39 Limerick Road, Arundel, Maine 04103, (207) 985-7861.

If you are aware of any child from Old Orchard Beach between the school ages of 5 and 20 who has special need(s) who may require special education and supportive services, please refer them to Elizabeth King, Special Education Director, RSU#23.

A child's special need(s) may be in any of the following areas: vision, hearing, speech and language, social-emotional development, behavior, orthopedic, health, learning or any combination of the above.

Respectfully Submitted,

Elizabeth King

Advanced Art Student Displays Painting at Portland Museum of Art

Kara Trott's artwork an acrylic painting and collage piece titled, "Peachy in Paradise" was selected by faculty to represent OOBHS in the annual Youth Art Month exhibition at the Portland Museum of Art during the month of March, 2019. The multi-media exhibition featuring artwork from K-12 students around the state of Maine was sponsored by the Maine Art Education Association and the National Council for Art Education.

K-12 Art Show at Libby Memorial Library in Old Orchard Beach

Students from OOBHS, Loranger, and Jameson submitted artwork to be exhibited at the Libby Memorial Library in Old Orchard Beach. The show took place late February through early March, 2019.

Caitlin Perrigo submitted a watercolor painting into this year's Scholastic Art and Writing Competition and received a Silver Key Award for the Maine Region at the high school level. Her artwork was displayed at the Maine College of Art in January-February and she will be recognized at an awards ceremony. Congratulations, Caitlin!

TOWN OF OLD ORCHARD BEACH FINANCE DEPARTMENT

ANNUAL REPORT JULY 1, 2018 - JUNE 30, 2019

To the Town Manager, Town Council, and Citizens of Old Orchard Beach:

I respectfully submit the annual report on behalf of the Finance Department for the Fiscal Year ending June 30, 2019. I would like to thank the Finance and Tax Office staff for their continued support and professionalism that keeps the department operating effectively and efficiently.

- **Deborah Mulherin, Tax Collector – Deputy Treasurer**
- **Gidgette Ledoux, Deputy Tax Collector**
- **Charlene Surprenant, Staff Accountant**
- **Donna Richard, AP/Payroll Clerk**

The Finance Department is responsible for the stewardship of the Town's financial resources and financial functions, including accounting, accounts payable, accounts receivable, payroll, risk management, debt administration, investment management, treasury, and tax collections. The Department is responsible for assisting the Town Manager in annual budget preparation and execution. In addition, the Department assists the Finance Committee with the annual Capital Improvements Program preparation and execution.

Administration

The Administrative Program oversees all financial activities of the Town, advises the Town Manager and Town Council on fiscal policy; prepares monthly and annual financial reports; manages the development and administration of the budget system and reviews State legislative documents concerning fiscal matters. Responsibilities also include developing financial policies and joint administration of the Risk Management, General Accounting, and Treasury functions of the Town. The Finance department also manages the newly implemented Property Tax Assistance Program.

Accounting / Financial Responsibilities

Finance is responsible for the accounting of all financial transactions for the Town of Old Orchard Beach, to maintain the integrity of the Town's General Ledger system. This also includes processing the municipal payroll, accounts payable, debt management, budget preparation, including management and analysis, account reconciliations for audit purposes, the purchasing and procurement process, and other related financial duties.

Cash Management Responsibilities

The Treasurer for the Town of Old Orchard Beach has custodial responsibility of all funds received by the Town and ensures proper operating cash flow projections for required Town disbursements. The Treasurer also coordinates the investments of Town funds according to the objectives of the Investment Policy, ensuring safety, liquidity and yield (in that order).

Tax and Revenues

The Tax Collection department is responsible for property tax collections, motor vehicle registrations and excise tax collections, as well as snowmobile and ATV registrations. The Tax office staff also serves as agents for the State of Maine, and collects fees on behalf of the State of Maine. This office is also responsible for accepting and recording all Town funds, and prepares the bank deposits daily.

The Finance department's ongoing goals are:

- **Manage all financial functions of the Town and provide assistance and guidance to the Town Manager, Town Council, Finance Committee, all Town departments, and citizens of Old Orchard Beach.**
- **Continue to research process improvements for all Town departments that will provide better customer service, improved efficiencies and internal controls.**
- **Review and update policies and procedures to ensure fiscal responsibility.**
- **Provide outstanding customer service to all departments, employees and residents.**

Excerpts from the Fiscal Year 2019 Annual Financial Report are highlighted on the following pages and for a complete report please visit the Town of Old Orchard Beach Finance Department website at oobmaine.com.

