 Dec. 31- Statira S. Pillsbury, 91, Chronic Rheumatism

Respectfully Submitted,

FRED I. LUCE,

Deputy Town Clerk

School Report

To the Citizens of Old Orchard:

Greater emphasis on fundamentals and matters of elemental knowledge has been the major feature of educational endeavor in Old Orchard schools during the past year. As during last year closer co-ordination of the whole system is being promoted in order to give every pupil all the time the aid of the entire system. In this way we hope to graduate pupils better and better prepared for life beyond school.

IMPROVEMENT OF INSTRUCTION

In carrying out this aim, Old Orchard schools are joining with those of other progressive communities in recognizing individual differences in pupils. Likewise the reward of performance before a group has been used to encourage improvement by the individual pupil. For instance in some of the grades, proficiency in reading makes a pupil eligible to membership in a reading club whose members read before an assembled group at various times.

The present efficiency of instruction is shown by the fact that two of our pupils have won State medals for excellence in composition offered by The American Legion. The highest medal for 1924 was won by Harold Goodkowsky and the third highest medal for 1925 was won by Christine Dolbier. Several pupils during the year have created advertising designs for local people which have attracted favorable comment.

Again reaffirming our belief that good health is the most important thing we can assist our boys and girls in obtaining and retaining, we have been pleased with the year's achievement along this line. Another pen-

nant in the National Modern Health Crusade has been won by one of our elementary schools.

In our junior-senior high school a health club promotes adherence to good health practices while providing entertainment for the members. The development of "follow-up" work to correct physical defects has been especially pleasing this year.

Dr. J. L. Pepper, district health officer of the State Department of Health has made himself familiar with the efforts of our schools and results obtained, and at our request has done some health inspection. In commenting on the situation, he has written;

"There is a much lower percentage of physical defects to be found on inspection than is usual in the schools throughout the state. There is a high morale perceptible, bright faces, attention to the teacher and others who may be asked to talk to them or instruct them, and I will venture to assert, although I have not made any inquiry, a much less loss of school time than in the days before such work was done. School time saved is one of the greatest of savings."

Dr. Pepper rightly attributes our success along this line to the interest of the teachers in the program and the co-operative willingness of parents to take the inspection seriously and to assist in carrying out the recommendations. The report of Dr. Brown, which is appended, shows concretely the advance which has been made.

To insure efficiency of health production and health education in our schools, we must provide adequate facilities for physical training. This includes adequate space for games and equipment for corrective

exercise. Any proposals along this line should have the support of all citizens.

All improvements in the mental and physical equipment of our children have been the result of a most co-operative relationship among all members of the educational staff. We should all realize that success can only come from the splendid type of teacher we have been able to attract to and retain in our schools.

ADMINISTRATION

During the year our junior-senior high school has successfully met the greatest test that can be applied to any school organization. Two teachers have left the staff and been replaced by others and a fourth new teacher has been added. All of the resigning teachers were exceptionally efficient and had given most thoughtful and cooperative service to our schools. We were very sorry to see them go. The new teachers come excellently recommended and are proving their efficiency.

The most encouraging sign was that the stability of the organization is such that a wholesale change of staff does not cause any disruption. Especially at a time like this do we appreciate Principal Jewett's earnest efforts and administrative ability made the more valuable through his continuity of service in the system.

This change, however, should warn us that we must keep pace with salaries and inducements of other progressive communities and maintain to the utmost the continuity of teacher service in our schools.

For the first time, at the beginning of the year an established school calendar, a copy of which is appended, was issued. This removes uncertainty as to school dates on the part of parents and teachers.

Financially this year we have been gratified to receive from the state amounts in excess of those anticipated. Also, by careful economy and by taking advantage of unexpected possibilities we have been able to keep some expenditures below the anticipated amount. Details of these finances are to be found in the financial report. These benefits are evidence of the care with which your Board of Education conserves the resources of the town. On the other hand, no one should consider that the carefully estimated requests of the board can be reduced because of unexpected savings which the board has been able to make during a previous year.

