

OLD ORCHARD BEACH CONSERVATION COMMISSION AGENDA

Monday, April 8, 2019, 7:00 PM
OOB Town Hall, Council Chambers

Present: Kimbark Smith chair, Barry Jackman, Roger Stevens, Cynthia Nye clerk

1. General Updates

Spring Native Garden Project: April 30 grade 3 trip to Milliken Mills with 6th grade guides; students who choose to focus on environmental science will research and plant a pollinator garden. Garden box will be installed on the hill between shelter and parking.

Goosefare Cleanup may not happen this May 4, 11, or 17.

April Stools Day probably won't happen this year.

MEACC conference April 27

Goosefare Restoration-- DPW has a plan for redoing catch basins for drainage areas near schools; students might do native plantings in buffer area--or clover or dandelions? Concern about salt and plowing.

Art for roadside signs near catch basins

Kids to the Parks Day May 18 -- National Parks Trust

Beach profiling okay

2. Guest Visitor – Lori Gramlich; Maine House of Rep. for OOB and is a member of the Joint Standing Committee on Environment and Natural Resources couldn't attend due to illness.

3. Good and Welfare

Next meeting May TBD