Respectfully submitted,

Diana H. Asanza,

Treasurer – Finance Director

REPORT FROM THE AUDITORS

Proven Expertise & Integrity

January 7, 2020

Town Council
Town of Old Orchard Beach Old
Orchard Beach, Maine

We were engaged by the Town of Old Orchard Beach and have audited the financial statements of the Town of Old Orchard Beach as of and for the year ended June 30, 2019. The following information, statements, schedules and tables have been excerpted from the 2019 financial statements, a complete copy of which, including our opinion thereon, will be available at the Town's office. Certain comparative information has been used from prior year audited financial statements. The information contained in this report should be used in conjunction with the audited financial statements as a whole and should not be used for any other purposes.

It has been our pleasure to work with the Town of Old Orchard Beach and we appreciate all the help and consideration provided by the Town's staff. If you have any questions or concerns please do not hesitate to contact us.

TAX DEPARTMENT – AS OF 6/30/19

I am happy to report that we now accept real estate and personal property taxes online through the Town website www.oobmaine.com in addition to online Motor Vehicle Rapid Renewal and Inland Fisheries registrations. We are now processing Inland Fisheries through Maine Online Sportsman's Electronic System (Moses). Needless to say, it has been a busy, productive year.

I want to express my gratitude to the entire Finance Department for their support, and a special thanks to Gidgette Ledoux for all of her hard work and dedication to the job!

Respectfully Submitted,

Deborah M. Mulherin

Tax Collector/Deputy Treasurer

COMMITTEES:
SPECIAL COMMITTEE
ON AGING,
CHAIRMAN
APPROPRIATIONS
HEALTH, EDUCATION,
LABOR, AND PENSIONS
SELECT COMMITTEE
ON INTELLIGENCE

Dear Friends,

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our state have placed in me and welcome this opportunity to share some key accomplishments from this past year.

As Chairman of the Senate Aging Committee, I worked to help ensure the well-being of our seniors. The *SeniorSafe Act* I authored became law last year and is empowering banks, credit unions, and other financial institutions to better protect seniors from financial fraud.

Following extensive committee investigations of prescription drug pricing, additional legislation I crafted became law, ending the egregious practice of pharmacy “gag clauses” that prevented pharmacists from informing patients on how to pay the lowest possible price.

This year, I was also successful in securing an extra \$425 million for Alzheimer’s research—the largest funding increase ever—bringing the total to \$2.34 billion. Additionally, the bipartisan *BOLD Act* I authored will create public health infrastructure to combat Alzheimer’s by promoting education, early diagnosis, and improved care management.

More than 40 million Americans—including 178,000 Mainers—are caregivers for parents, spouses, children, and other loved ones with disabilities or illnesses, such as Alzheimer’s. The *RAISE Family Caregivers Act* I authored was signed into law last year, giving caregivers more resources and training to better balance the full-time job of caregiving. Another law I wrote will help grandparents who are raising grandchildren, largely due to the opioid addiction crisis.

In addition to helping seniors, a major accomplishment over the past year is the increased federal investment in biomedical research that is leading to progress in the fight against numerous devastating diseases. Congress has boosted funding for the National Institutes of Health by \$7 billion in just the last three years, bringing total funding to more than \$39 billion.

One of my highest priorities as Chairman of the Transportation Appropriations Subcommittee is to improve our nation’s crumbling infrastructure and ensure that Maine’s needs are addressed. Since the Better Utilizing Investments to Leverage Development (BUILD) Transportation Grants program, formerly known as TIGER, was established in 2009, I have secured \$160 million for vital transportation projects throughout Maine.

Congress also delivered a Farm Bill last year, which includes many important provisions that will help the agriculture industry in Maine and across the country. Specifically, I secured provisions that will strengthen support for young farmers, improve local farm-to-market efforts, and increase funding for organic research.