To your Board of Education I wish to express my appreciation of the cooperation and painstaking care of each member. Up to last March your schools profited for many years from the board membership of Charles A. Dolbier. Henry F. Worcester, during his short term, was a valuable advisor in formulating board policies.

The members of the Board, as at present constituted, have given most generously of their time and thought in an earnest endeavor to master every detail connected with school administration, and have done everything within their power to maintain high standards in the Old Orchard schools.

During the past year a very satisfactory addition, containing improved sanitary arrangements, has been made to the high school building. Much credit is due your Board of Education for the successful planning of this addition as well as for careful supervision during the time of construction. Some new equipment has been added to both buildings. Equipment for the health room in the elementary school has been fur-

nished through generosity of the Old Orchard Branch of the Red Cross.

FUTURE PROGRAM

For the coming year I respectfully recommend the following development:

1. The laying of a cement floor in the basement of the elementary school building. This improvement will allow the use of the basement for additional, necessary school activity. For instance, it seems likely that during the coming year the room on the first floor now used for a lunchroom will have to be used for class purposes. In such case, the improved basement will provide lunch facilities.

The laying of this floor will also make possible the improvements indicated below.

2. The setting off and equipping of a woodworking room in the basement of the elementary school building. As indicated in the report for last year, we are presenting a fairly good program in homemaking for girls, but little manual or vocational training for boys. If we do provide it, we will receive state financial aid. The tools for such a manual training room are already available from a previous course which we were forced to abandon because of lack of suitable quarters.

3. Financial provision for an additional teacher. Various conditions point to this need. Our seventh and eighth grade group is rapidly approaching a size which will demand division. The increase of fall and summer pupils from summer residents makes a considerable problem of numbers at those times. The establishment of manual training will also require part of the time of a teacher. Over and beyond these needs,

SCHOOL CALENDAR

1925—1926

Fall Term, 14 Weeks

Term opens Tuesday, Sept 15, and closes Friday, December 18, 1925

Winter Term, 12 Weeks

Term opens Monday, Jan 4, 1926, and closes Friday, March 26, 1926.

Spring Term

Junior—Senior High School, 10 weeks and three days.

Elementary Schools, 10 weeks.

J. S. H. S. opens Monday, April 5, 1926 and closes Wednesday, June 16, 1926.

Elementary Schools open Monday, April 5, 1926 and close Friday, June 11, 1926.

Vacations and Holidays

Columbus Day, Monday, Oct. 12, 1925.

Armistice Day, Wednesday, Nov. 11, 1925.

Thanksgiving Recess, Nov. 26—Nov. 29 [inc.]

Dec. 19, 1925—Jan. 3, 1926 [inc.]

Washington's Birthday, Monday, Feb. 22, 1926.

March 27, 1926—April 4, 1926 [inc.]

Patriot's Day, Monday, April 19, 1926.

Memorial Day will be observed Monday, May 31, 1926.

part of the time of a teacher may well be given to the special assistance of pupils needing it. With the necessary funds available, and after a study of the problems, it is certain that a teacher can be selected in such a way as to solve two or more of these problems.

One of the most gratifying developments during the school year has been the growth of interest of citizens in educational activities. With the assistance and council arising from such interest, we can all work together enthusiastically for the development of our future citizens,—those who in a few short years must take our places in maintaining the progress of Old Orchard.

Respectfully submitted

F. H. B. HEALD,

Supt. of Schools.

PRINCIPAL'S REPORT

To the Superintendent of Schools:

This year as Principal of your entire school system I shall endeavor to include in this report statements of conditions as I find them in both the elementary and secondary departments.

Our registration has grown so that at present we have a greater number registered than formerly made up of our entire school census. We still have room for a greater growth in our elementary department. Our secondary department however has very nearly reached its limit. This year we were obliged to use a separate room as home room for grade nine. Grades seven and eight are so large this year that their home room is taxed to its utmost capacity. The incoming classes will be as large if not larger than in the past.

The sanitation in the secondary building has been extensively improved with the addition of the new toilets. This was a much needed change. It will be a great safeguard to the health of our pupils.

The teaching staff for the elementary department remains the same as last year. This is not so however with the secondary department. We have had a complete change here. We were very sorry to lose our former teachers. To their excellent services is due in a great measure the present high standing of the school. We are very much pleased with the new staff of teachers. Their excellent work during the first semester has proved them to be very efficient.

