September 2017 Monthly Update from the Finance Office

Finance:

The bond issue through the Maine Municipal Bond Bank has been approved for the WWTF Process Building Upgrade in the amount of \$857,000 and the final closing will be November 2, 2017. The bond loan agreement has been finalized and the interest rate is 2.722%

I am working with Bill Botting on three IT projects:

Over the next two months Munis will be upgraded to version 11.3 from version 10.5. The upgraded version will be installed in the training environment initially where users can test functionality before going "live". I am also looking at installing a new reporting feature to replace Crystal reports and seeing if adding dashboard will fit in FY 18 budget or if it is something to add to the FY 19 budget. Dashboard will simplify delivery of information all in one spot instead of having to go through multiple modules to gather all data for example the same vendor in AP, employee in HR/Payroll or customer in AR/Property Tax.

In addition, Bill is preparing the Exchange server upgrade since the current Exchange 2007 software is no longer supported by Microsoft.

The last item is e-mail archiving which will work with the new Exchange server. Currently all email going in and out of the system uses a Microsoft journal feature stored in its own Exchange Server database, and it is growing immensely, which slows down the email system. The plan is to archive all emails 2 years and older using a new software called MailStore. We will still have access to the archived email, and users will be trained on how to use and how to search for old emails. The search feature using MailStore is also more powerful than what is offered in Exchange and Bill has noted that it will help when there is a request for researching emails for FOIA requests or HR issues.

Tax Office and Collections:

Deb and I continue to work with our bank to implement the new online tax bill pay option to improve efficiency and productivity during tax bill due date timeframes. We have processed the first test file and there is additional work that needs to be done before it can be rolled out to the public.

YTD Budget Report:

Attached please find the year to date budget report through September 30, 2017.

Overall expenditures are at 29.9% of budget through September 30, 2017, which is slightly higher than where it should be three months into the fiscal year, however there are annual assessments that are paid in full at the beginning of the year such as York County Tax, General Insurance, and the Transit Subsidy. The majority of the annual budgeted expenses for Parking Enforcement, Police Reserves, and Lifeguard occur July through the end of September which is

why those expenses are higher in the first three months of the year. Non-property tax revenue is at 38.9% of budget which is attributed to parking meter revenue, State Homestead exemption received in August, and the capital contribution from the Cable Franchise Agreement in the amount of \$70,700.

Respectfully,

Diana H. Asanza,

Treasurer – Finance Director