Congress took decisive action to address the opioid addiction epidemic. In addition to appropriating \$8.5 billion in federal funding last year, Congress enacted the *SUPPORT for Patients and Communities Act*, a comprehensive package that embraces the multipronged approach I have long advocated for this epidemic: prevention, treatment, recovery, and enforcement to stop drug trafficking.

Maine plays a key role in ensuring a strong national defense. In 2018, Congress provided funding for five ships to be built at Bath Iron Works, which will help to keep our nation safe and provide our skilled shipbuilders a steady job. I also secured more than \$162 million for infrastructure projects at Portsmouth Naval Shipyard to support their important work to overhaul Navy submarines.

A Maine value that always guides me is our unsurpassed work ethic. In December 2018, I cast my 6,834th consecutive vote, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Maine in the United States Senate. If ever I can be of assistance to you, please contact one of my state offices or visit my website at www.collins.senate.gov. May 2019 be a good year for you, your family, your community, and our state.

Sincerely,

Susan M. Collins
United States Senator

Dear Friends,

I hope this letter finds you well. It's a privilege to represent you and your family and I am thankful for the opportunity to update you on my work in Washington and Maine.

In 2019, I was honored to work with my colleagues to pass hundreds of bills that address everything from fighting climate change to raising the minimum wage. And while Congress has become an increasingly partisan place, I was proud to continue my habit of reaching across the aisle, introducing a number of bipartisan bills and cosponsoring even more.

On the House Appropriations Committee, I worked to support programs important to Maine, such as rural broadband investment, Head Start, PFAS clean up, and shipbuilding at Bath Iron Works. Further, I firmly believe we need to make substantial investments in all aspects of our infrastructure, from safe drinking water and modernized schools, to upgraded highways, transit, and rail. From my seat on the Appropriations Committee I advocated for increased funding for the BUILD grants program which funds investments in transportation infrastructure by states, local governments, and transit agencies. I also pushed for increased funding for the Community Development Block Grant program, our national park system, local and organic agriculture, election security, and the Land and Water Conservation Fund.

Since my time in the Maine State Senate, lowering the cost of prescription drugs has been one of my top priorities. This year I introduced two bills that would help Americans afford their prescription medications. I also voted for a bill that would allow the Centers for Medicare and Medicaid Services to directly negotiate prices for certain drugs. I look forward to continuing this important work in 2020 so Americans are no longer faced with the choice of picking up prescriptions they desperately need or putting food on the table.

I am sure this coming year holds many challenges and opportunities for our country, and I promise that the interests and principles of Mainers will continue to guide my work. If there is anything my offices in Washington or Maine can do to be of assistance – whether you, your town, or your organization is applying for a grant; you're facing an issue with a federal agency; or if you'd just like to share a thought or opinion – please do not hesitate to reach out.

Best wishes,

Chellie Pingree
Member of Congress

FROM THE OFFICE OF GOVERNOR MILLS

STATE OF MAINE
OFFICE OF THE GOVERNOR
1 STATE HOUSE STATION
AUGUSTA, MAINE
04333-0001

Dear Friends:

It was the highest honor of my life to take the oath of office to become Maine's 75th governor. Over the next four years, I will do everything in my power to make Maine the safe, beautiful, prosperous state we all want for our children and grandchildren.

That is why on my first day in office I directed the Maine Department of Health and Human Services to implement Medicaid expansion as quickly and efficiently as possible. My Administration will ensure that it is paid for sustainably; that the cost of health insurance is controlled; and that the cost of prescription drugs is reined in. In addition to creating a Director of Opiate Response to marshal the collective power and resources of state government to stem the tide of the opioid epidemic, we will make Narcan widely available, increase access to medication assisted treatment and recovery coaches, and expand drug courts.

We also need a healthy environment. My Administration will embrace clean energy; change our modes of transportation; weatherize homes and businesses; and reach a goal of 50 percent of our energy coming from Maine renewable resources. By reducing the impacts of climate change, we will create good-paying jobs, preserve our environment, and protect our state's farming, fishing, and forestry industries.

We will also develop a world-class workforce starting with Pre-K for every 4-year-old in Maine and more post-high school options that result in a valued credential. Attracting talented young people to move here and make Maine their home will be top priorities of my Administration.