This year in the secondary department, we have used a rotating schedule. With this method, we are working on a different schedule every two weeks. This has the effect of dividing up the recitation and study

periods so that no one group of students would get a particularly difficult combination for a longer period than two weeks. We feel that it has been very helpful in bringing about desired results.

The excellence of our English department has been very clearly emphasized in the fact of our school winning state honors in The American Legion essay contests, which are conducted each year. A year ago we won the highest award offered by the state and last year our school again won recognition by securing the third award. We are indeed very grateful to the local Legion Post for conducting these essay contests. Such contests are very helpful to the student body as a whole.

Our dental and medical inspections revealed the splendid progress that the schools are making in their health work. We cannot over emphasize this most important part of the pupil's development. Upon health depends all of the other requisites for success. Healthy bodies help to make better attendance, better work while at school, and better general results in every way. Our aim in the health work is 100 per cent perfect teeth and tonsils. The splendid cooperation of teachers and parents and others interested, is helping to bring about this result. Just recently, the elementary school gave an entertainment and supper, the proceeds of which are to be devoted to the carrying on of this work in their department. The untiring devotion of grade V to their health work and health chores won for them a banner in the National Health Crusade last year.

With the improvement in the health of the scholars came, almost immediately, the improvement in the attendance records. This has been gaining steadily, until this year we find the fewest cases of absence and tardi-

ness that has existed for several years. In our secondary department, we find several scholars that have not been absent or tardy for a year, and some that have not been absent or tardy for the past three years.

In my brief report, I have endeavored to bring to your attention, the most important factors that have to do with make up of our school. Our general progress has been very satisfactory. Our scholastic standard has had an upward tendency. Our outside activities have been about the same as last year. Our orchestra and glee club have made excellent progress. Our Oceanic board has put forth its best effort to make this year's paper above the average.

In closing, I wish to thank all who are in any way connected with the schools for the splendid spirit of cooperation shown throughout the past year.

Respectfully submitted,
FRANK H. JEWETT, Principal.

REPORT OF SCHOOL DENTIST FOR YEAR

F. H. B. Heald, Superintendent of Schools,
Old Orchard Me.

Dear Sir—

I herewith tender my report as dental inspector
for Old Orchard schools for year 1925—1926;

Total number of pupils examined 192.

Total number of pupils having teeth in perfect
condition, 23.

Total number of pupils having one cavity each, 16.

Total number of pupils having two cavities each, 16.

Total number pupils having three cavities each, 23

When we compare these numbers with those of
1922:

191 pupils examined with three having perfect
teeth, four having one cavity, ten having two cavities,
and sixteen having three cavities.

You will note that this year 43 per cent of your
pupils had three cavities or less and many of these
were very small, while in 1922 only 17 per cent of your
pupils had three cavities or less. Not only this, but
the general condition including teeth, and soft tissues
of the mouth have undergone a marked improvement
showing intelligent care that was very largely wanting
in 1922.

Respectfully submitted,
CECIL P. BROWN, D. D. S.

665 Congress Street,
Portland, Me.

Report of the Board of Health

The Board of Health begs to report that the sanitary conditions in Old Orchard are excellent, considering the large number of people that come and go during the summer season. It is gratifying to know that there is so little sickness through it all. Only two cases of contagious diseases have been reported during the year—one of measles and one of mumps—both mild cases, so that they gave us no cause for alarm.

Garbage accumulation is one of our most trying problems, and many complaints come in to us when the houses are all occupied, at times overtaxing the capacity of the teams that take it away, so that some of the taxpayers feel that the Board is not as vigilant as it ought to be. But it seems impossible to have all the garbage collected promptly and on schedule. A little regulation will help make the work of the teams more efficient.

It is gratifying to see so many of the cottagers providing themselves with the METAL CONTAINERS to hold the garbage. Conditions will be much better, cleaner and safer when all have provided themselves with these containers, and another container of some kind to take care of the dry waste.

