Annual Report.

TO THE LEGAL VOTERS OF THE TOWN OF OLD ORCHARD:

Have carefully examined the several accounts of the Selectmen, Assessors, Overseers of the Poor, Treasurer and Treasurer of the Public Library, for the year ending January 31st, 1910, and find them correctly drawn and properly vouched for.

PERCY N. H. LOMBARD, Auditor.

SELECTMENS' REPORT

TO THE TAX PAYERS AND CITIZENS OF THE TOWN OF
OLD ORCHARD, FELLOW TOWNSMEN:—

Another year has passed into history, and we are forthwith, as in duty bound, presenting you the annual report of the town officers for the year.

During the year the new water system has been put in operation, and when tested for fire purposes has, in most cases, worked satisfactory; there are however some items in connection with the system that need correcting somewhat; for instance we need some system of alarm different from what has been in use, and at the same time a system that is not expensive. Several plans have been suggested, but we would recommend a bell and tapper on the Town Hall as being the most feasible for our requirements.

As you are all aware, there has come to us this year through efforts of our legislative committee, so called, W. J. Mewer, Wm. E. Dobbins, Percy N. H. Lombard; and other friends, both residents and non-

residents, the sum of six thousand, five hundred and fifteen dollars and fifty cents (\$6,515.50), being a refund of State tax for two years, and also three thousand dollars (\$3,000), the first installment of an eleven year payment of that amount from the State on account of our disastrous fire. The first item of \$6,515.50 was, as you will see by this report, divided between the Contingent Fund and Sidewalk and Highway departments. The Three Thousand dollars was spent entirely on cement sidewalks, for which vouchers were filed with the State Auditor.

There has been built during the year the following number of yards of permanent or cement sidewalks, which we think will be a lasting benefit to the town. This work was let out by contract to Chas. E. Appleby and Fred B. Cobb, two responsible men engaged in that kind of work, at \$1.10 per square yard. Several bids were received from Portland and Biddeford parties, but they were all in excess of this figure. As reported above there has been built 438 1-2 sq. yards of cement sidewalk on the Southerly side of West Grand Ave., 573 1-3 sq. yards on East Grand Ave. and Cleaves Street, 267 1-3 sq. yards on Saco Road, 374 1-3 sq yards on Staples Street, 1016 1-3 sq. yards on the Westerly side of Union Ave., 99 sq. yards on Easterly side of Union Ave., 69 2-3 sq. yards on South side of Central Ave., 315 sq. yards on Fort Hill Ave., 851 4-9 sq. yards on North side of East Grand Ave. All of

this work was done by Mr. Appleby. Mr. Cobb built 801 sq. yards of cement walk on westerly side of Old Orchard Street, and 570 sq. yards on the Southerly side of East Grand Avenue.

We would recommend the continuance of this work the coming year, having especially in mind a continuance of the walk on Saco Road, both in a westerly and easterly direction from the walk already laid on this Street. Also a walk on Atlantic Avenue, a much traveled thoroughfare. We would recommend that at least \$2,000 be appropriated by the town for Cement walks.

Mr. Chute, the Road Commissioner, built two sections of permanent Highway, in fact started three, one, however, being under the direction of the State Highway Commissioner. This was the much improved road that we now have on the Saco Road. Then he made a good commencement on East Grand Ave. and at the foot of Old Orchard Street.

If we continue the appropriation of \$2,000 for both our highways and sidewalks for a few years, with the help we got from the State for these purposes, a very great improvement will be made in the town, and this will add greatly to the natural attractions of our beautiful Summer resort.

On account of the heavy and numerous appropriations made by the voters at the last town meeting the Assessors were obliged to make a greatly increased tax

rate for this year, namely \$25.20 per thousand. We think that with the large amount of work done this past year that we should feel satisfied to curtail somewhat in our expenditures, and get as near as possible to our former rate of two per cent. Trusting that the coming year will be a prosperous one for our town.

We are Respectfully,

N. ROBINSON } Selectmen
C. A. LEAVITT } of
Old Orchard.

ANNUAL REPORT OF CHIEF OF FIRE DEPARTMENT

TO THE HONORABLE BOARD OF SELECTMEN OF THE
TOWN OF OLD ORCHARD:

I herewith submit my annual report for the year
ending Jan. 31, 1910.

We have been rather unfortunate in regard to fires
this year. It has been an exception to years in the past.
Two cottages of N. Goodkowsky have been destroyed,
also a bungalow belonging to W. F. Gilpatrick and the
home of W. F. Fernald and the Cedar Brook cottage;
besides several minor alarms.

I would recommend the buying of 1500 ft. of hose
as the hydrants are such a distance apart we have not
enough hose to use more than two streams on some
places; for instance, the fire at W. F. Fernalds we could
use but two streams on account of shortage of hose.

I would also recommend that all hydrants be
changed to standard steamer connection, especially the
ones at Cleaves St., B. M. R. R. Park and W. G

Smiths, also for Union and Grand, Union and Second Street and Union Ave. at the top of hill.

I would also recommend the purchasing of a new hose carriage, as the one we now have is not suitable for a two horse hitch.

