SNOW REMOVAL ORDINANCE

Sec. 54-143. - Snow removal.

(a) No vehicle shall be parked at any time on any public street or way so as to interfere with or hinder the removal of snow from such street or way by the town by plowing or loading and hauling. The police chief may cause any vehicle so parked on any street or way so as to interfere with or hinder the removal of snow by the town by plowing or loading and hauling to be removed from the street in accordance with sections 54-276, 54-278, 54-279 and 54-280.

(b) For the purpose of facilitating the removal and plowing of snow, the director of public works or police chief may declare a snow emergency and order a no parking ban. Notice of such ban shall be broadcast as soon as it is reasonably possible along with any alternate parking sites. The police chief or the director of public works may cause to be placed properly marked signs along any street as he shall, from time to time, deem necessary for the removal of snow. It shall be unlawful for the operator of any vehicle to enter upon or park on any public street or way when a no parking ban has been declared and broadcast or within spaces indicated by signs, if either the director of public safety or director of public works has deemed signs necessary.

(c) Snow from driveway or parking area plowing, shoveling or snow blowing from private property shall not be placed on the sidewalk or street. It must be stored on the property from which it was cleared.
