

The Old Orchard Beach Ballpark Commission
Meeting Minutes
December 10, 2018
Old Orchard Beach High School Library

Attendees: Vice-Chair Kris Fish, Commissioners Victor Gould Jr, Jerome Plante, Robin Dayton and Melissa Clark. Field Manager Jim Doran. Chair John Gallo was excused.

The meeting was called to order at 6 pm.

Old Business

1. The minutes from the Nov 5th workshop and the Nov 26th meeting were accepted unanimously.
2. The Operations Manager's report was tabled as the Operations Manager was not available.
3. There was nothing new to report by the Field Manager.
4. Commissioner renewals: Robin brought her renewal to Town Hall and not to the Commission. Per Robin, the town council will not address any board renewals until January 15, 2019 as one of the councilmen is on vacation. The Commission will address Robin's renewal at the next meeting.
5. Sponsorships. These are important as they generate money for The Ballpark. Kris will create a sponsorship template. We would like to create a certificate for donors along with a copy that could be hung up at The Ballpark. Robin and Jerome will look into ordering business cards with our names and logo. This was a 5-0 vote in favor.
6. Action Item Log: all items will be discussed at the next workshop. Also add the 4th of July parking suggestion to the log. And also add meeting with Charlie about the Blues Feste.

New Business

1. The next workshop will be on January 14, 2019 and the next regular meeting will be on January 28, 2019. Both will be held in the Old Orchard Beach High School Library.

There were no public comments.

Meeting adjourned at 6:50 pm.