Maine communities, especially rural communities, are confronting a severe workforce shortage and an aging and declining population. It is time for bold, dynamic ideas that will change Maine for the better. That is why I, along with people ranging from small business owners, innovators and entrepreneurs, to economists and every day, hard-working Mainers, developed an economic plan designed to make it easier for small businesses to grow, for people to come and stay, and for Maine to thrive. I welcome your ideas. We are all in this together. We all want Maine to have a beautiful environment, happy people, and prosperous communities

Thank you,

A handwritten signature in blue ink, reading "Janet T. Mills".

Janet T. Mills
Governor

FROM THE OFFICE OF STATE SENATOR CHENETTE

Senator Justin M. Chenette

Office (207)287-1515
Cell (207)590-3266

Dear Friends and Residents of Old Orchard Beach:

This past legislative session I championed a more ethical, transparent, and accountable government. It's been a passion of mine since I entered the legislature back in 2012.

As chairman of the bipartisan Government Oversight Committee and as a member of the Senate Ethics Committee, I fought to strengthen our laws to ensure legislators are operating above board and lobbyists don't have undue influence.

I introduced a campaign finance reform package to hold lawmakers, lobbyists and former officials to a high ethical standard.

One bill closes a loophole that allowed lawmakers to become lobbyists right after their service ended. This will mean we are closer to ending the revolving door of lawmakers becoming lobbyists. Legislators shouldn't be using their influence to get a slick, high paying lobbying gig nor carrying out public policy with that as the end goal in mind.

The second bill exacts ethics reforms to make sure legislators do not use political action committees to benefit themselves and profit off political contributions. PACs have no contribution limits, so removing profit from the equation will create fewer conflicts of interests in our politics.

Both of these bills passed with unanimous, bipartisan support in the House and Senate and were signed into law by the Governor. It demonstrates what can be done when you have a good idea, listen to those who disagree with you and come together for a common purpose.

The third bill is probably the most impactful of all: It bans lobbyist contributions to candidates and elected officials. This represents the biggest campaign finance reform win in over a decade. This new anti-corruption law will make it harder for special interests to buy access and influence, to ensure we have a government that truly works for Maine people. Maine now joins five other states — Alaska, Kentucky, South Carolina, Tennessee and California — that already ban lobbyist contributions.

While there is always more work to do, I believe my efforts this past session moves the needle towards making Maine have the strongest ethics rules in the country. You deserve a government that serves you over wealthy donors, special interest groups, and corporate lobbyists. Your voice should be heard the loudest. Legislators should be the peoples' lobbyists.

Please feel free to contact me with any questions, concerns, or comments. Thank you for the opportunity to continue serving and fighting for you in the Senate. This is your seat. I work for you.

Proudly Representing Saco, Old Orchard Beach, Hollis, Limington and Buxton

Dear Friends and Neighbors,

It is my honor to serve our community as your State Representative in Augusta. I am privileged to provide you with a brief summary of some of our legislative accomplishments during our first session of the 129th Legislature.

Serving on the Environment and Natural Resources Committee enabled me to be a strong voice for our lovely seaside community. I was proud to cosponsor and support a number of bills that are now law, such as a landmark bill to promote clean rivers and protect sustenance fishing rights, a bill to phase out the use of single-use plastic bags and a ban on polystyrene, which harms our environment and wildlife. Our committee passed the Governor's bill addressing Climate Change. I also sponsored a bill to protect Maine's beaches which requires actions to strengthen our shoreline and prevent future erosion. This bill was carried over and will be voted on when we reconvene in January 2020.

I introduced a successful bill to ensure we provide the best possible care for children in need of mental health care. We also gave approval for several initiatives to provide services to Mainers with chronic mental health issues to help keep more of them in their homes and measures which to provide more dental care to children.

We passed a bipartisan budget that provides property tax relief and education funding. It includes \$130 million in property tax relief by increasing the Homestead Exemption, expanding eligibility for the Property Tax Fairness Credit and increasing municipal revenue sharing. Additional budget highlights include added revenue for K-12 public education to support our schools and strengthening the Department of Health and Human Services by expanding health care coverage and adding more front-line workers to protect children.

There is certainly more work to do. As a member of the Legislature's Municipal Caucus, I will continue our work to assure a greater share of Maine's income and sales tax revenue will go back to cities and towns - a measure that will have a significant impact on our local property taxes.

