

The Old Orchard Beach Ballpark Commission  
Workshop Minutes  
March 12, 2018  
Old Orchard Beach High School Little Conference Room

Attendees: Chairman John Gallo, Commissioners Kris Fish, Victor Gould Jr, Robin Dayton, Jerome Plante, Melissa Clark, Bob Rings (skype), Ballpark Operations Manager (B)M Guy Fontaine, Field Manager Jim Doran and Pam Gallo.

Chairman Gallo opened the workshop meeting at 6:30pm.

The first matter of discussion was the idea to have two meetings each month, as needed. One would be a workshop and the other our regular meeting. The workshop will be just what its name suggests: a less structured time to discuss issues and allow committees time to meet. Votes will not be taken, attendance is not mandatory and new business can be introduced. This will hopefully cut down on the length of our regular meetings.

Dates were set for April meetings. The workshop will be on the 9<sup>th</sup> and the regular meeting on the 23<sup>rd</sup>. Both will start at 6:30pm. Location to be announced.

Completion of our meeting norms was discussed. Commissioner Dayton will be drafting another norm stating that the commission and anyone involved with The Ballpark can only say positive things about our vendors and users. Commissioner Rings will also be adding something about goodwill should always be assumed.

It was brought up that there have been several changes and amendments made to The Ballpark charter with the town. A committee was established, with Commissioner Dayton chairing along with Commissioners Fish and Rings, to research these amendments and how they could affect our operation and responsibilities.

The Action Items log was discussed and updated.

New business was brought up to discuss our priorities at our next meeting.

Workshop adjourned.