The State Board of Health, in its new rules and regulations, is becoming more strict each year, and we note with satisfaction that people in town see the benefit of yielding to these new rules, for when they are followed it becomes a valuable asset to the place. The local Board, through its health officer, has issued health certificates to 794 (seven hundred and ninety four) per-

sons who handle food in one way and another. We have a condition here to be proud of and we have it on pretty good authority that "Old Orchard is the most sanitary resort on the Atlantic coast."

RECOMMENDATIONS

1—That we have a larger appropriation for the Sanitary department, in order to have a larger and more efficient service.

2—That we find, if possible, a more convenient dump for the Ocean Park section.

3—That something be done to regulate the collection of garbage by teams not under contract with the town. Some of the hotel men and grocers dispose of their garbage to private individual drivers from the country. This has led to complaints and confusion in several cases, and should in some way be regulated in the interest of prompt removal of the accumulated waste.

4—If something can be done to eliminate the throwing of corn cobs about the streets and sidewalks when the crowds are here, it would help in some degree to make us a spotless town.

The members of the Board wish to express their appreciation of the way the people of the town have cooperated with them in their efforts to keep conditions sanitary.

HENRY MULLEN,
JOHN D. MACDONALD,
ALBERT ARMSTRONG

Board of Health.

Report of Chief of Police

To the Honorable Board of Selectmen:

It gives me great pleasure to submit to you the report of the Police Department for the year 1925.

I do not think there will be any need of my saying very much as I think the work of the department will speak for itself.

Very few people stop to think that Old Orchard Beach in the summer is larger than most of the cities in Maine, and should be protected by a first class police department. I think you should have two men to patrol your streets from noon until midnight; as it is now all of the men have to be used for traffic work. Another thing that is most needed is parking space. Many thousands of dollars are lost each year because people cannot find any place to park their cars.

Now I believe if you all get together you can find some way to take care of every car that comes to the beach, and in that way make a greater amount of business for everyone there.

As you will note by my report we have saved the town several hundred dollars this year. We had less money appropriated, we had one week longer season, as Labor Day was one week later; we had no Aviation meet this year, but we had excursions that more than make up for the extra crowd of people that came to the beach in 1924.

In view of all that we have a balance unexpended of \$59.68 against an overdraft of \$850.51 for 1924.

I do want to say I take no credit for the work

done or the money saved. I want the credit to go to the men that worked under me, also to the people of Old Orchard. Everyone was very kind to me and helped to make my work a success; nothing was done to place a stumbling block in my way, and I trust I in no way disappointed you.

On the other hand if you have any criticism to offer I want you to criticise me and me only.

Library Report

To the Citizens of Old Orchard:

The Trustees of the Free Public Library present herewith, the several reports of the officers for the fiscal year.

The Library, each year, is increasing, not only in the number of books it contains, but also in efficiency. This year we have purchased the New International Encyclopedia, which is up to date in every way, being the latest and most complete that can be obtained. We hope the citizens of the town will take time to examine and make use of it. During the year we have bought six new chairs and made several other improvements in the rooms.

Owing to the death of our former librarian, who had served us so long and faithfully, we procured Miss House to fill the vacancy. We are sure the patrons of the Library have and will find her ready to serve them in every way possible.

Any suggestions of improvement or books desired will be gladly received by your Trustees.

Respectfully submitted,

KATIE L. LUCE

C. R. L. SNOW

HELEN FITZGIBBONS

C. R. L. SNOW, Treasurer

Report of Chief Engineer of the Fire Department

To the Citizens of Old Orchard:

Your department answered 46 calls during the past year, among which was the dwelling of Mrs. Murphy on 8th Street, partially burned; the Titlebaum property on Imperial Street, partial loss; Jewett Garage on Short Ave. total loss; George Louis, dwelling on Saco Road, Pine Park, badly burned; Pavilion at Ocean Park, total loss, Ford Sedan slightly damaged. The men did excellent work at all of these fires, besides rendering valuable service at several forest fires. I would recommend that a separate company of about 10 men be raised to care for woods fires. Would recommend the purchase of 1000 feet of new hose. With the new apparatus now installed the Company is in a good position to render quick and valuable aid at any fire that may occur.