The roll is complete, and the boys take an interest in the Department, and I think will take more if they are given a proper alarm system and sufficient material to work with.

Respectfully submitted,

Geo. W. Cleaves,
Chief Engineer of Fire Department.

TWELFTH ANNUAL REPORT
OF THE
FREE PUBLIC LIBRARY

TO THE TOWNSPEOPLE OF OLD ORCHARD:

Again it becomes the pleasant duty of the trustees to report a satisfactory year of your library. There are many gratifying evidences that its purpose to up-build the public taste for a better, more helpful, and inspiring class of reading, is gaining strength week by week. Every facility is gladly offered its patrons, to name books or magazines desired and every such suggestion is welcomed and carefully considered.

For the means at the disposal of the board it is believed that the reading room is fairly well equipped with a goodly variety of magazines and books of reference, covering the ever enlarging field of knowledge. The use of this room will always be of advantage to all imbued with an earnest desire for self-improvement. Quiet and orderly behavior is so obviously required for the benefit of all that occasional lapses from strict

decorum are very difficult to understand. The surrounding environment of good books ought ever to tend to uplift all within its influence.

The valuable co-operation of our painstaking librarian and the generally hearty kindness of the patrons are warmly appreciated.

Respectfully submitted,
E. W. Wright, Secretary.

LIBRARIAN'S REPORT

TO THE TRUSTEES OF THE OLD ORCHARD PUBLIC
LIBRARY:

REPORT OF SUPERINTENDENT OF SCHOOLS.

TO THE CITIZENS OF OLD ORCHARD:—

At the last town meeting Mr. E. W. Wright, was elected to take the place of Mrs. Nettie L. Chase on the Superintending School Committee. The committee organized electing Mr. W. F. Worcester chairman.

The same teachers, who had been elected for the fall and winter terms, were retained during the spring term. At the close of the spring term Mr. Carver, Miss Beals and Miss Richardson resigned. Mr. Charles B. Lamb was elected to take the place of Mr. Carver as principal of the High school, Miss Lillian Maud Small to take the place of Miss Beals as assistant in the High school and Miss Grace Hayford to take the place of Miss Richardson in grades five and six. In August Mr. Record resigned and Mr. Newman M. Wilson, who had substituted for him during the previous winter term, was elected to take his place in grades seven,

eight and nine. In September Mr. Snow resigned and Mr. Lamb was elected to take his place as Superintendent of schools, thus uniting this position with that of principal of the High school. At the close of the fall term, Miss Hanson resigned and Miss Hayford was transferred to grades three and four to take her place. Miss Susie M. Randall was elected to take the place of Miss Hayford in grades five and six. This left Mrs. Elden in grades one and two, the only teacher who had taught as a regular teacher in the Old Orchard schools previous to this year—a condition much to be regretted, as neither teachers nor scholars can do their best work when they are strangers to one another.

During the summer vacation the furnace in the smaller school building was lowered in order to remove it farther from the floor timbers and thus insure greater safety from fire. The girls' toilet room in this building was cemented. One side of the roof on the High school building was newly shingled, and all the loose clapboards on the sides of this building were renailed and the cracked and broken ones, of which there were quite a number, were replaced by new ones. This building was given two coats of paint. About three hundred feet of new fence was built and some grading done about the buildings, as well as the usual number of minor repairs which have to be made each year.

The students of the High school have put electric

lights into the lecture room of the High school building.

On Nov. 15 the York County Teachers Association held their annual meeting at Old Orchard and the students of the High school, assisted by the people of the town, furnished dinner and supper for those in attendance. From this they realized above expenses, \$61.44, which sum they propose to spend for reference books and a revolving bookcase in which to keep the books.

The English course of study, offered in the High school has been approved by the State Superintendent of schools for another year, and the Superintending School committee has decided to offer, in addition to this English course, a college preparatory course of study, which will fit students for any college in the state.

The High School has no class of 1910, while a neighboring institution of learning has, in its last catalog six students from Old Orchard registered in this class. Last fall every student who was prepared to enter the High school from the Grammar school, did so, and in addition to these, one entered from Auburn Grammar school, one from Lisbon Falls, and still another from Scarboro High school. This works a step in the right direction, for there can be little doubt but that the proper place for Old Orchard students to attend school is in Old Orchard unless they are preparing to enter some institution of higher learning, for

which they cannot here prepare themselves , and now that our High school offers a college preparatory course of study, cases of this kind will doubtless be rare.

The ever increasing requirements demanded of High schools by the state authorities make it imperative that scholars be farther advanced before they are allowed to enter the High school. This makes more work in the lower grades necessary, and impresses upon us the advisability of having only the best teachers and equipment in these grades, as well as the hearty cooperation of the parents in securing regular attendance and faithful work on the part of the scholars.

Respectfully submitted,

Charles B. Lamb, Supt. of Schools

27th. To see if the town will vote to instruct the Municipal officers in regard to the expenditure of the \$3000 appropriated by the State for the town of Old Orchard.

28th. To see if the town will vote to instruct its treasurer to sell any tax claim it may hold on property bid in for taxes on property so sold.