If I can be of any assistance to you, or if you would like to receive regular email updates about our work in Augusta, please feel free to contact me at 287-1430 or by email at Lori.gramlich@legislature.maine.gov. Thank you for the opportunity to serve as your representative. I look forward to working with you.

Most Sincerely,

A handwritten signature in black ink, appearing to read 'LKG Gramlich'.

Representative Lori K. Gramlich, Maine House District 13

HISTORY OF OLD ORCHARD BEACH, MAINE

The earliest records of the Old Orchard Beach area date back to 1653. The first settler, Thomas Rogers, established “Garden by the Sea: in 1657. A few years’ later ten militiamen repelled 150 attacking Indians near the beach, but a relief party of Townspeople coming to support the militiamen was killed in an ambush and Roger’s home was burned.

The “old” apple orchard from which the Town took its name, a landmark to sailors for many years, was on high land above the long sand beach. In 1820 Maine, formally part of Massachusetts, became a State by act of Congress. In that same year the first Public House (Inn) was opened serving coach travelers and other transients year round. In 1837, E. C. Staples was coaxed into taking summer boarders at his farm for \$1.50 per week. Convinced of Old Orchard Beach’s potential as a summer resort, Staples built the first Old Orchard Boarding House near the top of today’s Old Orchard Street.

In 1842 brought the first steam railroad from Boston to Portland with a station just two miles west of Town. The first restaurants to sell seafood treats and “shore dinners” opened in 1851 near Staples Street. The Grand Trunk Railroad opened in 1853 connecting Montreal to Old Orchard Beach, enabling Canadian visitor to flock to the closest beach to Montreal and avoid the long carriage trip.

The Civil War began in 1861 followed by years of growth and building of homes, streets, stores, livery stables, and beachfront hotels. 1873 brought the Boston & Maine Railroad passing right through Old Orchard Beach and stopping on the site of today’s Chamber of Commerce. In that same year a group of Methodists formed the Old Orchard Beach Campground which in the early 1950’s was purchased by The Salvation Army. Yearly thousands of Salvationists come to Old Orchard Beach for the ten days of camp meetings. The Ocean Park Association also built their Temple in 1881 and nationally known speakers were heard every Sunday all summer.

In 1892 electric trolley cars replaced horse cars to Biddeford and Saco. 1898 proved to be an unfortuitous year to complete the first Pier. Built of steel and measuring 1,770 feet long and 20 feet above the tides, their Pier was severely damaged in November of the same year. 1900 brought the first Town Hall and 1902 the first amusement area complete with roller skating, merry-g-round, rides, games and refreshment stands. The Portland to Old Orchard Beach Electric Railway opened in 1903 where 14 miles of track were traveled in under one hour for \$.20 cents.

The great fire of 1907 destroyed the entire beachfront as firemen from Portland, Biddeford, and Saco rushed to the beach but struggled to contain the blaze, hampered by low water pressure. Rebuilding began at once, and one project “the standpipe” assured adequate water for all.

March 1909 brought another damaging storm destroying “White City” at the end of the Pier and reducing the pier to 700 feet. An international auto race was held on the beach in 1910 with Dave Lewis winning the 100 mile race. The 1920’s and 1930’s were the Big Band era. All the famous dance bands, Guy Lombardo, Rudy Valle, Duke Ellington, and more visited the Pier Casino each summer and thousands dances over the waves under the revolving crystal ball.

Sparked by Lindbergh’s daring flight, many Trans-Atlantic flights took advantage of Old Orchard Beach’s long stretch of wide hard packed sand to attempt their own crossings. The storm of February 1978 almost demolished the Pier and a new pier was immediately planned which opened in June of 1980.

The winter residents of 10,000 welcome over 150,000 during the summer months. Old Orchard Beach is alive with exciting things to do.

OLD ORCHARD BEACH TOWN HALL INFORMATION

VIEWS OF OLD ORCHARD BEACH AND OCEAN PARK:

A contest on Facebook for the cover picture of this report gave us so many wonderful views of our town and we had to share a few more.

The views of Old Orchard Beach & Ocean Park through the eyes of our residents and visitors!