Respectfully submitted,

THEODORE H. MINGO,

Chief.

Auditors' Reports

Old Orchard, Me., Feb. 1, 1926.

To the Legal Voters of the Town of Old Orchard:

Have carefully examined the accounts of the Selectmen, Assessors, Overseers of the Poor and Treasurer to September 1, 1925, and find them correct and properly vouched for.

LAKE C. ABBOTT, Auditor.

DEPUTY AUDITOR'S REPORT

Old Orchard, Maine Feb. 12, 1926

To the Legal Voters of the Town of Old Orchard:

I have examined the accounts of the Selectmen, Assessors, Overseers of the Poor, Treasurer, Collector of taxes between the dates of September 1, 1925 and December 31, 1925, and the Treasurer of the Public Library for fiscal year ending Dec. 31, 1925, and find them correct and vouched for properly.

HENRY F. WORCESTER, Deputy Auditor.

Report of Town Treasurer

ARTHUR L. JONES, Treasurer, Town of Old Orchard, Me.

Herry Newman Hall Lombard

Born at Biddeford, Maine, April 11, 1880, the second son of John F. and Clara T. Lombard.

Died at the Wiley Hospital at Bar Mills, Maine, Oct. 3, 1925. His age was 45 years and 5 months.

He was first elected as town agent in 1908.

Moderator of the town meetings in March for nine years, 1911, 1912, 1913, 1918, 1919, 1920, 1921, 1922, 1923. Selectman, assessor and overseer of the poor two years, 1914 and 1916. Selectman, 1915. Selectman and overseer of the poor, 1917. Representative to the State Legislature from the classed towns of Old Orchard and Kennebunkport, 1915-16.

Appointed trial justice at Old Orchard May 7, 1913; resigned during term in the Legislature; reappointed in 1917, and at the expiration of the seven years term in 1924, Judge Lombard received his third appointment.

Town Warrant

March 1, 1926

To John D. MacDonald, Constable of the Town of
Old Orchard, in the County of York:

Greeting:—

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of said Town of Old Orchard, qualified to vote in town affairs, to assemble at the Town Hall in said town, on Monday, the 1st day of March, A. D. 1926 at 9 o'clock in the forenoon, then and there to act upon the following articles, to wit:

1st. To choose a moderator to preside at said meeting.

2nd. To choose all necessary town officers for the ensuing year.

3rd. To hear and act upon the reports of the town officers and all special and standing committees.

4th. To see what action the town will take in relation to pay of town officers.

5th. To see what sums of money the town will raise: 1st, for common schools. 2nd, for free high school. 3rd, for free text books. 4th, for making and repairing highways and bridges. 5th, for the support of poor. 6th, for the pay of town officers. 7th, maintaining street lights, 8th, for contingent expenses. 9th, for sanitary expenses. 10th, for town interest. 11th, for repairing school houses. 12th, for the public library. 13th, for heating, lighting and care of town property. 14th, for moth nests. 15th, State road patrol. 16th, public toilet. 17th, school supplies. 18th, for transportation of high school scholars. 19th,

for advertising. 20th, for payment of serial bonds. 21st, for Tarvia. 22nd, school house maintenance.

6th. To see what sum of money the town will vote to raise to pay collector's commission and abatements.

7th. To see what compensation the town will vote to pay the collector for collecting taxes for all moneys actually collected.

8th. To see if the town will vote when the taxes shall be committed to the collector for collection and what rate of interest, if any, will be charged thereon, thereafter.

9th. To see if the town will authorize the Selectmen and Treasurer to hire money in anticipation of taxes.

10th. To see if the town will authorize the Selectmen and Treasurer to issue town notes to pay those, if any, which fall due the present year.

11th. To see if the town will authorize the Assessors to make such abatements as they think reasonable.

12th. To see what action the town will take and what sums of money the town will raise to maintain a police force; to construct and maintain sidewalks; to construct and maintain sewers and drains; to maintain fire department; to maintain town team; for hydrant rental; for interest on debt incurred in the fire department, sewers and loans, all within the limits set out in Section IV, of the act of incorporation of the town of Old Orchard, to be a separate tax, to be assessed and collected as provided in said act.