29th. To see if the town will vote to instruct its treasurer to bid in tax claims at tax sales held by the collector of taxes for the sale of unpaid taxes of resident and non-resident owners.

30th. To see if the town will vote to purchase a suitable hose cart or combination hose and ladder truck

for use of the Fire department and what sum of money they will appropriate therefor, all within the limits set out in Section IV of the Act of incorporation of the town of Old Orchard, to be a separate tax, to be assessed and collected as provided in said act.

31st. To see if the town will vote to purchase an additional street sprinkler for the use of sprinkling additional streets and ways, and what sum of money they will appropriate therefor; and what instructions the town will vote to give the Road Commissioner or other person having charge of said sprinklers.

32nd. To see if the town will vote to build a cement sidewalk on the northerly side of Central Avenue and what appropriation they will make therefor within the limits set out in Section IV of the Act of incorporation, to be a separate tax, assessed and collected as provided in said act.

33rd. To see if the town will vote to regulate the building of cement walks, by instructing the Selectmen to construct walks where abbuttors will pay for one half of the expense, provided said walk is on a town way used by the public enough to demand the building of said walk.

34th. To see if the town will vote to use the Australian Ballot in town election, with proper voting booths as required by the Morey bill for larger places.

35th. To see if the town will vote to designate and set apart a definite sum of money from the regular appropriations for highways and bridges and also the appropriation for sidewalks; for the purpose of maintaining and constructing highways and sidewalks in that part of Old Orchard known as Ocean Park, and what sum it will so set apart for each purpose.

36th. To see if the town will vote to accept St. John Street as laid out by the Selectmen.

37th. To see if the town will vote to accept Street as laid out by the Selectmen.

38th. To see if the town will vote to reimburse G. L. Hyde to the extent of one half of cost of cement sidewalk built by him on Old Orchard Street adjoining his property, or what action they will take in said matter, and what sum of money, if any, they will appropriate therefor.

39th. To see what action the town will take in regard to reimbursing Thomas L. Cleaves, to the amount of one half of cost of cement sidewalk built by him adjoining his property on Old Orchard Street, and

what sum of money, if any, they will appropriate therefor.

40th. To see what action the town will take in regard to reimbursing A. O. Hill to the amount of one half of cost of cement sidewalk built by him adjoining his property on Camp Comfort Avenue, and what sum of money they will appropriate therefor.

41st. To see if the town will vote to locate an electric light at the corner of Evergreen Avenue and Fifteenth Street and what sum of money they will appropriate therefor.

42nd. To see if the town will vote to locate an electric light on the corner of Wesley Avenue and Sixth Street and what sum of money they will appropriate therefor.

43rd. To see what action the town will take in regard to lighting Oakland, Maplewood, and Wesley Avenue and Church Street during the Summer Season, and what sum of money they will appropriate therefor.

44th. To see if the town will vote to adopt the following ordinance or by-law, in regard to the appointment and duties of a town electrician; said town elec-

trician shall have access at all reasonable times, to all wires, appliances and apparatus in the interior of the public buildings, or on private premises, which are intended for carrying an electric light or power current and no person shall arrange, affix or change any such wires or apparatus without giving the town electrician reasonable opportunity to inspect such wires and their arrangements and fixtures, before the same are covered or enclosed, and no such wires shall be placed in any building in process of construction until all gas, steam sewer, water, and furnace pipe have been placed in proper position. Such wires in the interior of buildings, or on private premises, shall not be connected with an outside circuit which crosses or runs along, over or under any street or way of the town, without written permission therefor having been first obtained from the town electrician.

All persons violating the provisions of these ordinances, shall be subject to a penalty of not exceeding five dollars for each offence, to be recovered by complaint to the use of said town. Inspection fee \$1.00

45th. To see what action the town will take in regard to claim of Richard S. Robinson for damages caused by raising grades of Washington Street, Evergreen and Atlantic Avenue, in said Old Orchard.

46th. To see what action the town will take and what sum of money the town will raise to install a fire alarm of some nature either bell or whistle, or other-

wise improve the present system of alarm.

47th. To see if the town will vote to locate a permanent electric light on Westland Avenue, as laid out by the selectmen, and opposite the M. C. Johnson property where summer light is now established, and what sum of money it will appropriate therefor.

48th. To see if the town will vote to furnish soil or loam for the purpose of setting out trees on Arbor Day, and that the town team be used for such purpose depositing a load of loam for each tree, if necessary, and at such location as may be designated by the Selectmen.

49th. To see what action the town will take, and what sum of money they will appropriate to pay the balance of the legislative bills now outstanding.

50th. To see what action the town will take in regard to placing 200 or more feet of hose at Pine Park, so called, to be for use of hydrant placed in that part of town.

51st. To act on any other business that may legally come before said meeting.

The Selectmen hereby give notice that they will be in session at the Town House, for the purpose of revising and correcting the voting list, on the morning of

election, from 8 to 10 o'clock, A. M.

Given under our hands this 26th day of February,
A. D. 1910.

We are Respectfully,

N. ROBINSON } Selectmen
C. A. LEAVITT } of
} Old Orchard.
