

The Old Orchard Beach Ballpark Commission
Workshop Notes
June 11, 2018
Old Orchard Beach Ballpark

Attendees: Chairman John Gallo, Commissioners Jerome Plante, Bob Rings, Victor Gould Jr, Kris Fish, Robin Dayton and Melissa Clark, Ballpark Operations Manager (BOM) Guy Fontaine and members of the public; Randy Newlin and Pam Gallo.

The workshop began at 6.33pm.

Item 1—Review of the Town Quarterly Report. Vice-Chair Fish presented The Ballpark Quarterly Report. Commissioner Dayton had many suggestions and feels we should add more to the report. Kris will amend the report to include the election of new officers, the work done on budget and planning, creation of norm and goals, thanking public works for helping with snow removal, and some other things. This is our opportunity to show what we do.

Item 2—Charlie Coulthard presentation of the Blues Fest. Charlie will be using social media to advertise the Festival. The commission is concerned about several items: advertising, sponsorships, ticket sales, to name a few. We would like to see an action item list. The commission also feels we need a presence at their meetings. John and Jerome will be our presence. The commission will also be helping with sponsorships.

Item 3—Action Item Log Review

- # 4. The Parade presence went well. There was good feedback. Over 500 flyers were passed out.
- #14. Research of the charter needs more time. End date moved to 8-13-18
- #19. Historical Finance Data. This also needs more time. End date moved to 8-13-18.
- #20. Community Day Event. Blocks of time were assigned. Everything is set to go.
- #27a. This has been resolved. The second part, 27b, is pending a date.
- #31. Tabled to another time.
- #34. The Farmers Market. Guy has vendors set up so we are on. Looks busy for July.
- #35. Kris will be looking into this.

Item 4—Google Drive presentation. Tabled to next meeting.

Item 5—Next meeting is scheduled for June 25, 2018 at 6:30pm at The Ballpark.

Item 6—There were no public comments.

Meeting adjourned at 8:30pm