13th. To see if the town will vote "yes" or "no" on the question of appropriating and raising money necessary to entitle the town to State aid as provided in Section 20 of Chapter 130 of the Public Laws of 1913.

14th. To see if the Town will raise and appropriate the sum of \$1333 for the improvement of the section of State Aid Road as outlined in the report of the State Highway Commission, in addition to the amounts regularly raised for the care of ways, highways and bridges, the amount being the maximum which the town is allowed to raise under the provisions of Section 19 of Chapter 130 of the Public Laws of 1913, or such other sum as is deemed necessary.

15th. To see if the town will vote to appropriate a sum of money separate from and in addition to the regular highway appropriation for the purchase of Tarvia, or any other dust laying or road saving material and what sum they will so appropriate.

16th. To see if the town will vote to appropriate a sum of money sufficient to pay for the services of a school physician as required by Chapter 73, of the Public Laws of 1909.

17th. To see what action the town will take and what sum of money they will vote to raise for the purpose of keeping clean or free from paper and other waste matter, Surf Street, Old Orchard Street and East and West Grand Aves, or those parts of East and West Grand Ave. contiguous to the congested center of the town, during the summer months.

18th. To see if the town will vote to provide extra lighting on the sea wall during the summer months, and how much it will appropriate therefor.

19th. To see what action the town will take in regard to extra lighting of streets during the summer months and how much it will appropriate therefor.

20th. To see what streets or parts of streets the town will vote to lay dust during the summer months,

and what part of the cost thereof, if any, shall be assessed against the property thereon as provided by law.

21st. To see what action the town will take and what sum of money, if any, the town will raise to maintain a winter patrolman.

22nd. To see what action the town will take in regard to maintaining and lighting sign, now located at the foot of Old Orchard Street, and what sum of money they will raise therefor.

23rd. To see if the town will vote to maintain a permanent fireman at the Town Hall for the purpose of driving the fire truck when required and doing other work about the building and grounds, and what sum of money they will appropriate therefor.

24th To see if the town will vote to raise the sum of \$200, or such sum as is deemed necessary to purchase oil and apply the same for the extermination of mosquitoes.

25th. To see if the town will vote to instruct the Selectmen to appoint a building inspector for the ensuing year and determine his compensation.

26th. To see what action the town will take in regard to permitting peddling on the Beach, or the taking of pictures thereon by transient photographers, or any other business on Surf Street and the Beach during the summer season.

27th. To see what action the town will take in regard to permitting automobiles, motorcycles, aeroplanes and other fast moving vehicles on the Beach during the so-called Beach season.

28th. To see if the town will authorize the Selectmen and the Chief of Police to employ two or more special officers to act as life-savers from July 1 to Labor Day and what sum they will appropriate therefor.

29th. To see if the town will vote to place two or more firemen on regular duty at the fire station during the summer season, and how much money they will appropriate therefor.

30. To see if the town will vote to authorize the Selectmen to lease the Public Toilet for a term of years.

STREET LIGHTS

31st. To see if the town will vote to locate, establish or relocate or change the following street lights, as petitioned for by various persons, and what action they will take on the following requests, and what sum of money they will appropriate therefor.

Change light at corner of Hillside and Park Ave. from four months to yearly light; change light at corner of Seaside and Reggio Ave. from four months to yearly light; locate two large lights at corner of Grand Ave. and Temple Ave.; change light on Church Street from four months to yearly light; locate yearly light at corner of Burdette St. and Wesley Boulevard; locate yearly light at or near residence of E. A. Moison on Saco Road; locate yearly light at junction of Winona and W. Grand Ave.; locate four months light at junction of Colby and W. Grand Ave.; locate a four months light at junction of Casco and W. Grand Ave.; locate four months light on pole midway between Grand Ave. and 4th St, on Temple Ave.; locate four months light on pole near Ocean Park Restaurant on Temple avenue; four months light now located between Casco and Tioga Aves. to be moved to corner of Tioga and Grand Aves. change light at corner of Randall Ave. and 9th Street from four months to yearly light; locate a yearly light on Carll Ave. Seaside Park (light now there being maintained by Maine Investment Co.); change four

months light on Randall Ave. Cor. of 6th Street to yearly light; change four months light on Randall Ave. between 9th and 10th Streets to yearly light; locate yearly light at or near residence of Mrs. B. B. Jordan on Portland Road; change two lights on First Street from yearly to four months lights; change four months light now located at corner of East Grand Ave. and Roussin Street to yearly light; yearly light on Smith Wheel Road near property of Alfred Letarte; yearly light, corner Union and 16th Street.

