

Veteran's Memorial Park Committee Meeting Minutes
April 19, 2022, Libby Library Community Room

Members Attending: Larry Mead, Lisa Wilson, George Kerr, Billy Marshall, Jay Chase
Also Attending: Holly Korda, Mark Koenigs

Updates on LAWCON grant application. Larry reported on his presentation to the Conservation Commission. The Commission voted to approve and support the application for LAWCON funding. Holly noted that the State LAWCON administrator has scheduled a visit to the park in May. This is a requirement prior to application. George urged that appropriately scaled lighting be installed on the park sidewalks, that are dark in many areas.

Luminary night update. Date is Sunday, May 29th. Tables and chairs will be needed. In the past MacDonald's Garage has sold bags, as well as Landry's. Proceeds go to the park improvements. Jay said that in some prior years plants have been sold at the event. George suggested that the Town charge an additional \$1 per hour at the parking lot and dedicate the additional revenue to park improvements.

Larry and Lisa reported on the park's spring maintenance schedule. Jay Chase will begin gardener duties within the next week.

Meeting adjourned at 5:15.