32nd. To see what action the town will take in regard to rearranging the lighting on Old Orchard Street, how many lights it will vote to install, how long they shall be continued in the summer, and how many in winter and what sum they will appropriate therefor.

STREETS AND AVENUES FOR ACCEPTANCE

33rd. To see if the town will vote to accept the following named streets and avenues as laid out by the Selectmen:

Seaside Ave. from Tunis Ave. to Ancona Ave.

Parcher Street from Grand Ave. to Surf St.

Emery " " "

Grand Ave. and that portion of the Ave. already graded; Tunis avenue Tripoli avenue, Odena avenue from W. Grand avenue to Seaside avenue, Duroucher avenue; app. \$200 to widen W. Grand avenue at junction of Temple avenue. app. \$200 to grade and gravel 4th from Winona avenue to Temple avenue: Grove St. from Ivy avenue to Park avenue, Fern Park avenue; app. \$50 for Ocean avenue from W. Grand avenue to South St.; app. \$200 for Smith Wheel Road: to gravel Surf St. from the Hooper residence to Tioga avenue.

35th. To see what action the town will take to improve Old Orchard St. and how much money they will appropriate therefor.

36th. To see if the town will vote to improve Staples, Milliken and Imperial Sts. and use them for parking automobiles, and how much money they will appropriate therefor.

37th. To see if the town will vote to instruct the Assessors to separately assess that portion of the Pier and Casino thereon as is below low water mark, and authorize the Collector to employ counsel, if necessary to collect tax levy.

SEWERS

38th. To see if the town will vote to relay sewer on

Old Orchard avenue from Second St to First St. On Union avenue from Second St. to Third St. In Camp Ground from southerly side of stand to Washington avenue. Heath St. or a part thereof. On Old Orchard St. from Portland avenue to Catch Basin. On Sixteenth street.

39th To see if the town will vote to install a Public Drinking Fountain on Old Orchard St. at or near Public Toilet and what sum of money they will appropriate therefor.

40th. To see what action the town will take in regard to changing the date of the Annual Town Meeting from 1st Monday in March to some date in October or November.

41st. To see if the town will vote to locate a hydrant at or near the corner of Park and Ivy avenue; also one on Portland Road at or near residence of Roy Emery.

42nd. To see if the town will vote to build a new bridge across Walnut Street, and what sum of money they will appropriate therefor.

43rd To see if the town will vote to maintain during the Summer season marks for crossings on Old Orchard Street, by having certain places on said street painted with white or zone paint; to wit: at the Post Office, at Hotel Everett, and at Milliken Street, and what sum of money they will appropriate therefor.

44th. To see if the town will vote to reimburse Charles W. Usen for cement walk built by him at his expense on westerly side of Staples Street in 1925, and raise the sum of \$244 therefor.

45th. To see what action the town will take in regard to changing or having changed the town line be-

tween the Town of Old Orchard and the City of Saco, now known and designated as low water mark.

46th. To see what action the town will take in regard to accepting beacon lights placed on approval at certain dangerous corners of streets during season of 1925, and what sum of money they will appropriate therefor, if accepted.

47th. To see if the town will vote to locate a beacon light at junction of West Grand Avenue and Temple Avenue, and what sum of money they will appropriate therefor.

48th. To see if the town will vote to purchase Solar Cans or covered dry waste receptacles for Old Orchard Street, how many and what sum of money they will appropriate therefor.

49th. To see if the town will vote to reimburse the Old Orchard Transportation Co., for taxes paid by them on the Toilet Lot so called, for the year 1925, and if so voted, raise the necessary amount of money therefor.

50th. To see if the town will vote to exempt from taxation the lot occupied by the public toilet for the year 1926.

51st. To see if the town will vote to purchase snow plow now on trial or what action it will take in regard to keeping highways open during the Winter months, and what sum of money, if any, they will raise for said purpose.

52nd. To see if the town will vote to approve the list of jurors as presented by the Selectmen.

53rd. To see if the town will vote to authorize the Selectmen to renew the Street Lighting Contract now existing between the Town of Old Orchard and the Cumberland County Power & Light Co., for a term of five years.

54th. To see if the town will vote to permit Charles W. Usen to erect a bridge or runway at the foot of Staples Street; the same to extend from his premises on the easterly side of Staples Street, to a structure to be erected by him on his premises on the westerly side of Staples Street: the height of said bridge or runway to be thirty feet above said Staples Street; and plans and details to be presented at the town meeting.

55th. To see if the town will vote to purchase a piano for the Town Hall and what sum of money, if any, they will raise therefor.

56th. To see if the town will vote to purchase a truck for the purpose of distributing Tarvia and for other purposes, and what sum of money it will raise therefor.

57th. To see if the town will vote to release unto the Old Orchard Transportation Co., all its rights under lease from the Boston & Maine R. R. Co., in and to the Public Comfort Station lot, so called, on condition that said Company convey to the town, the land on which said Comfort Station stands, with ten feet of land at each end thereof and five feet of land in the rear thereof.

58th. To see what action the town will take and what sum of money the town will vote to raise for the purpose of extending the surface water drain on Milliken Street.

SIDEWALKS

59th. To see if the town will vote to contract cement sidewalks on the following named streets and avenues as called for in several petitions, and what sum of money they will appropriate therefor; on northerly side of Forrest avenue from present terminus to Seaview avenue; from Ancona avenue to Colby avenue along line of former Railroad way; extend sidewalk on Milliken street; about 100 feet on easterly side of Bradbury street; ex-

tend walk on westerly side of Evergreen avenue; on the south-westerly side of Winona avenue from Grand avenue to Seaside avenue; on northwesterly side of Winona avenue from walk of Mrs. Milliken to Seaside avenue; from Colby avenue to Temple avenue along line of former Railroad way; continue walk on easterly side of Portland avenue about 200 feet; on northerly side of West Grand avenue from Union avenue to Ocean avenue; on southerly side of Westland avenue from Avon street to Fort Hill avenue; on easterly side of Saunders avenue; on easterly side of Staples street below West Grand avenue; on northeasterly side of Grove avenue from Ivy avenue to Park avenue; on westerly side of Cottage avenue; raise and rebuild walk now laid on the easterly end of Milliken street or about 350 feet thereof; remove brick and replace with cement about 250 feet of walk on West Grand avenue, commencing at corner of Atlantic avenue and extending easterly; on westerly side of School street from present terminus to northerly side of lot No. 7.

60th. To see if the town will vote to put Tarvia on the Ocean Park Road, or Temple avenue, from Saco Road to B & M Railroad, and what sum of money they will appropriate therefor.

61st. To see if the town will vote to raise and appropriate the sum of one thousand dollars for the purpose of snow bills for the highways, separate and apart from the regular appropriation for highways.

62nd. To see what action the town will take to prohibit persons from using the streets and highways for advertising purposes, particularly the congested parts of Old Orchard street and East and West Grand avenues, needed for parking purposes.

63rd. To see if the town will vote to lay a ten or twelve inch sewer pipe from the head of Milliken street

to connect with catch basin on Old Orchard street below West Grand avenue to care for surface water accumulating at said Milliken street, and what sum of money they will raise therefor.

64th. To see if the town will vote to elect a committee of five persons to act as a Street Lighting Commission to study the street lighting problem and report to a future town meeting or see if the town will vote to give the selectmen or commission power to change any light now located, if considered advisable by them, without a town meeting.

The polls will be open at 9 o'clock A. M. and will remain open until 1 o'clock P. M.

The Selectmen will be in session at the Town Hall, Thursday, Friday and Saturday afternoons, from two to five o'clock P. M., February 25th and 26th and 27th, 1926, for the purpose of correcting the voting list.

Given under our hands this twentieth day of February, A. D. 1926.
